UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

August 2024

The Undergraduate Catalog is published at <https://catalog.usf.edu/>

General Use Guidelines:

The announcements, information, policies, rules, regulations, and procedures set forth in this Catalog are for information only and are subject to continual review and change without notice. As the Catalog may change each year, the most current catalog shall apply with exceptions to be approved by the appropriate academic Dean.

To the extent the catalog references and incorporates Florida Board of Governor and USF Board of Trustee Regulations, USF Policies, and state or federal statutes, it is important to note that the Regulations, Policies and Statutes require separate promulgation outside of the catalog and that promulgation may not coincide with the publication of the Catalog. Accordingly, the most recent and current adopted Regulation, Policy or statute should be applied when following this Catalog. See <https://www.usf.edu/regulations-policies/>

The University of South Florida is committed to the principles of equal education, equal access, and equal employment opportunities without regard to race, color, marital status, sex, religion, national origin, disability, age, or Vietnam or disabled veteran status as provided by law and in accordance with the University's respect for personal dignity. These principles are applied in the conduct of University programs and activities and the provision of facilities and services.

LETTER FROM THE PRESIDENT

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Letter from the President

Dear Students:

Welcome to the 2024-25 academic year at the University of South Florida! USF offers wonderful opportunities to learn, grow and create lasting memories as you form friendships and find new interests in a stimulating environment.

As a proud USF alumna, I know from personal experience how much of an impact our university has on the lives of our students. Our highest priority is helping you achieve your educational and career goals, and I am delighted that you have chosen our great university to shape the future and make your mark on the world. Opportunities for learning abound at USF. Across our 13 colleges, you can choose from more than 200 majors, minors and concentrations regardless of which of our three campuses you are studying at — Tampa, St. Petersburg or Sarasota-Manatee. On our website, you'll find a complete list of those offerings, from the arts to cybersecurity, from criminology to microbiology, and so much more. I encourage you to review the full list to find the major that suits your interest and puts you on a path toward a rewarding career.

This is a particularly exciting time at USF. Our reputation for world-class research and innovation continues to grow, highlighted by our recent invitation to join the Association of American Universities, a prestigious group of 71 leading public and private research universities in the United States and Canada. This distinct recognition means USF now stands alongside widely respected institutions including Harvard, Stanford, Johns Hopkins, Yale and the University of Michigan. As USF Bulls, you can take great pride in knowing that the degree you will earn holds tremendous value and respect because it was earned at one of America's leading research universities.

Our institution's commitment to excellence is also recognized here in Florida. USF is one of only three Preeminent State Research Universities, a designation reserved for institutions in the State University System that meet stringent metrics in such areas as student retention and graduation rates. USF is also ranked by U.S. News & World Report as one of America's Top 50 public universities, and we have our sights set on reaching the Top 25. Thanks to your continued pursuit of excellence both in the classroom and beyond, we will get there!

In addition to expanding your knowledge, there is so much to experience outside the classroom. USF is home to a diverse selection of nearly 800 student organizations across our three campuses, and I am confident you can find one or more that complements your interests. By staying active and involved on campus, you will create new memories and form lasting friendships as you also take advantage of everything the Tampa Bay region has to offer — including cultural, recreational and social opportunities, award-winning beaches and exciting collegiate and professional sports.

At USF, we are fully committed to providing a welcoming community where everyone feels a sense of belonging and is encouraged to think boldly about the future. We are focused on fostering student success and making significant contributions throughout Florida, nationally and globally. Our university's faculty and staff are here to support you; please don't hesitate to ask

for help as you explore your options. I wish you all the best in your studies, and as always, Go Bulls!

In Bull Pride,

Rhea Law
USF President

LETTER FROM THE PROVOST

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Letter from the Provost

Dear Students:

I want to welcome you to the University of South Florida, and I am grateful that you chose USF as your academic home. As a top 50 global research university, USF attracts the best and brightest students, which includes you.

Students are at the heart of our university, and we are committed to providing an environment that contributes to student learning and development within and beyond the classroom. This focus on student success is crucial in creating a supportive and enriching educational experience.

At USF, you will learn from world-class faculty whose research and scholarship transcend disciplines to foster social impact. Through your coursework, you will engage in diverse and interdisciplinary learning experiences that challenge perspectives, foster critical thinking, and promote personal growth.

Throughout your journey at USF, you will have the opportunity to engage in internships, scientific fieldwork, laboratory work, research experiences, service learning, education abroad, and other experiential learning opportunities. I hope you take the opportunity to explore these options and see how they align with your coursework, and with your career aspirations.

Each of USF's campuses in Tampa, St. Petersburg, and Sarasota-Manatee have unique academic and cultural strengths. Regardless of which campus you attend, you will benefit from the vibrant and high-quality learning, research, campus life, and community engagement opportunities available to you. We believe in fostering a dynamic campus environment where you can engage in student government, join intramural clubs and organizations, participate in living-learning communities, appreciate art exhibitions, enjoy musical performances, participate in multicultural events, celebrate homecoming traditions, cheer for intercollegiate athletic events, and partake in recreational activities.

By the end of your time at USF, you will emerge with not only academic excellence but also a set of skills, experiences, and resilience that will prepare you to thrive in your future endeavors. Your journey here will shape you into an empowered and confident individual, ready to make a positive impact in your chosen field and beyond.

Once again, welcome to the University of South Florida. Get ready for an extraordinary educational experience filled with growth, discovery, and lifelong connections.

Prasant Mohapatra, Ph.D.

Provost and Executive Vice President

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Campus Visit Experience

Visiting USF is one of the best ways to experience what this institution has to offer. While each of USF campuses have designed campus visit experiences to best reflect their distinctive identity, the goal is for our guests to depart with their questions answered and their next steps determined.

Tampa Campus

The Tampa campus visit experience includes the following:

- **A Tour of Campus** - Student-led by our Green & Gold Guides, the tour will give you an up-close view of our top-rated academic facilities, a spacious suite-style residence hall, delicious dining options, student support offices, high-tech recreation center, and other points of interest. In addition, you will hear from current USF students about what life is really like on our dynamic campus!
- **An Information Session** - Presented by an admissions professional, the session will provide an overview of the university, admissions requirements, financial aid, dining services, residential life, scholarships and campus life.

Please visit the Office of Admissions for more information and to schedule a visit at

<https://www.usf.edu/admissions/freshmen/visit-campus/campus-tour/campus-visit-experience.aspx>

A Virtual Campus Tour is available at <https://www.usf.edu/about-usf/tour.aspx>

Saint Petersburg Campus

The St. Petersburg campus student-led tour provides an up-close view of our downtown campus and surrounding waterfront. You and your family will learn about our academic programs, student organizations and waterfront activities, such as sailing, paddle boarding and kayaking. Experience life on-campus when you tour one of our residential halls, including the new Osprey Suites. Our in-person and virtual campus tours introduce you to current students, faculty and staff, and feature various academic and student life spaces, some of which have earned impressive ratings for their focus on sustainability. You will hear from current students about what life is really like on our dynamic St. Petersburg campus!

All guided tours include an information session or meeting with an admissions professional. Designed to guide prospective students through the application process, the session provides details on the admission requirements and scholarships. You can also experience our Self-Guided Tour or our 360 Virtual Tour (<https://www.stpetersburg.usf.edu/admissions/undergraduate/campus-tours.aspx>) on your own schedule.

While visiting our campus, we recommend you take time to explore vibrant downtown St. Petersburg or local beaches. Visit one of the city's many art galleries or museums, such as the Salvador Dali Museum, just steps from campus. If you are hungry, grab a bite to eat, shop and stroll along the waterfront at the new St. Pete Pier. Visit <https://www.visitstpeteclearwater.com/> for more information on area restaurants, accommodations and attractions.

To schedule your St. Petersburg campus tour, please register at <https://www.usf.edu/admissions/freshmen/visit-campus/visit-st-petersburg/index.aspx>.

Sarasota-Manatee Campus

Sarasota-Manatee campus tours are designed to help students gain an appreciation for the culture of the campus and local community, and help prospective students see why Sarasota-Manatee students choose to receive a preeminent education in a small school atmosphere. Guests take a guided tour of our campus: walking our halls, stepping into the classrooms, and laying beneath the pines in one of our hammocks. The tours are conducted by our Campus Experience guides who share the history and statistics of the campus, while helping flesh out the experience through their unique student lens.

2024-2025 USF UNDERGRADUATE CATALOG

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Prior to the tour, students will receive an information session from an admissions counselor. This presentation will help to set the context for the tour, explain the programs and opportunities available on campus, and explain the application and scholarship process.

Tours typically last between 30 to 45 minutes, and are offered Monday, Wednesday, and Fridays at 10:00 a.m. and 3:00 p.m. Tour schedules may change during summer semesters and holiday hours.

To schedule a Sarasota-Manatee campus tour, please register at <https://www.sarasotamanatee.usf.edu/admissions/visit-usf-sarasota-manatee.aspx>. If you have questions about the tour or other visit opportunities, such as Open Houses, please contact the Campus Experience team at 941-359-4331.

In 2018, the Florida Board of Governors designated USF as a Preeminent State Research University, placing USF in the most elite category among the state's 12 public universities.

For additional administrative areas, visit <https://www.usf.edu/about-usf/administrative-units.aspx>

Mission and Goals

Mission

Led by outstanding faculty and professional staff, the University of South Florida conducts innovative scholarship, creative activity and basic and translational research, and delivers a world-class educational experience promoting the success of our talented and diverse undergraduate, graduate, and professional students. As a public metropolitan research university, USF, in partnership with our communities, serves the people of Florida, the nation, and the world by fostering intellectual inquiry and outcomes that positively shape the future - regionally, nationally and globally.

Goals

Goal 1: Student Success at USF and Beyond

To promote the lifelong success of well-educated, highly skilled, and adaptable alumnae/alumni who lead enriched lives, are engaged citizens and thrive in a dynamic global market.

Goal 2: Faculty Excellence in Research and Innovation

To conduct high-impact research and innovation to advance frontiers of knowledge, solve global problems and improve lives.

Goal 3: Partnerships and Engagement with Local, National, and Global Impact

To be a major social and economic engine creating robust global, national and regional partnerships to build a prosperous and sustainable future for our regional communities and the State of Florida.

Goal 4: A Diverse and Inclusive Community for Learning and Discovery

To provide a safe, inclusive and vibrant community for learning, discovery, creative activities and transformative experiences enabled through adaptive design of physical, social and digital environments.

Goal 5: A Strong, Sustainable, and Adaptable Financial Base

To practice continuous visionary planning and sound management throughout USF to ensure a strong and sustainable financial base, and to adapt proactively to emerging opportunities in a dynamic environment.

Commitment to Honor & Living the Commitment

As an ethical community, the University of South Florida is dedicated to the ideals of excellence in student development, academic learning, scholarship and research. By joining this community, each member is expected to accept and live these commitments.

ABOUT USF

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

I resolve to maintain the honor and integrity of the university community in pursuit of student development, academic learning, scholarship and research.

Living the Commitment: A commitment to this resolution upholds our core values of honesty, diligence and trust within our academic and professional lives. This means that authentic and sincere efforts motivate our work while we strive for genuine, trustworthy interactions.

I resolve to respect the dignity and intrinsic value of all persons.

Living the Commitment: A commitment to this resolution requires appreciation for another's personal right to explore freely, to express oneself responsibly, and to participate actively in building an environment of mutual respect and inclusion for each individual. This means that we will support equal rights and opportunities for all people, while exhibiting behaviors which are compassionate and considerate to others.

I resolve to contribute to the progress and greater good of the community.

Living the Commitment: A commitment to this resolution motivates us to serve the University with words and actions that generate a positive impact on the future of the whole community. This means that active and creative thought and contributions within a collegial environment will expand both the nature and scope of knowledge and the quality of community life.

I resolve to strive for excellence and discovery for myself, others, and the University.

Living the Commitment: A commitment to this resolution confirms the shared values that make the University a strong community. We hold high expectations for our own academic and professional work. Concurrently, we endeavor to support the success of others as we *all* seek to contribute to the mission of the University.

About the University of South Florida

USF is the fastest-rising university in America, according to U.S. News and World Report's 2022 Best Colleges rankings. Over the past 10 years, USF has risen 78 spots among all universities and 54 spots among public universities, more than any other university in the country. This is the second consecutive year USF is among the top 50 public universities in the nation, according to U.S. News. Learn more about USF *Points of Pride*.

For more information about USF, visit <https://www.usf.edu/about-usf/index.aspx>. Students can visit <https://www.usf.edu/about-usf/student-consumer-information.aspx> for student-specific information.

Accreditation

The University of South Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, specialist, and doctoral degrees. The University of South Florida also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of the University of South Florida may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

ABOUT USF

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Normal inquiries about the institution, such as admission requirements, financial aid, educational programs, etc., should be addressed directly to the institution and not to the Commission's Office.

For more information on Accreditation, visit <https://www.usf.edu/ods/accreditation/accreditation.aspx>.

In addition to SACSCOC accreditation, which applies to the institution, many academic programs are accredited by specialized accreditors that focus on specific academic disciplines.

The University of South Florida and all colleges, departments and programs therein establish certain academic requirements that must be met before a degree is granted. These requirements concern such things as curricula and courses, majors and minors, and academic residence. Advisors, directors, department chairs, and deans are available to help the student understand and meet these requirements, but the student is responsible for fulfilling them. At the end of a student's course of study, if requirements for graduation have not been satisfied, the degree will not be granted. For this reason, it is important for all students to acquaint themselves with all regulations and to remain currently informed throughout their college careers and to be responsible for completing requirements. Courses, programs, and requirements described in the catalog may be suspended, deleted, restricted, supplemented, or changed in any other manner at any time at the sole discretion of the University and the USF Board of Trustees.

For more information on Specialized Accreditation, visit <https://www.usf.edu/ods/accreditation/index.aspx>.

USF Libraries

<https://www.lib.usf.edu/>

The University Library for the Tampa campus offers access to an extensive selection of print and electronic resources, including books, maps, e-journal, e-books, and countless databases. There is also a collection of audio/visual materials including videos, CDs, DVDs, and even LPs. Students and faculty also have access to specialized research assistance and information literacy instruction from our librarians. Assistance is available from research and reference librarians either by appointment, on-line via our website, by phone, or in a classroom setting.

The University Library for the St. Petersburg campus is home to the Nelson Poynter Memorial Library, and serves as a partner in teaching, learning and research. The St. Petersburg campus Library connects students and faculty to a variety of information sources, innovative opportunities, and diverse perspectives.

The University Library for the Sarasota-Manatee campus Library offers students, faculty, and staff access to the extensive holdings of the University Libraries, which include: over 1.3 million print books; over 52,000 e-journal subscriptions; over 443,000 e-books; and over 800 databases containing articles, media and other materials. Our librarians provide reference and research assistance in all courses of study, and can help you to better organize and execute your search for the things you need to get the job done

In addition to the USF Libraries, there are three special libraries. On the Tampa campus is the Shimberg Health Sciences Library (<https://health.usf.edu/Shimberg-library/>), serving the needs of USF Health, consisting of the Colleges of Medicine, Nursing, Pharmacy, Physical Therapy, and Public Health; and the Louis de la Parte Florida Mental Health Institute (FMHI) Research Library (<https://www.usf.edu/cbcs/fmhi/>), serving the College of Behavioral and Community Sciences. The Jane Bancroft Cook Library serves as a joint-use facility shared by New College and the Sarasota-Manatee campus.

Intercollegiate Athletics

<https://gousfbulls.com/>

The University of South Florida Athletic Department is committed to providing all student-athletes with opportunities to receive a world-class education, win championships, and develop into the leaders of tomorrow while embracing our partnerships within the Tampa Bay community. Programs include:

USF Alumni

alumni@usf.edu
<https://www.usfalumni.org>

The USF Alumni Association is a nonprofit organization composed of former students and friends of the University of South Florida. The mission is to provide meaningful ways for USF Bulls to support, protect and promote their university. Additionally, the USF Alumni Association supports several student programs, including: Student Alumni Association - the largest student organization at USF; USF Ambassadors - student representatives for the university; and, Order of the Golden Brahman - USF's newest student service and leadership organization. There are more than 365,000 USF graduates worldwide who are critical to USF in achieving its goals.

Advancement/USF Foundation

The USF Foundation connects the university with donors who want to make a difference by providing private, philanthropic support to promote student success, academic initiatives, research and other strategic priorities of the University of South Florida. The USF Foundation is governed by an elected board whose members serve as advocates for the university, its colleges, campuses and units. Each volunteer board member is guided by a mission to promote private support, advocate for the university and manage the university's endowment.

For more information, visit foundation.usf.edu.

USF Policies

The Office of General Council website is the repository for University of South Florida regulations and University policies. On their website you will find information regarding new and proposed regulations and policies, as well as a searchable archive of regulations and policies that have been adopted or repealed. For more information, visit <http://regulationspolicies.usf.edu/>.

Academic Grievance Procedures for Students

Academic Grievance Procedure for Students - USF Policy 10-002

<https://usf.app.box.com/v/usfpolicy10-002>

PURPOSE & INTENT

The purpose of this Policy is to provide all undergraduate and graduate students taking courses within USF an opportunity for objective review of facts and events pertinent to the cause of the academic grievance.

STATEMENT OF POLICY

Review of the facts and events pertinent to the cause of the academic grievance will be accomplished in a collegial, non-judicial atmosphere rather than an adversarial one, and shall allow the parties involved to participate. All parties will be expected to act in a professional and civil manner. These guidelines are meant to govern all colleges (exclusive of the MD and DPT programs within the College of Medicine and the College of Pharmacy to the extent they maintain procedures and processes for issues regarding professionalism). However, USF may have unique titles and specific administrative levels. Accordingly, USF shall determine the appropriate levels and titles for review at the time a student initiates an appeal ensuring that if it is determined the matter is an academic grievance there is at least one committee level review and recommendation to an administrator to accept or reject.

In the case of Academic Integrity violations, the appeal or grievance of a decision or academic action regarding Academic Integrity is contained in Academic Integrity of Students, USF Policy 3.027

(<https://usf.app.box.com/v/usfregulation3027>).

Academic Integrity of Students

Academic Integrity of Students - USF Regulation 3.027

<https://usf.app.box.com/v/usfregulation3027>

PURPOSE & INTENT

Academic integrity is the foundation of the University of South Florida's commitment to the academic honesty and personal integrity of its university community. Academic integrity is grounded in certain fundamental values, which include honesty, respect and fairness. Broadly defined, academic honesty is the completion of all academic endeavors and claims of scholarly knowledge as representative of one's own efforts. Knowledge and maintenance of the academic standards of honesty and integrity as set forth by the university are the responsibility of the entire academic community, including the instructional faculty, staff and students.

STATEMENT OF REGULATION

This Regulation asserts fairness in that it requires notice to any student accused of a violation of academic integrity and provides a directive for discussion between the instructor and student to seek a fair and equitable resolution. If a fair resolution is not accomplished in this discussion, this Regulation allows the student continued rights of due process. As this Regulation contemplates several levels of administrative or academic review, students are advised to direct emails only to the single designated office identified as responsible for the current level of review. Student's failure to adhere to this directive or ignoring specific directives provided by an administrator such as the emailing all levels of administration, multiple parties not directly involved, or tangentially involved offices may be interpreted as a waiver of the review/appeal process and a failure to follow university directives.

Academic Integrity Tutorial

The Academic Integrity Tutorial is a requirement for all who enroll as a degree-seeking student at USF, whether they are First Time In College (FTIC) or a Transfer student. The purpose of the tutorial is to prepare each new USF student for their academic work at USF and beyond with basic understanding about the need for integrity in all areas of scholarship and research. It also informs students about the Academic Integrity Policy at USF. Every new USF student and all students must complete the AI Tutorial before classes begin and achieve an 80% passing rate. Students may take it as many times as needed to pass it.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Academic Renewal

Academic Renewal - USF Policy 10-075

<https://usf.app.box.com/v/usfpolicy10-075>

PURPOSE & INTENT

Academic renewal is the process whereby degree seeking students may request that previously completed courses not be counted in the calculation of their cumulative USF grade point average (GPA). This process may only occur under certain circumstances, which vary by the level of the student (i.e., undergraduate, graduate, professional or doctoral); Non-Degree students are not eligible for Academic Renewal. Academic Renewal will only be applied to the degree seeking student's record one time, per degree level, at USF and may affect the student's financial aid, Tuition Assistance, use of Veterans Educational Benefits, or student visa status. Students returning to the university under Academic Renewal may incur excess hours and associated monetary penalty. This Policy is a general outline of the process; however, all students must refer to the appropriate university catalog for specifics and protocols.

STATEMENT OF POLICY

Academic renewal allows students previously dismissed from the university or former students returning with a USF grade point average (GPA) below 2.00 to renew their pursuit of baccalaureate degrees without having to overcome the entire burden of low grades and low USF GPAs. Students will be required to follow the applicable process outlined in the Undergraduate Catalog. Students who qualify for academic renewal, upon approval from the appropriate Academic Regulations (ARC) Committee, will have some or all of their academic record excluded from calculation of their USF GPAs. To be eligible for academic renewal, the student must select an eligible major in which they will graduate according to the degree progression policy. The student's entire academic record will continue to be reflected on the official transcripts even though select courses are not counted in the USF GPA. In addition, grades or sanctions assigned as a result of academic integrity violations are not eligible for removal or consideration under this Policy.

The Academic Renewal policy allows students previously dismissed from the university or former students returning with a USF grade point average (GPA) below 2.00 to renew their pursuit of baccalaureate degrees without the responsibility of having to overcome the entire burden of low grades and low grade-point-averages. To facilitate this opportunity, students who qualify for academic renewal may, with the approval of the Academic Regulations (ARC) Committee, have portions of their academic record excluded from calculation of their GPAs.

To be eligible for academic renewal, the student must select a major in which they will graduate according to the degree progression policy. The entire academic record, however, will continue to be reflected on the transcript even though a selected portion will not be counted in the GPA. Academic renewal students are admitted with the same terms of academic probation and dismissal as other undergraduate students. Academic renewal will only be applied to a student's academic record one time at USF. Students returning to the university under academic renewal may incur excess hours and associated monetary penalty. For more information, please schedule an appointment with an academic advisor (URL: <https://www.usf.edu/undergrad/students/advising-offices.aspx>) in the major in which you intend to graduate.

Academic Renewal 1 (AR-1)

Students who have been academically dismissed or former students returning with a USF grade point average (GPA) below 2.00 may petition the Academic Regulations Committee (ARC) to return to the university under AR-1. A student will be considered for reinstatement to the university under academic renewal 1 after completing all requirements for the Associate of Arts degree or equivalent (including General Education, State Communication and Computation Requirements) at a two- or four-year college other than USF. Academic Renewal 1 students will enter USF as an upper-level student and their USF GPAs will be calculated from that point forward. While AR-1 is required for students who have earned less than 60 credit hours, it is not restricted to those students. In order to graduate following re-admission under AR-1, all USF and major residency and degree requirements must be met.

Students must:

1. Complete the A.A. degree. Official transcripts must be received by the Office of Admissions.
2. Meet with the academic advisor in the major they intend to pursue upon return and complete the *Academic Advising Record for Reinstatement Through Academic Renewal I or II form*.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

3. Complete the *Reinstatement After Academic Dismissal* form, and check the box for "AR1." (Forms are available at <https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/forms.aspx>)
4. Write personal statements addressing why they should be considered for reinstatement, how they have overcome specific barriers that previously affected academic success and a clear rationale for pursuit of the selected major.
5. Submit the *Reinstatement Petition packet* (steps 1 through 4) to the Academic Regulations Committee (ARC) representative in the College of the major they intend to pursue upon return to USF.

Academic Renewal will only be applied to a student's record one time at USF. Students readmitted under academic renewal may be excluded from admission to specialized admissions programs and will only be considered for University Honors at graduation if they meet the criteria using all attempted grades earned. Students returning to the university under Academic Renewal may incur excess hours and associated monetary penalty. For more information, see <https://www.usf.edu/registrar/services/excess-hours/>.

Academic Renewal II (AR-II)

Academic Renewal II is available to students who were academically dismissed or former students returning with a USF grade point average (GPA) below 2.00 and have 60 or more earned credits from USF or other institutions of higher education. These students will be considered for reinstatement to the university under Academic Renewal II, after a break in USF enrollment for at least three semesters. Students may choose to complete major prerequisites at another institution during this time, but are not required to do so. Students who choose to take courses at another institution should meet with the academic advisor of their intended USF major prior to enrolling in courses elsewhere. Following readmission under Academic Renewal II, students will have their USF GPA calculated from that point forward. In order to graduate following readmission under ARII, all USF and major residency and degree requirements must be met.

1. Official transcripts must be received in the Office of Admissions if student was enrolled at another institution during their year away from USF.
2. Complete the *Academic Advising Record for Reinstatement Through Academic Renewal I or II form* with the academic advisor in the major they intend to pursue upon return. (Forms are available at <https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/forms.aspx>)
3. Complete the *Reinstatement After Academic Dismissal form*, and check the box for "ARII."
4. Write personal statements addressing why they should be considered for reinstatement, how they have overcome specific barriers that previously affected academic success and a clear rationale for pursuit of the selected major.
5. Submit the *Reinstatement Petition packet* (steps 1 through 4) to the Academic Regulations Committee (ARC) representative in the College of the major they intend to pursue upon return to USF.

Academic Renewal will only be applied to a student's record one time at USF. Students readmitted under academic renewal may be excluded from admission to specialized admissions programs and will only be considered for University Honors at graduation if they meet the criteria using all attempted grades earned. Students returning to the university under Academic Renewal may incur excess hours and associated monetary penalty. For more information, see <https://www.usf.edu/registrar/services/excess-hours/>.

Associate in Arts

Associate in Arts Degree - USF Regulation 3.019

<https://usf.app.box.com/v/usfregulation3019>

All students must satisfy the General Education Requirements of USF and must satisfy the requirements listed in section 1007.25, Florida Statutes and in State Board of Education Rule 6A-10.030, prior to receiving an Associate in Arts Degree.

1. To receive the Associate in Arts, the student must complete sixty (60) hours of university credit; at least twenty (20) of the last thirty (30) credit hours or a total of thirty-six (36) credit hours must be completed at USF. The minimum grade point average must be 2.0 based on work attempted at USF. In addition, a transfer student must have a GPA of 2.0 or higher when combined with transfer work accepted and evaluated by the USF Office of Admissions. Physical Education and military science credits do not count toward the Associate in Arts Degree. In addition, a transfer student must have a GPA of 2.0 or higher when combined with transfer

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

work accepted and evaluated by the USF Office of Admissions. Physical Education and military science credits do not count toward the Associate in Arts Degree. All students must satisfy the General Education Requirements of USF and must satisfy the requirements listed in section 1007.25, Florida Statutes and in State Board of Education Rule 6A-10.030, prior to receiving an Associate in Arts Degree.

2. Beginning with students initially entering a Florida College System institution or State University System institution in 2014-2015 and thereafter, coursework for an Associate in Arts Degree shall include demonstration in competency in a foreign language pursuant to Florida Statute 1007.262 (Also known as USF's FLENT requirement).
3. To apply online for an Associate in Arts Degree, please visit the Steps to Graduation website. The deadline to apply for a certificate in each term is stated in the Office of the Registrar's Important Dates and Deadlines.
4. The Associate in Arts Degree must be awarded prior to the term that the student becomes eligible for the baccalaureate degree.
5. Final processing for the Associate in Arts will be done after grades are processed at the end of the term for which the student applied. All work, including transfer work, taken in that semester will be evaluated with respect to the requirements for the Associate in Arts Degree.
6. Any incomplete grades shown on the permanent record of an Associate in Arts applicant at the time grades are processed will be treated as an "F" in the calculation of grade point average. Transfer students who completed a substantial portion of the Associate in Arts Degree requirements at another institution in the Florida College System will be encouraged to notify that institution of the additional USF credits that may be transferred to that institution towards conferral of that degree. If the former institution will not confer the Associate in Arts Degree with the addition of USF transfer credits, but is eligible for the Associate in Arts Degree at USF, then USF will confer the Associate in Arts Degree.
7. The General Education Requirements will be based on the approved university policy in effect in the catalog year the student chooses according to the university policy regarding the choice of catalog. The consideration of whether or not General Education Requirements are met will be made without consideration of the student's choice of major at the time they apply.
8. University of South Florida credit hours will be broadly defined to include USF sponsored student exchange programs. The grades from these institutions are recorded on the permanent record at USF, and included in the grade point average calculation, and will be counted in the student's grade point average as work attempted at USF for the Associate in Arts Degree.
9. An applicant who has not been enrolled at USF for three semesters may be contacted to ascertain whether or not that applicant meets the residency requirements.
10. In approving any application for the Associate in Arts Degree, satisfactory/unsatisfactory grades will be accepted according to the approved university policy in effect during the terms of the student's enrollment without regard for the student's declared major. Students must be aware that if they have taken any courses on a satisfactory/unsatisfactory basis where such grades are not acceptable by the college of the major, the students may be required to repeat particular courses for a traditional letter grade or take additional courses for a traditional letter grade to meet the college requirements.
11. All University of South Florida colleges with undergraduate programs will accept the Associate in Arts from USF. That is, the student will be placed, at least, at the junior level and will be considered to have met the university's General Education Requirements. The applicability of the courses taken by the student toward their major program will be determined by the college of the student's major. Similarly, any special requirements for a student's professional certification (e.g., Education and Engineering) are not necessarily met by the Associate in Arts Degree, but could be included as part of the General Education Requirements. Thus, students should check with their colleges concerning meeting any special requirements in an efficient manner.
12. The awarding of the Associate in Arts Degree is posted on the student's official transcript, but does not alter the calculation of the grade point average nor does it interrupt the accumulation of the student's record. A diploma is not issued.
13. Students who follow a baccalaureate degree program as recommended by a college will not necessarily be eligible for the Associate in Arts Degree prior to the completion of ninety (90) credit hours.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Course Attendance at First Class Meeting

Student Registration Changes, Initial, Drop/Add, Withdrawal, and Auditing - USF Policy 10-006

<https://usf.app.box.com/v/usfpolicy10-006>

All instructors teaching undergraduate and graduate courses are required to take attendance on the first day of class and to drop students who do not attend the first day of class. Students who experience extenuating circumstances that are beyond their control and who are unable to attend a first class meeting must notify the instructor via email using the course management system (i.e., Canvas) for that course prior to the first class meeting to request waiver of the first class attendance requirement. Although instructors are authorized to affect the drop, students are fundamentally responsible for knowing their registration status, and the student must ensure that their registration status reflects the drop by the end of the drop/add period. For Saturday only courses or courses that begin on a Saturday, students are expected to contact the Office of the Registrar at AskTheRegistrar@usf.edu to drop the course(s).

Distance learning students must log-in to their course(s) and complete an academic activity by the first day of their online course(s). Students who are unable to log-in to their course(s) due to circumstances beyond their control must notify the instructor or the department prior to the calendar start date of the course to request waiver of the first class attendance requirement.

Course Syllabus

Syllabi Policy - USF Policy 11-008

<https://usf.app.box.com/v/usfpolicy11-008>

A *syllabus* is an academic agreement that establishes the academic relationship between instructors and students in a course, and is used as the basis for communication and accountability. It communicates course expectations, organizes information, sets the tone for the learning environment, maps the path of student learning, and provides accountability. A carefully constructed syllabus helps clarify course goals and learning objectives, assessment and evaluation standards, grading policies, and expectations for student and faculty behavior.

The Southern Association of Colleges and Schools Commission on Colleges Criteria for Accreditation require that a syllabus be placed on file in the department for each course taught and that students must be provided written information about the goals and requirements of each course, the nature of the course content, and the methods of evaluation to be employed.

For more information about the components of a course syllabus, visit <https://www.usf.edu/innovative-education/citl/syllabus.aspx>.

Degree Progression

Degree Progression and Completion Deadlines for Undergraduate Students - USF Policy 10-505

<https://usf.app.box.com/v/usfpolicy10-505>

A. Students who have completed all degree requirements will be required to graduate within four years. If a student does not submit the Online Graduation Application for Degree when academic records indicate all degree requirements for the declared major have been met based on the university degree audit system, the university will initiate the degree certification process without an application.

1. Undergraduates must complete the Online Graduation Application for Degree and the Online Graduating Senior Survey by the official university deadline (<https://www.usf.edu/registrar/services/apply-for-graduation/index.aspx>) for the term in which they expect to graduate. Degree application deadlines are available in the Academic Calendar found in the Undergraduate Catalog.
2. If denied for graduation, a student must re-apply for the next applicable term.
3. Students must apply before the graduation deadline for the term in which they expect to graduate.

B. Any curricular or co-curricular work added to a student's declared primary major must be completed prior to or during the same academic term that the student's major requirements are completed. Students should be approved to pursue additional curricular and/or co-curricular work only if it can be completed within eight semesters for first time in college (FTIC) students, excluding summer and alternative calendar terms, and without exceeding her/his excess

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

credit hour surcharge (ECHS) threshold. Transfer students should complete in eight semesters accounting for prior postsecondary enrollment, excluding summer and alternative calendar terms. Examples of this work include, but are not limited to: minors, certificates, double majors, concurrent degrees, the Honors program, study abroad experiences, and/or work-based learning (e.g., coops, internships, etc.). Access to the Excess Hour Counter is available on the Office of the Registrar's website (<https://www.usf.edu/registrar/services/excess-hours/index.aspx>).

C. FTIC or transfer students who have 120 earned credit hours or more will not be allowed to enroll in courses that are not required for completion of the declared primary major based on the university degree audit system. Exceptions are provided for students in baccalaureate degree programs with prior approval from the Board of Governors to require more than 120 credit hours for completion. Students in those programs will not be allowed to enroll in courses outside of their major requirements once the approved credit hour threshold for the major has been reached.

D. Advisors and students must follow the guidelines listed below regarding major changes. The final decision to allow a student to change to a new major rests with the college of the new major. Colleges will review student requests to change major by evaluating the student's degree progression as documented in the university degree audit system. Students will review the expected number of years required for degree completion, with special attention to the likelihood that the change may result in ECHS, with an advisor in the new major. The colleges are expected to restrict those changes such that students graduate within the number of years specified in (A) through (C) above and without incurring or increasing ECHS potential.

E. A student will be reselected (RSL) from the primary declared major by the academic college if it is determined they are not meeting degree progression standards. Examples of degree progression standards include, but are not limited to, requirements specified in this policy, college or major D/F grade policies, course repeat/withdrawal policies and/or requirements for admission into major. Specific progression requirements for individual academic programs are listed in the undergraduate catalog under each academic major (<https://catalog.usf.edu/>). Any student reselected (RSL) from the officially declared major after 60 earned hours must be reviewed by the student's current academic advisor for ECHS and degree progression before changing majors. FTIC students will be allowed to change to those majors that can be completed within eight semesters (eight semesters for transfer students accounting for previous postsecondary enrollment), excluding summer and alternative calendar terms, and without incurring ECHS.

F. In the event a student would like to request an exception to any aspect of the above policy, a request must be submitted, in writing, to the Dean of Undergraduate Studies with documentation that provides clear evidence to justify the need to extend enrollment. Only requests submitted prior to the student's undergraduate application for graduation will be considered. Exceptions will not be granted for students wishing to extend enrollment in order to retake courses where earned grades already meet the minimum graduation requirements or to complete additional coursework for admission to graduate programs.

Disruption of Academic Process

Disruption of Academic Process - USF Regulation 3.025

<https://usf.app.box.com/v/usfregulation3025>

PURPOSE & INTENT

Disruptive students in the academic setting hinder the educational process. Although disruptive student conduct is already prohibited by the University of South Florida Student Code of Conduct and any person may make a direct referral regarding student conduct to the Office of Student Conduct and Ethical Development (SCED) (<https://www.usf.edu/student-affairs/student-conduct-ethical-development/>) at any time for a conduct review and possible university wide sanction. This Academic Disruption Regulation provides the steps an Instructor may take to immediately address a student disrupting a class or academic setting including restricting a student from class, assigning an academic sanction or other immediate sanction. This is considered an Academic process and provides for academic sanctions. An Instructor may/must make additional referrals to SCED for a more comprehensive review and additional conduct sanctions which are considered separate from the Academic process.

STATEMENT OF REGULATION

This Regulation provides a mechanism for the Instructor to ensure a positive academic environment. Although academic discussion may include disagreement with the course Instructor during times when the Instructor permits

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

discussion, it is not in itself disruptive behavior and is not prohibited; the Instructor sets the parameters for classroom interaction. Some disruptive students may have emotional or mental health disorders. Although such students may be considered disabled and are protected under the Rehabilitation Act/ADA, they are held to the same standards of conduct as any student.

Misconduct occurring on premises of USF which adversely affects the university community and/or the pursuit of its mission is already prohibited by the Student Code of Conduct (<https://usf.app.box.com/v/usfregulation60021>) and will be handled by those procedures.

Early Notification Requirement for Observed Religious Days

Attendance for the Observance of Religious Days by Students - USF Policy 10-045

<https://usf.app.box.com/v/usfpolicy10-045>

STATEMENT OF POLICY

All students, faculty, and staff within USF have a right to expect reasonable accommodation of their religious observances, practices and beliefs. USF will, at the beginning of each academic term, provide written notice of the class schedule and formal examination periods. USF, through its faculty, will make every attempt to schedule required classes and examinations in view of customarily observed religious holidays of those religious groups or communities comprising USF's constituency.

Students are expected to attend classes and take examinations as determined by USF. No student shall be compelled to attend class or sit for an examination at a day or time prohibited by his or her religious belief. However, students should review the course requirements and meeting days and times to avoid foreseeable conflicts, as excessive absences in a given term may prevent a student from completing the academic requirements of a specific course.

Students are expected to notify their instructors at the beginning of each academic term if they intend to be absent for a class or announced examination, in accordance with this Policy. Students absent for religious reasons, as noticed to the instructor at the beginning of each academic term, will be given reasonable opportunities to make up any work missed. In the event that a student is absent for religious reasons on a day when the instructor collects work for purposes of grading (homework, pop quiz, etc.), the student shall be given a reasonable opportunity to make up such work or shall not have that work averaged into the student's grade at the discretion of the instructor.

If a student believes that an instructor or program has not responded reasonably to a timely notice of expected observance of religious days, they may seek review of a complaint through the university's Office of Diversity, Equity, and Inclusion at <https://www.usf.edu/diversity/>.

Final Examinations

Testing and Final Examinations - USF Policy 10-005

<https://usf.app.box.com/v/usfpolicy10-005>

Examinations in academic subjects are, for most courses, an integral part of the learning process and one part of a procedure for evaluating student performance and determining grades. The University of South Florida requires certain standards for the examination process in order to protect the academic integrity of courses and the best interests of both the student and instructor. Although this policy primarily addresses examinations for undergraduate courses, graduate courses with final exams during the examination week should follow the schedule for exams that is provided with the course schedule for that academic term.

Testing in General

In each academic course the student is expected to undergo a meaningful testing and evaluation that will reveal the student's intellectual growth in the subject matter covered or otherwise reflect the achievement of the course objectives.

The instructor has the responsibility of maintaining a fair and impartial testing and examination procedure, has the right to define and structure the testing process, and shall not be restricted as to form, style, or content of the examination. It is USF policy that all students facing an examination (of any type) shall have equal notice of said examination. USF regards the routine use of all or part of the same formal examination for successive academic

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

terms as unsound policy except when used with adequate safeguards such as a random selection of questions from a large pool.

Test Free Week

For each fall and spring semester, the last full week of classes before final examinations is designated as Test Free Week. The intent of this policy is to establish a one week period of substantial and predictable study time for students.

During the Test Free Week period, regular lectures are expected to continue, including the introduction of new content, as deemed appropriate by the instructor. However, no exams will be given. Quizzes of no more than 10 short answer questions that can be taken in 15 minutes or less are allowable to cover new material introduced during the Test Free Week. Due dates for mandatory graded submissions of any kind (i.e., papers, presentations, projects, and practicums) that fall within Test Free Week must be listed on the syllabus provided at the start of the course. Mandatory final examinations may not be given during the Test Free Week period. Refer to the Office of the Registrar's website for specific dates and calendars for each academic term (<https://www.usf.edu/registrar/calendars/>).

Final Course Examinations

The last six (6) days of the Fall and Spring semesters shall be set aside for final examinations and any final examination of a comprehensive nature must be given during this designated period. The length of the final exam will be at the discretion of the instructor, however, no more than two hours shall be allotted for each final examination.

1. Final Exam Matrix: The Final Exam Matrix is designed to facilitate a conflict free schedule for greater student success in the exam process. The Office of the Registrar provides the Matrix and all courses must comply with the Matrix as it is published with no deviations. All makeup exams, either for block exams or the individual exams will be scheduled during the time period allotted for students that require a make-up exam.
2. Conflicts: If a student has a direct conflict of scheduled examinations that are scheduled according to the Final Exam Matrix, the student may petition the appropriate instructor to reschedule one of the student's examinations. If a student has three or more examinations scheduled on the same day, the student may petition the appropriate instructor to reschedule one of the student's examinations, or the student may elect to take all exams on the same day. If a make-up exam is requested, it will be scheduled during the make-up exam time as posted on the Final Exam Matrix.

Foreign Language Entrance Requirement (FLENT)

Admission to Baccalaureate Programs of University of South Florida - USF Regulation USF 3.018

<https://usf.app.box.com/v/usfregulation3018>

All incoming students must have completed two credits of one foreign language or American Sign Language in high school or the equivalent to eight to ten semester hours in the undergraduate institution(s) attended prior to attending USF or demonstrate equivalent foreign language competence as described in BOG Regulation 6.002 and BOG Regulation 6.004.

Graduation Requirements (Baccalaureate)

Degree Requirements: Baccalaureate/Undergraduate - USF Regulation 3.007

<https://usf.app.box.com/v/usfregulation3007>

General Education Requirements

Students must complete 36 hours of general education following state and university requirements. For more information, please visit the General Education Information section of this catalog.

Civics Literacy Requirement

All students earning a baccalaureate degree will need to complete the Civics Literacy requirement as stated in Florida Statute 1007.25 (http://www.leg.state.fl.us/Statutes/index.cfm?App_mode=Display_Statute&URL=1000-1099/1007/Sections/1007.25.html).

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

For information on the exact requirement, please visit the USF Civics Literacy website: <https://www.usf.edu/undergrad/students/civics-literacy.aspx>.

Summer Enrollment Requirement

All students entering USF with fewer than 60 semester hours of credit are required to earn at least nine semester hours of credit prior to graduation by attendance during one or more Summer terms in courses offered by USF or any one of the State University System of Florida institutions. The university may waive the application of this rule in cases of unusual hardship.

A student who wishes to have the rule waived must complete a *Request for Waiver of Mandatory Summer Enrollment Form* available in the Office of the Registrar

(https://www.usf.edu/registrar/documents/forms_2019/summer_waiver_request_form_2019.pdf). After submission of the form to the Office of the Registrar, the student will receive notification to their USF email of the action taken.

University of South Florida Requirements

In addition to Florida Board of Governors and/or state requirements, USF has the following USF specific minimum requirements that are designed to assure the academic integrity of the degree programs at each System Institution:

1. Successful completion of a minimum of 120 unduplicated semester credit hours through university coursework, acceleration mechanisms, and/or transfer credit, including courses specifically approved as repeatable for credit (e.g. practica, ensembles and field experiences);
2. A minimum adjusted grade point average (GPA) of 2.00 on all course work taken at USF and an overall 2.00 on all college-level work attempted;
3. Satisfactory completion of major requirements in a chosen degree program, including additional requirements set by the college offering the degree, as published in the current Undergraduate Catalog;
4. Successful completion of at least forty-two (42) semester hours in courses numbered 3000 and above;
5. Successful completion of at least 25% of the total credit hours required for the degree program must be in courses offered by USF;
6. Registration and successful completion of at least thirty (30) of the last sixty (60) semester hours must be completed at USF. CLEP credit does not count toward academic residence. Colleges may have specific academic residency requirements for specified degrees and students are responsible for reviewing the current Undergraduate Catalog to ensure compliance
7. Program and/or College Requirements: All students must be aware of and satisfactorily complete any additional requirements that may be required by a specific program and/or college from which they are earning the degree as set forth in the current Undergraduate Catalog.
8. General Academic Approval: Successful completion of academic coursework constituting the student's program of study, minor, honors thesis, or certification examination does not guarantee award of the baccalaureate degree. Faculty judgment of the academic performance of the student is inherent in the educational process in determining whether the award of the baccalaureate degree or admission into a higher-level degree program is warranted.

Foreign Language Graduation Requirement (FLEX)

All students pursuing a B.A. degree must meet the foreign language exit requirement which for most students will require completing two semesters of the same foreign language or for some majors sign language. Students who already have knowledge of a foreign language may "place out" of the requirement. The following statements summarize the methods for completing FLEX.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

1. Two semesters of the same foreign language (e.g., SPN 1120 and SPN 1121), or sign language for some majors, with no less than a "D" in the first semester and no less than a "C" in the second semester. "S" or "P" grades may not be substituted.
2. Completion of the second semester or higher of a foreign language with no less than a "C." (The first semester was not taken because of placement).
3. Successfully passing the USF language placement test by placing into the third course or higher. Visit the placement test site for more information: <http://languages.usf.edu/foreign/>
4. Subject CLEP credit for two semesters.
5. AP Credit for two semesters.
6. For students with a Native language other than English, they can meet the FLEX requirement if:
 - o There is official documentation of the student's **English proficiency requirements as accepted by USF Admissions** as an indication of proficiency in another language
 - o Student earns passing grades (C- or better) in ENC 1101 and ENC 1102 (or equivalents) demonstrating English language proficiency

The following programs accept American Sign Language Competency for the exit requirement: Africana Studies, Aging Sciences, Anthropology, Chemistry, Communication, Communication Sciences and Disorders, Criminology, Digital Communication and Multimedia Journalism, Economics, English, History, Humanities and Cultural Studies, Interdisciplinary Social Sciences, Mass Communications, Political Science, Psychology, Religious Studies, Sociology, Sustainability Studies, Women's and Gender Studies, and all programs in the College of Education and College of Design, Art, and Performance.

Approval is needed by the student's program/department major.

Students electing to take the examination in French, German, Italian, Portuguese, Russian, Spanish, Ancient or Modern Greek, or Latin should apply to the Director of the Department of World Languages. Students taking the examination in New Testament Greek or Hebrew should apply to the Chairperson of Religious Studies. Students taking the examination in American Sign Language should apply to the Chairperson of Communication Sciences and Disorders.

Medical Amnesty (Student Reporting)

Medical Amnesty (Student Reporting) - USF Policy 30-004

<https://usf.app.box.com/v/usfpolicy30-004>

The University of South Florida (USF) supports an inclusive learning environment that promotes the health and safety of all members of the university community. This Medical Amnesty Policy seeks to diminish fear of university-imposed disciplinary or conduct sanctions in emergency situations due to alcohol or other drug use or misuse. Any student who qualifies for amnesty under this policy will not be charged with violations of any of the USF Student Codes of Conduct as those Codes relate to consumption and/or use of alcohol and/or drugs. Under this Policy, students who seek or receive emergency medical assistance for themselves or students who seek assistance for another student experiencing an emergency related to the consumption of alcohol and/or other drug use or misuse may qualify for amnesty. Although students who qualify for amnesty may be exempt from the Student Conduct (<https://usf.app.box.com/v/usfregulation60021>) process, they may be required to complete educational measures and pay for any incurred cost associated with those requirements.

Mid-Term Grades

Mid-Term Grades Posting - USF Policy 10-504

<https://usf.app.box.com/v/usfpolicy10-504>

PURPOSE & INTENT

The University of South Florida (USF) is committed to student success and providing the necessary information to enable students to manage their academic progress. This Policy is one of many university initiatives directed at assisting students in effectively meeting their academic goals.

STATEMENT OF POLICY

It is the student's responsibility to be aware of their academic standing and grade status in all courses. In an attempt

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

to assist the student in evaluating academic status mid-term, the university requires instructors to submit midterm grades electronically for each student enrolled in 1000, 2000, 3000 and 4000 level courses. Instructors are not required to report mid-term grades for alternate calendar courses, study abroad, directed studies, internships, practicum, field experiences, directed research, undergraduate research, independent studies, and other courses that do not follow the normal course schedule for the academic term; however it is expected that instructors will provide feedback to students regarding progress at an appropriate midpoint for the course.

PROCESS STEPS

Midterm grades are submitted after Week 7 or, for summer courses, soon after the midpoint of the time period that the course is conducted. The purpose of the Midterm Grade Report is to provide students in 1000, 2000, 3000 and 4000 level courses with information on whether they are making sufficient progress toward meeting the course requirements. This information is available to students in **Student Self-Service** as a progress report for all students in Lower Level and early Upper Level courses. This Early Warning System provides midterm grade information that assists students and their advisors in determining if academic progress is sufficient in the course at a time where the student may be permitted to drop the course (although beyond the drop/add period resulting in fee liability) and receive a "W" for the course. This is an academic action only and does not support any financial refund or adjustment and students will remain responsible for all applicable registration fees for the course(s). The academic action will permit a "W" grade to reflect on the student's permanent academic record. Students who drop may not continue attending class. Drop deadlines for each semester and summer sessions are listed in the Academic Calendar and are listed on the Office of the Registrar's Important Dates and Deadlines (<https://www.usf.edu/registrar/calendars/index.aspx>).

Orientation for New Undergraduate Students

Mandatory Orientation for New Undergraduate Students - USF Policy 10-035

<https://usf.app.box.com/v/usfpolicy10-035>

Orientation is required for all newly admitted students. All newly admitted students must complete Orientation for the campus to which they are admitted prior to beginning classes. The Orientation experience is designed to meet the requirements of a student's home campus located in Tampa, St. Petersburg, or Sarasota-Manatee. Orientation provides an introduction to the campus community and facilitates a seamless transition into the academic and social environments unique to the identified home campus and the University of South Florida at large. Primary facilitation of Orientation resides with the designated office(s) at each USF campus.

Posthumous Degrees or Degrees in Memoriam

Posthumous Degrees - USF Policy 10-047

<https://usf.app.box.com/v/usfpolicy10-047>

USF may award a posthumous baccalaureate degree to a student who was in good standing at the university at the time of their death and who had completed all substantive requirements for the degree. USF may award a baccalaureate degree in memoriam to students who were in good academic standing at the time of their death.

To award a non-thesis degree, the student must have completed all courses required for the degree. Courses required for the degree, in which the student was enrolled at the time of death, must have been completed to the satisfaction of the faculty so that passing grades might be posted. All other requirements must have been satisfied as well.

To award a thesis degree, all courses must be completed as described above and the thesis must be sufficiently complete to the satisfaction of the faculty so that certification of completion may be posted to the student's record.

Procedures for Award of Posthumous Degrees or Degrees in Memoriam

Department chairpersons, or appropriate faculty members, on their own initiative or upon request of a student's family, may recommend a posthumous, or an in memoriam degree, by forwarding the recommendation to the appropriate college Dean. If approved by the Dean, the request, accompanied by the supporting documentation, will be forwarded to the Dean of Undergraduate Studies respective to the degree type at USF for approval. If the Dean or Chief Academic Officer approves the recommendation, the Office of the Registrar will be notified. Posthumous

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

degrees and in memoriam degrees may also be presented to the student's family in an appropriate setting, which may include Commencement held in fall and spring.

Diplomas for posthumous degrees will be identical to other degrees awarded in the same colleges and majors. Diplomas for Degrees in Memoriam will be prepared to read "Bachelor of Arts in Memoriam," "Bachelor of Science in Memoriam," etc., depending upon the degree the student was pursuing at the time of death. Undergraduate students who have not chosen a major at the time of death will be awarded the "Bachelor of Arts in Memoriam."

Student Code of Conduct

Student Code of Conduct - USF Regulation 6.0021

<https://usf.app.box.com/v/usfregulation60021>

PURPOSE & INTENT

Student Conduct and Ethical Development (further referred to as "SCED") supports the goals, mission, values, and visions of the University of South Florida ("University" or "USF") by promoting responsibility and adherence to the standards of behavior outlined in this Regulation ("Student Code of Conduct" or "Code").

SCED collaborates with the USF community to advocate for a safe environment that promotes personal accountability and supports student success. SCED facilitates educational opportunities through meaningful interactions with students to encourage their academic, emotional, and professional development. The goal of SCED is to create environments that empower students to engage as ethical citizens in a diverse global society.

STATEMENT OF REGULATION

The USF President has designated SCED, or designee, to administer and maintain this Regulation ("Student Code of Conduct" or "Code"). The Student Code of Conduct describes standards of behaviors that are counteractive to the goals and mission of the university and the process for how the university will hold students and student organizations accountable to these standards of behavior.

Student's Choice of Catalog

University of South Florida Catalogs - USF Policy 10-059

<https://usf.app.box.com/v/usfpolicy10-059>

PURPOSE & INTENT

The University of South Florida (USF) publishes undergraduate and graduate catalogs on each campus. Catalogs are not contracts, but are the source of general information including USF, its campuses, community, curricular offerings, degree and admission requirements, academic calendar, and facilities available to students, faculty and staff.

STATEMENT OF POLICY

USF reserves the right to change or modify academic requirements, course information, and curricula as authorized by the USF Board of Trustees, Florida Board of Governors or Florida law. Revisions to catalogs will not alter provisions, terms, fees, or requirements under existing university regulations or policies.

The catalogs is revised each academic year. The catalogs will be updated without notice as degree programs or curricula changes are approved by the appropriate USF authority, the Florida Board of Governors or Florida law.

In the event of conflict between any provisions in the catalog and any USF regulations or policies, the document most currently revised or adopted by the USF Board of Trustees shall prevail.

A degree-seeking student may choose any USF catalog published during their continuous enrollment. As degree-seeking students will be enrolled over the course of several terms, the catalogs may change. In the event of a conflict, to the extent possible, the university will make every effort to apply the appropriate catalog that protects the interest of the student. However, in the case of policy and program changes, or issues of accreditation and legislative changes, the most current catalog will be applied, if necessary.

Academic Processes

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Academic Probation and Dismissal

Note: The information below pertains to *academic* probation or dismissal. This is different than dismissal or suspension due to academic *integrity* issues. For information on academic integrity, please see the Academic Integrity section above.

The first time an undergraduate student's USF grade point average (GPA) falls below a cumulative 2.0, the student will be placed on academic probation. From the beginning of academic probation, the student must maintain at least a 2.0 GPA each term and may not totally withdraw from any semester without cause. Any student who withdraws from all classes after the fifth day of classes while on academic probation will be academically dismissed.

Once on academic probation, academic advising prior to registration is mandatory until the student is removed from probationary status. Students may remain on academic probation indefinitely as long as the student maintains a GPA of 2.0 or greater each semester. If at any time while on academic probation, the student's semester GPA falls below a 2.0, the student will be academically dismissed from the university. Once academically dismissed, the student may only return under USF's Academic Renewal policies. If academically dismissed from USF, students may not enroll USF as a non-degree seeking student.

First year, first time in college (FTIC) students may be granted a one-time only academic dismissal deferment, allowing an additional semester of enrollment. Students will work with the Office of Academic Advocacy (<https://www.usf.edu/undergrad/academic-advocacy/>) to create a plan for academic success in the deferred semester. It should be noted that deferring academic dismissal will not extend financial aid canceled due to poor academic performance.

The determination and notification of probationary status or academic dismissal is made by the Office of the Registrar; academic standing is noted on the student's transcript. A student who attends another college or university following academic dismissal will be classified as a transfer student and readmission will be based on the total record accumulated from all colleges and universities attended.

Once a student's semester and USF GPA are at or above 2.0, the academic probation status will be removed.

If a student is academically dismissed or falls below a 2.0 cumulative USF GPA and subsequently receives a baccalaureate degree from another four-year institution, that student, when accepted to the university with the post-baccalaureate status, will have their academic standing restored to good standing.

Reinstatement

Students placed on Academic Dismissal may only return to USF under the university's Academic Renewal policies. Academic Renewal allows students previously dismissed or former students returning with a USF GPA below 2.00 to renew their pursuit of baccalaureate degrees without the responsibility of having to overcome the entire burden of low grades and low grade-point-averages. To facilitate this opportunity, students who qualify for Academic Renewal may, with the approval of the Academic Regulations Committee and/or the Office of Undergraduate Studies, have portions of their academic record excluded from their grade point averages (GPAs). To be eligible for academic renewal, the student must select a major in which they will graduate according to the degree progression policy. The entire academic record however will continue to be reflected on their transcripts even though a selected portion will not be counted in their GPAs. Academic Renewal students are admitted with the same terms of academic probation and dismissal as all other undergraduate students.

Students petitioning for reinstatement must submit a new application to the Office of Admissions (<https://www.usf.edu/admissions/index.aspx>).

If academically dismissed from USF a student may not return to USF as a non-degree seeking student.

Academic Regulations Committee

Certain academic regulations for the university are managed by the Academic Regulations Committee (ARC) within each college. For specific information, please see <https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/>. Each college's ARC regularly reviews petitions submitted by undergraduate students.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Undergraduate students must petition and secure approval from their college's ARC to return to the university after having been academically dismissed or to receive special consideration regarding an academic regulation, including late or retroactive drop of a course, late registration or late add of a course, deletion of a course, and withdrawal from a term. The ARC representatives or designees in each college meet with the student, assist with the petition process, and serve on their college's ARC. Representatives from the college ARC's also meet formally to review ARC policies and procedures for the university.

Each college's ARC will reexamine petitions when the student provides new and substantive information directly related to the petition or evidence that an error was made. A final ARC decision may be appealed first through the appropriate college Dean or designee within ten business days of the initial decision. Then the Dean of Undergraduate Studies (or the Designee) may hear an appeal.

Requests made for late adds after the withdrawal deadline for the term, and for a retroactive withdrawal six months after the applicable semester, require an additional review by the university Registrar to ensure compliance with university, State and Federal regulations and policies. Late Adds falling in this category must have circumstances outlining the exceptional reason for the delay and lay out a plan for demonstrating completion of meeting minutes by the conclusion of the term per SACSCOC Federal Requirements 4.9, Definition of a Credit Hour. Late Withdrawals falling into this category must have documentation supporting exceptional circumstances that occurred after the withdrawal deadline.

To petition the committee, completed forms should be submitted to the respective College Advising Office for ARC review. In some cases, a consultation with an ARC representative is required. Students may contact their ARC representative for details regarding their submission. Detailed information and the appropriate forms may be obtained by visiting the ARC's website (<https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/>). Students will receive notification of the committee's decision by mail/email.

If a student is requesting consideration for financial reimbursement, the student must also submit a Fee Adjustment Request (https://www.usf.edu/registrar/fee_adjustment.aspx) to the Office of the Registrar within six months of the applicable term's end date and following final petition decision.

Alternative Academic Process for Seriously Traumatized Students

An alternative academic process is provided for those seriously traumatized students who have received assistance from the Center for Victim Advocacy and Violence Prevention (<https://www.usf.edu/student-affairs/victim-advocacy/index.aspx>) or the Counseling Center (<https://www.usf.edu/student-affairs/counseling-center/>) or Student Health & Wellness (<https://www.usf.edu/student-affairs/student-health-services/services/index.aspx>) when the professionals of those centers have reviewed the personal and confidential information related to the student's experience to determine appropriate actions for the student. The USF Center for Victim Advocacy and Violence Prevention, the Counseling Center and Student Health Services will assist in determining appropriate actions, including waiving certain academic regulations to accommodate the student's needs.

Commencement Ceremony

Commencement ceremonies are held at the end of each academic semester. Ceremonies are held three times a year (Spring, Summer and Fall) with multiple ceremonies hosted in a day.

Students register to participate in a Commencement ceremony through the Commencement website, <https://www.usf.edu/commencement/>. Registration for that term's ceremony is open on the first day of classes for that term.

Deadline for ceremony registration varies by campus. Registration is open to all undergraduate students.

Remember - Graduation is separate process from the Commencement ceremony.

To participate in the Commencement ceremony:

1. Apply to graduate at the Office of the Registrar; submit your application to graduate to receive your diploma at <https://www.usf.edu/registrar/services/apply-for-graduation/index.aspx>.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

2. Register for Commencement ceremony at <https://www.usf.edu/commencement/>. Information regarding the ceremony will be mailed to students who apply to graduate by the end of the fourth week of the term.

NOTES:

- Students do not receive their diploma at the Commencement ceremony.
- The list of student names published in the Commencement ceremony program is taken from the list of students who applied to graduate by the end of the fourth week of the term. Students who have elected certain levels of privacy on their records will not have their names published in the Commencement ceremony program.
- Commencement is a most dignified ceremony.
- Academic regalia is required and there is a cost of regalia.
- There is no fee to participate in a Commencement ceremony for graduates and their families and guests.

Dean's List

Full-time undergraduate students who demonstrate superior academic achievement during one semester will be honored on a "Dean's List." To be eligible for the Dean's List, a student must meet the following criteria:

- Complete 12 hours of graded (A-F) USF coursework with no Incomplete, Unsatisfactory and/or W grades during the semester.
- Earn a semester GPA in USF coursework, as designated by the College of their major, as follows:
 - College of Arts and Sciences = 3.9 GPA
 - College of Behavioral and Community Sciences = 3.9 GPA
 - Muma College of Business = 3.9 GPA
 - College of Education = 3.9 GPA
 - College of Engineering = 3.9 GPA
 - College of Nursing = 3.9 GPA
 - College of Public Health = 3.9 GPA
 - College of Design, Art, and Performance = 3.9 GPA
 - Office of Undergraduate Studies = 3.9 GPA

If a student is coded in two undergraduate majors from two different colleges, the student may be honored with Dean's List from each college, presuming the student meets the required GPA threshold for each individual college.

Dean's List is determined at the end of the semester, after grades are posted. If an Incomplete or change of grade is processed after grades processing is finalized, the student will not retroactively receive Dean's List designation.

Students registered in the Student Accessibility Services office whose approved accommodations include a reduced academic load are eligible by meeting the above parameters with at least nine (9) credit hours of graded USF coursework completed in the semester and the recommendation from that office, to be confirmed by the Dean of the college of the student's major.

The Dean of the College in which the student is majoring or the Dean of Undergraduate Studies, for students currently enrolled in an exploratory curriculum, will recognize this academic honor. Students who are eligible should contact their College Advising Office or Student Accessibility Services for information.

Students are eligible to earn the Dean's List designation only once for the entire summer and intersession semesters.

Declaration or Change of Major

It is advantageous for students to make early decisions about their major, to be on track and to remain on track toward their degrees and to graduate in a timely manner. With hundreds of options to choose from, USF provides students a considerable amount of choice in their early course decisions. Students are encouraged to declare a major upon entry to the university. If they are unable to select or declare a major formally or a pre-major, they should follow the exploratory curriculum that best matches their interests (<https://www.usf.edu/undergrad/programs/ecm/>).

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

First Time in College (FTIC) students must be officially declared in a major or a pre-major before they register for more than 36 credits, including credit earned via Advanced Placement, International Baccalaureate, or Dual Enrollment coursework. Students will not be allowed to register for further credits at the university until they have declared a major or pre-major.

Transfer students should declare their majors upon entry to the university. Transfer students with 60 or more semester hours must declare a major and will not be allowed to register for further credits at the university until they have declared a major or a pre-major.

Many resources are made available by the university to assist students in making career decisions and choosing their majors. The process for Changing a Major is the same as Declaring a Major. Students are encouraged to visit with their academic advisor and to visit the **Center for Career and Professional Development** at <https://www.usf.edu/career-services/>.

Major changes must be made by the drop/add deadline for the applicable term. Otherwise, they are effective for the subsequent term of eminent.

Early Notification of Instructor Requirement for University Sponsored Activities

The university recognizes the importance of participation in university-sponsored activities such as musical and theatrical performances, athletic competition, and debate. It also recognizes that such participation may result in conflicts with scheduled class times. It is the responsibility of participating students to provide a full list of anticipated conflicting days to instructors by the end of the first week of the term, and directors and advisors of university activity programs have an obligation to assist students with this task. Students are responsible for identifying potential absences specific to a particular class and notifying individual instructors of these conflicts, especially for conflicts with scheduled examinations.

Please note that a general schedule for a team or ensemble does not satisfy this notification requirement. Students should provide instructors with addenda (e.g., end-of-season tournaments, newly scheduled events, or rescheduled events) that result in new conflicts as soon as they are available. Directors and advisors of university activity programs should consult with participating students prior to registration to help them choose courses that do not have excessive anticipated conflicts.

Grade Forgiveness

USF's grade forgiveness process permits a student to repeat a course and have the repeated grade computed in the cumulative grade point average (GPA) in place of the original grade, providing the repeat grade is posted as "D -" or higher (exception - see Honors at Graduation within this section) and is higher than the first grade. Normally, grade forgiveness may only be applied to a specific course that a student chooses to repeat. Under unusual circumstances, a different but similar course may be used if the substitute course has been previously approved by the College Dean and is on file in the Office of the Registrar.

No course taken on the S/U grade basis may have the grade forgiveness applied. Similarly, the grade forgiveness process cannot apply to any course in which the grade of "FF" has been recorded.

Any undergraduate or non-degree seeking student who wishes to implement grade forgiveness must:

1. Complete a Grade Forgiveness Request form for each course to be repeated (https://www.usf.edu/registrar/documents/forms_2019/grade_forgiveness_request_2019.pdf).
2. Adhere to the following conditions:
 1. A limitation of applying grade forgiveness to three USF courses with no more than one repeat per course.
 2. Once you utilize grade forgiveness, it cannot be rescinded.
 3. With prior approval of the college dean, a course different from a course on the approved list may be substituted in the following cases:
 - The substitute course is a change in prefix, number, hours, or title, but not a substantive change in content from the original course.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- The substitute course replaces a course no longer offered by the institution.
 - The substitute course was approved by the Director Student Accessibility Services and the Dean of Undergraduate Studies as an appropriate alternative for a student with accommodations.
4. The repeated course must be taken under the standard grading system (A - F) and the latest grade must be posted as "D -" or higher (grades of S/U are not permitted) and be higher than the first grade.
 5. All grades remain on the transcript. The original course grade will be annotated with "E" to indicate that the course has subsequently been repeated and the original grade is not computed in the GPA.
 6. Individual colleges may have further restrictions; therefore, the student should consult with their college.

This process is applicable to undergraduate and non-degree-seeking students only, and applies to 1000-to-5000-level courses. Once students have been awarded a bachelor's degree from USF, they may not repeat a course and be forgiven the original grade, taken prior to graduation.

The process applies only to courses taken originally and repeated at USF.

Honors at Graduation

To be considered for honors at graduation, a baccalaureate candidate must have completed at least 40 credits of graded upper level work at USF and have earned a grade point average (GPA) of 3.50 or higher for all graded coursework attempted at USF. For those students in programs requiring multiple clinical experiences (such as Nursing and Education), a baccalaureate candidate must have completed at least 30 hours of graded upper level coursework and have earned a GPA of 3.50 or higher for all graded coursework attempted at USF. In addition, to be eligible for honors, transfer students and USF students who have postsecondary work elsewhere must have an overall GPA of 3.50 or higher counting all USF courses, as well as, all transferable work attempted at other institutions. The forgiveness policy at USF or other institutions and plus/minus grades awarded at other institutions are not applicable in computing the GPA for honors. In addition, students with a record of academic dishonesty appearing on any transcripts may graduate from a degree program after meeting all degree requirements, but will not be eligible for honors at graduation, including the honor of graduating from the Honors College or a departmental honors program.

- Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.50 but below 3.70 shall receive a diploma designation of cum laude (with honor).
- Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.70 but below 3.90 shall receive a diploma designation of magna cum laude (with high honor).
- Candidates with a USF GPA of 3.50 or higher and an overall GPA of 3.90 or above shall receive a diploma designation of summa cum laude (with highest honor).

In addition, each Dean has the option to select on the basis of exceptional achievement 1% of the college's graduates or one student per semester for graduating with distinction.

Undergraduate candidates with an overall GPA of 4.00 are recognized at the commencement ceremony as King O'Neal Scholars. They will be recognized during the ceremony and presented with a certificate and medallion from the Alumni Association.

For purposes of honors recognition at the Commencement ceremony, students must have a 3.50 GPA before the term in which they plan to graduate to have honors recognized publicly at the Commencement ceremony.

The GPA is not rounded up when determining honors at graduation (e.g., 3.69 is not the same as 3.70). The forgiveness policy at USF and other institutions and plus/minus grades awarded at other institutions will not be applicable in computing the GPA for honors. In addition, students with a record of academic dishonesty appearing on any transcript(s) will not be eligible for honors at graduation.

"I" Grade

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

An "I" grade indicates incomplete coursework and may be awarded to undergraduate students. Undergraduate rules apply to non-degree-seeking students. An incomplete may be awarded to an undergraduate student only when a small portion of the student's work is missing and only when the student is otherwise earning a passing grade. The instructor will be required to complete the I-grade contract online when posting the semester grade at the end of the term, identifying the remaining coursework to be completed, the student's last day of attendance, and the percent of work accomplished to this point. This online contract will be automatically sent to the student's email and to the Office of the Registrar.

Until removed, the "I" is not computed in the GPA for undergraduate students. The time limit for removing the "I" is to be set by the instructor of the course; this time limit may not exceed two semesters. "I" grades not removed by the end of the time limit will be changed to "IF" or "IU," whichever is appropriate. If an instructor is willing, they may accept work from a student after an I grade has changed to an IF or IU grade, and assign the student a final grade in the course, unless the student has graduated. Whether or not the student is in residence, any change to "IF" grades will be calculated in the cumulative GPA and, if applicable, the student will be placed on appropriate probation or academically dismissed. Students should not re-register for courses in which they are only completing previous course requirements to change an "I" grade; if a student wants to audit a course for review in order to complete course requirements, full fees must be paid.

Steps for Graduation

The Office the Registrar has complete information regarding graduation requirements (see <https://www.usf.edu/registrar/services/apply-for-graduation/>).

STEP 1: Apply for graduation (receive a diploma) and complete the graduation survey.

- Login into **Student Self-Service** using MyUSF and then follow these steps:
 - Enter your Net ID and self-assigned password.
 - Click on "My Resources."
 - Click on "**Student Self-Service.**"
 - Click on "Student."
 - Near the bottom of the list, select "Apply for Graduation."
 - Please be sure to check the address in **Student Self-Service** as that is where your diploma will be sent.
- The Office of Decision Support requires all graduation applicants to take a survey; that survey affronts the online graduation application.
- **IMPORTANT NOTES: This does not automatically add the student to the Commencement ceremony. Please read below for further details to complete that process and see other important information about graduation.**
- The student is responsible for checking with your college for any additional graduation requirements and earlier application deadlines they may require.
- Any student who completes the graduation survey and applies after the published deadline will not be included in the Commencement brochure. Applying late may also possibly prevent the application from being processed in time for the degree to be awarded until the next term, even if all degree requirements are met. In order for a degree statement to appear on your transcript, a graduation survey and application must be submitted whether or not the student attends Commencement.

STEP 2: Clear financial obligations. Financial obligations must be cleared prior to graduation or your diploma will be held upon request of Student Accounting Services. Ensure that all fees are paid to the university in full. These include parking, library, etc. or a hold will be placed on the student record. This will prevent release of the student's diploma and transcripts until all fees are collected and the hold is released.

STEP 3: Check grades. It is the student's responsibility to clear all "I" (incomplete grades) for courses required for graduation, and to provide official hard copy transcripts of all transferred course work needed for graduation at least one term prior to graduation.

ACADEMIC POLICIES AND PROCEDURES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

STEP 4: Check current class schedule. You should notify your college of any change or error in their schedule for the current semester, including any adds/drops or withdrawals. Contact the Office of the Registrar if your name does not appear on a class roll for a course in which you believe you are registered.

STEP 5: Check name in student record. Students may designate a name to appear on their diploma. The student must signify on the form if the changed name is to be listed on your diploma instead of the one in your student record. It is critical that upper/lower case letters, accents, and punctuation be clearly indicated on the application.

STEP 6: RSVP for Commencement. Graduation and Commencement require two different processes. See requirements for Commencement at <https://www.usf.edu/commencement/>.

S/U Grade System

Certain courses have been designated as S/U courses. The "S" and "U" grades are used to indicate the student's final grade. These S/U only courses are identified with (S/U only) after the course definition in this catalog.

Mechanism for Assigning S/U Grades

"S" and "U" grades are not computed in the student's GPA. The method by which a student receives an "S" or "U" grade in an option course will consist of the following:

- A written agreement signed by both instructor and student shall be filed with such offices as may be designated by the college. The college shall set the deadline (no later than the last day of classes for the term) for the student to decide if they wish to take the course on an S/U basis.
- The instructor shall assign final letter grades A, B, C, D, F, or I, but will transmit to the Office of the Registrar "S" or "U" consistent with the following:
- Letter grade, A, B, C, or C- shall be equivalent to a letter grade of "S."
- Letter grades D or F shall be equivalent to a letter grade of "U."

Office of Admissions

Student Services Building (SVC) 1036
(813) 974-3350
admissions@usf.edu
<https://www.usf.edu/admissions/>

The Office of Admissions assists prospective students with learning about opportunities available to them at the University of South Florida. The Office is responsible for processing applications for admission for undergraduate students (first time in college -FTIC-, transfer, and former students returning -FSR-, including international students). Admission to the University of South Florida requires evidence of ability to successfully complete academic work, the capacity to think creatively, and strong motivation. The minimum admission requirements are designed to help identify applicants whose academic background indicates the potential for success at USF; however, achieving minimum admission requirements does not guarantee acceptance.

The admission of new students at all levels is on a selective basis within curricular, space, and fiscal limitations. The selection process may include such factors as grades, test scores, date of application completion, the pattern of courses completed, educational objectives, past conduct, and portfolios. Preference for admission in any term will be given to those applicants whose credentials indicate the greatest promise of academic success.

The university encourages applications for admission from all qualified applicants and does not discriminate based on race, color, marital status, sex, religion, national origin, disability, age, sexual orientation, veteran status, genetic information and gender identity and expression, or as otherwise prohibited by state or federal law, in the admission process. Students are offered admission to USF in accordance with the mission and goals of the university and within enrollment limitations established by the Department of Education, State University System of Florida, and the Florida Legislature.

Admissions Application

The Office of Admissions accepts either application below. A \$30 (in U.S. currency) nonrefundable application fee is required. Only one application needs to be submitted from either:

- Institutional Application: The online USF Undergraduate admissions application found on the Office of Admissions web page at <https://www.usf.edu/admissions>
- Common Application: Can be found at <https://www.commonapp.org/>

When to Apply

Applications for admission are accepted as early as nine months before the requested entry term. Applications for admission and the non-refundable application fee should be submitted by the preferred deadline date for the requested entry term or by the application deadline for the requested degree program (see specific Programs (A-Z) in this catalog), whichever is earlier.

FRESHMAN (FTIC) SUMMER/FALL SEMESTER START

- August 1 – Application opens
- November 1 – Priority admissions deadline
- January 15 – Application completion deadline for students to qualify for admissions scholarships
- March 1 – Final application deadline
- May 1 – Admissions deposit deadline

FRESHMAN (FTIC) SPRING SEMESTER START

- March 1 – Application opens
- October 1 – Final admissions deadline (or prior on a space available basis)
- November 1 – Admissions deposit deadline (or prior on a space available basis)

FORMER STUDENT RETURNING (FSR) SEMESTER START

Please complete application no later than 20 business days prior to the first day of your desired term of entry

Who Should Apply

The University of South Florida offers a variety of programs to meet the diverse needs of the student body. You can apply if you are any one of the following:

- A High School Senior or First Time in College (FTIC) seeking a Bachelor's degree.
- An Undergraduate student with some college credits seeking a Bachelor's degree.
- A non-U.S. citizen seeking an Undergraduate degree.
- Seeking courses and programs for training, professional advancement, certification or personal growth.

An application for admission must be submitted by all students who have not been admitted to and enrolled in a USF degree program within the last three terms. Former or continuing USF degree-seeking students must file another application for admission when applying for a second-degree program, another level of study or readmission (see Readmission). Any previously enrolled student will be required to pay the \$30 application fee. Documents submitted requesting a waiver of the \$30 application fee are considered by the Dean of Admissions based upon the determination that the payment of this fee creates a documented severe financial hardship and serves as a deterrent from submitting the application.

Changing Requested Term of Entry

Applicants may update their application for admission for up to one year from the originally requested term of admission. All requests for changes of entry term must specify any academic work attempted that was not reflected on the original application and must be received by the appropriate published application deadline for the new term of entry or degree program specified, whichever is earlier. Additionally, any issues related to criminal or academic misconduct that was not reflected on the initial application must be reported in writing to the Office of Admissions. A new application and fee must be submitted when applicants wish to be considered for admission for a term that begins more than twelve months after the originally requested entry term.

An applicant who requests a new entry term must meet the admissions requirements in effect for the new term requested. Entry for some programs is limited to specified terms.

General Admission Policies

Transcripts and Other Admission Documents

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

All official transcripts, test scores, and any other required credentials must be received directly from the issuing agencies. It is the applicant's responsibility to initiate the request for credentials to the issuing agencies and to assure their receipt by the Office of Admissions. (See "Minimum Requirements for Admission" for information concerning required documentation). Official transcripts from all previous institutions are required.

All credentials and documents submitted become the property of USF. The originals or copies of the originals will not be returned to the applicant or forwarded to another institution, agency, or person.

Provisional Admission

An applicant admitted on a provisional basis must submit the requested missing credentials, such as official final transcripts or test scores, which confirm eligibility for admission before a second registration will be permitted.

Conditional Offers of Admission

Some applicants may be offered admission to the University of South Florida with the condition that they enroll in an alternate term, campus and/or program that differs from that requested on the application for admission, or that they meet the conditions outlined in the acceptance offer. For example, a freshman applicant may be offered admission to the summer or spring term due to enrollment limits and/or admission criteria. Continued enrollment is contingent on meeting all conditions of admission.

Admission Denials

Any applicant - freshman or transfer - who does not meet minimum admission requirements and is denied admission may submit an appeal to the Faculty Committee on Student Admissions for reconsideration of the admissions decision.

Undergraduate applicants - freshman or transfer - who are denied admission as a degree-seeking student may not enroll as a non-degree seeking student. Please see information on Non-Degree Seeking Student.

Receipt of final official credentials that fail to substantiate eligibility will result in rescinding of admission and denial of continued enrollment in subsequent terms.

An application for admission or a residency declaration submitted by or on behalf of a student that contains false, fraudulent, or incomplete statements may result in denial of admission, further registration and/or degrees awarded.

The university may refuse admission to a student whose record shows previous misconduct not in the best interest of citizens of the university community.

See Florida Board of Governors (BOG) 6.001 General Admissions
https://www.flbog.edu/wp-content/uploads/6.001Regulation-Approved2019_10_30.pdf
USF Regulation 3.018 <https://usf.app.box.com/v/usfregulation3018>

Required Proof of Immunity

All students must have proof of immunity as follows:

- MEASLES: Proof of Immunity.
- RUBELLA: Proof of Immunity.
- HEPATITIS B: Proof of Immunity or signed waiver declining the vaccine.
- MENINGITIS: Proof of Immunity or signed waiver declining the vaccine.

All students must complete and sign the USF Medical History & Immunization History Form or provide supporting documentation and electronic signature on their **Student Self-Service** account. For instructions see <https://www.usf.edu/student-affairs/student-health-services/immunizations/index.aspx>

For students that applied to USF using an international address, a Tuberculosis screening is also required. For details, see <https://usf.app.box.com/v/usfpolicy33-003>.

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

For detailed information regarding USF's Immunization Policy and Requirements, see <https://usf.app.box.com/v/usfpolicy33-002>.

Required Orientation

Office of Orientation

John & Grace Allen Building (ALN) 102
(813) 974-3060
myorientation@usf.edu
<http://www.usf.edu/orientation/>

St. Petersburg campus Orientation Office

Bayboro (BAY) 117B
727-873-4753
<https://www.stpetersburg.usf.edu/student-services/orientation/index.aspx>

Sarasota – Manatee campus Orientation Office

8350 North Tamiami Trail (SMC B130)
941-359-4342
Sar-Orientation@usf.edu
<https://www.sarasotamanatee.usf.edu/admissions/orientation/index.aspx>

Orientation is required for all newly admitted students. All newly admitted students must complete Orientation for the campus to which they are admitted prior to beginning classes. If a change in major requires a change in campus, students must also change their orientation location to their new home campus.

The Orientation experience is designed to meet the requirements of a student's home campus located in Tampa, St. Petersburg, or Sarasota-Manatee. Orientation provides an introduction to the campus community and facilitates a seamless transition into the academic and social environments unique to the identified home campus and the University of South Florida at large.

Primary facilitation of Orientation resides with the designated office(s) at each USF campus location. See USF Policy 10-035 *Mandatory Orientation for New Undergraduate Students*.

Residency for Tuition Purposes

Florida BOG 7.005 Residency for Tuition Purposes

https://www.flbog.edu/wp-content/uploads/7_005ResidencyforTuitionPurposesSept2015-2.pdf

Residency refers to whether you are an in-state Florida resident or an out-of-state resident, and this classification determines your rate of tuition. Most importantly, living in or attending school in Florida will not, in itself, establish legal residence for tuition purposes.

When you apply to the university, your initial residency classification is determined by the Office of Admissions. Failure to provide sufficient documentation in the residency section of the admissions application will result in a non-Florida or out-of-state residency classification for tuition purposes.

Once you have completed your first term at USF, you can request a reclassification of your residency status from the Office of the Registrar (<https://www.usf.edu/registrar/services/residency/>). Please also refer to that site for important deadlines.

Specialized Admissions Programs

Undergraduates seeking entrance to specialized admissions degree programs must meet special program requirements in addition to requirements for admission to the university. The admission criteria and procedures for specialized admissions programs at USF furnish equal access to A.A. degree holders from Florida public colleges, transfers from other SUS institutions and USF students of equivalent status. Transfer applicants with 60 or more transferable semester hours who are seeking admission to specialized admissions programs must meet the grade

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

point average requirement and pre-requisites specified by the program to be eligible for admission to USF. Transfer applicants with 30 to 59 transferable semester hours who are seeking admission to certain specialized admissions programs such as Nursing may be required to meet a higher transfer grade point average requirement that would allow eventual admission to those particular degree programs.

USF, with approval of the Board of Governors and the Articulation Coordinating Committee, has established the following undergraduate programs as specialized admissions:

- Biomedical Engineering
- Dance
- Graphic Design
- All College of Education Teacher Certification programs
- All College of Nursing programs

The admissions requirements for these degree programs may be found with other program information in appropriate sections of this catalog.

Foreign Language Entrance Requirement (FLENT)

USF Regulation 3.007

(<https://usf.app.box.com/v/usfregulation3007>)

FL BOG Regulation 6.002

(https://www.flbog.edu/wp-content/uploads/6.002FTICAdmissionsTechnicalchange2018_08_17.pdf)

FL BOG Regulation 6.004

(https://www.flbog.edu/wp-content/uploads/6.004-Transfer-Student-Admission_FINAL.pdf)

All applicants admitted to the State University System (SUS) are expected to have demonstrated competency of foreign language or American Sign Language equivalent to the second high school level or higher. A limited number of students not meeting the high school foreign language requirement may be admitted; however, these students must fulfill the foreign language requirement prior to completion of the baccalaureate degree. Satisfaction of the foreign-language admissions requirement by having two (2) sequential units of the same foreign language in high school, or eight (8) credit hours of the same foreign language in college, or documented equivalent proficiency. Satisfaction of the foreign-language admissions requirement by having two (2) sequential units of the same foreign language in high school, or eight (8) credit hours of the same foreign language in college, or documented equivalent proficiency.

Opportunities for Accelerated Progress toward Undergraduate Degrees

USF provides several options by which students may accelerate their progress toward completing the baccalaureate degree. These options recognize knowledge which has been acquired prior to or during attendance at USF and provide the opportunity to earn university credit. Options that may be utilized to accelerate progress include the following:

- Recognition of satisfactory performance on standardized tests offered through recognized examination programs. See <https://usf.acalogadmin.com/preview/content.php?catoid=19&navoid=3085> for a complete listing of exams and course equivalencies.
- Recognition of the International Baccalaureate Diploma Program. Students who earn the IB Diploma will be awarded 30 semester hours of college credit and sophomore standing. Credit for standard level exams with a score of 4 or higher may be awarded to those students who do not earn the IB diploma.
- Dual enrollment as a non-degree-seeking student at USF or a community college prior to graduation from high school (see <https://www.usf.edu/honors/accelerated-programs/dual-enrollment.aspx> [Public/Private High/Home School]). Florida College System students should follow eligibility criteria for non-degree seeking students (below).
- Early admission for high school students (see Early Admission Freshmen).
- Courses completed through USF Distance Learning. See: <http://www.usf.edu/innovative-education/programs/online-programs/courses.aspx>.

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- Courses completed through the Florida Distance Learning Consortium. See <https://www.floridashines.org/>.
- Courses completed through the State University System Correspondence Study program.

Credits may be earned through a combination of the above options. Students should contact their college advisors for further information concerning the application of this credit toward their degree requirements.

Internal processes (such as auditions, portfolio reviews, and placement tests) utilized in the various departments for the sole purpose of determining a student's most appropriate area, level, or section placement in a program of study are not to be construed as examining mechanisms for the granting of credit.

Minimum Requirements for First Time in College (FTIC) Admission

BOG Regulation 6.002

https://www.flbog.edu/wp-content/uploads/6.002FTICAdmissionsTechnicalchange2018_08_17.pdf

USF Regulation 3.018

<https://usf.app.box.com/v/usfregulation3018>

Any freshman applicant who meets minimum admission requirements as stated in Florida Board of Governors Regulation 6.002 is encouraged to submit an application. Each state university reserves the right under Florida BOG regulation to establish admission criteria that exceeds Florida BOG minimums.

To be considered for admission, freshman (FTIC – First Time in College) applicants must submit:

- USF Application for Admission
- Non-refundable \$30 application fee
- Official high school transcript
- Official GED scores if applicable
- SAT or ACT scores

Although USF has minimum freshman admission requirements, meeting these minimum standards does not guarantee admission. Applicants selected for admission usually exceed the eligibility requirements; however, USF also considers applicants who do not fully meet minimum requirements but who have important attributes, special talents or unique circumstances that may contribute to a representative and diverse student body. These freshman applicants are considered for admission based on other appropriate evidence of ability to do successful academic work at USF.

The university sets admission requirements found on the Undergraduate Admissions web homepage. Please refer to <https://www.usf.edu/admissions/freshmen/index.aspx> for the current admission requirements. Admission to the university is selective; therefore, meeting requirements does not guarantee admission.

If you are admitted to USF, you will receive a notification via email and/or postal mail. You may check your email often for any updates to your USF application.

The institution reserves the right to validate any applicant's admission materials including transcripts and test scores (via a testing agency) such as SAT, ACT, TOEFL, PTE-A or IELTS used in the admission process if, in the judgment of university officials, there is reason to warrant this validation. See <https://usf.app.box.com/v/usfregulation3018>

Florida College System

High school graduates planning to start their college education at a Florida College System institution should confer with the guidance counselor and ask that their academic program be planned with the assistance of the USF Undergraduate Catalog that is available at <https://catalog.usf.edu>. This catalog, prepared by the USF Office of Undergraduate Studies, explicitly describes the undergraduate program requirements and Florida's common prerequisites that should be followed to ensure maximum ease of transfer into the student's upper-level programs on a par with their native USF counterparts.

Admissions Deposit

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Freshmen admitted to the University of South Florida are required to submit a \$200 non-refundable admission deposit by May 1 for either Summer or Fall, or by December 1 for Spring admission.

The admission deposit will be credited to the student's account and applied toward their first-semester tuition. The admission deposit will be waived for admitted freshmen who demonstrate significant financial need on a FAFSA (Free Application for Federal Student Aid) submitted by USF's priority deadline.

Admitted freshmen are encouraged to pay the deposit online via **Student Self-Service** (USF's Online Access Student Information System). Online payment is the university's preferred payment method. Checks and money orders submitted to the Cashier's Office (SVC 1039) are also acceptable forms of payment.

Early University Programs (Earning USF Credit While Attending Public High School, Private High School, or Home School)

USF Regulation 3.018 <https://usf.app.box.com/v/usfregulation3018>

Highly capable, mature high school students enrolled in a strong college-preparatory curriculum may apply during their Junior year for early admission dual enrollment. To be considered for early admission, students must meet this criteria:

Have minimum scores on one of the following tests:

- SAT: 1300, with at least 580 in Evidence-based Reading and Writing.
- ACT: 29, with at least 29 in English.

Have a minimum high school GPA of 3.8 as calculated by USF.

Early admissions students complete their high school senior year by attending USF fulltime as regularly enrolled, degree-seeking students. Students in the early admission program must take courses that are creditable toward the high school diploma and the associate or baccalaureate degree. For more information about Early Admission qualifications, policies, and application procedures, see <https://www.usf.edu/dual>.

Dual Enrollment

Dual enrollment in USF classes is open to academically qualified students currently enrolled in public/private high schools and home schools who are recommended by their guidance counselor or principal and meet the university's criteria:

- Have proof of one of the following sets of test scores:
 - SAT: 560 Evidence-based Reading and Writing and 530 Math
 - ACT: 21 Reading, 21 English, and 21 Math
 - PERT: 123 Math, 106 Reading and 103 Writing
- Have a 3.5 weighted grade point average or higher on a 4.0 scale.

Dual enrollment students are non-degree-seeking students at USF and may only take courses which are creditable toward their high school diploma. Per F.S. 1007.271. USF offers dual enrollment courses on its three campuses and online for courses not accessible from institutions of the Florida College System. By special agreement with specific school districts, USF offers some courses on high school campuses. For more information about Dual Enrollment qualifications, policies, and application procedures, see <https://www.usf.edu/dual>.

Credit by Examination

<https://catalog.usf.edu/content.php?catoid=17&navoid=2735>

The University of South Florida awards credit-by-examination based on the minimum guidelines as established by the Articulation Coordinating Committee (ACC) available on <https://www.floridashines.org/>, pursuant to Florida Statute 1007.27 (http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&Search_String=&URL=1000-1099/1007/Sections/1007.27.html), and approved by the State Board of Education and Board of Governors.

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Students may receive up to 45 semester hours of credit towards the baccalaureate degree upon successful completion of any of the examinations listed below. For more information, see USF Policy 10-017 (<https://usf.app.box.com/v/usfpolicy10-017>). Performance levels necessary to achieve credit have been established and are listed under each exam. Credit earned through one examination program may not be duplicated by another examination or course.

- Advanced Placement (AP)
- Advanced International Certificate of Education Program (AICE)
- Caribbean Advanced Proficiency Exams (CAPE)
- College Level Examination Program (CLEP)
- DSST (formerly DANTES Subject Standardized Tests)
- Excelsior (EXCEL)
- General Certificate of Secondary Education
- German Abitur
- Global Assessment Certificate
- International Baccalaureate (IB)

The University of South Florida evaluates all credits earned and grades received for admitted undergraduate students in college-level courses at other accredited institutions. Credits earned at international institutions or during study abroad are also evaluated for transfer. Please contact the Office of Admissions (<https://www.usf.edu/admissions/>) or International Studies for admission requirements (<https://www.usf.edu/admissions/international/admission-information/undergraduate/>).

USF Testing Services accommodates USF and non-USF customers. For more information, see <https://www.usf.edu/testing-services/>.

Additional information on exam credits is published by the Florida Department of Education at <http://www.fldoe.org/core/fileparse.php/5421/urlt/0078391-acc-cbe.pdf>.

Second Bachelor's Degree Applicants

A second bachelor's degree applicant is any degree-seeking undergraduate applicant who has earned a bachelor's degree at USF or another institution and wishes to earn an additional bachelor's degree.

A student who has already graduated from an accredited four-year institution (including USF) must earn a minimum of an additional 30 semester hours of USF undergraduate courses to apply toward their second baccalaureate degree. Students must also meet the University's regular graduation requirements, as well as, the requirements of the college awarding the degree and the residency requirements.

For more information on requirements, please see the information on the Office of Admission's website at <https://www.usf.edu/admissions/transfer/admission-information/requirements-deadlines.aspx>.

Readmission (Former Student Returning)

<https://usf.app.box.com/v/usfregulation3018> (see item 8).

A former student returning (FSR) is any degree-seeking undergraduate student who has not earned their bachelor's degree, who has not been enrolled at USF in any of the last three terms, and who wishes to re-enroll in the university*. In order to be considered for readmission, a former student should file a new application for admission with the Office of Admissions (<https://www.usf.edu/admissions/transfer/>) at least 20 business days prior to the start of classes for the term of requested re-entry. A new \$30 application fee is required.

Undergraduate students returning to seek a baccalaureate degree must:

- Be in good academic standing and eligible to return to USF as well as the last institution attended as a degree-seeking student. For all college-level academic courses attempted at any institution since last

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

enrolling in USF, the applicant's transfer GPA must meet or exceed the GPA required of new transfer students at the time of readmission.

- Former students who have attended one or more institutions since their last enrollment must request official transcripts of all work attempted at the other institution(s) be sent to the appropriate Office of Undergraduate Admissions. Acceptability of transfer credits toward completion of degree programs will be determined by the college of the student's major.
- The Academic Regulations Committees (ARC) have the Power to Approve (PTA) petitions for undergraduate or non-degree seeking students that fail to maintain a 2.0 GPA and are Academically Dismissed (AD) from USF. (Refer to the Academic Probation and Dismissal Policies in the Undergraduate Catalog.) Academic Regulations Committees also may approve the readmission of students who qualify for Academic Renewal to have portions of their academic record not counted in the determination of the GPA for graduation purposes. (Refer to the Academic Renewal Policy in the Undergraduate Catalog.)

*Transient students and non-degree-seeking students are *not* considered former students returning.

Change of Campus

New FTIC and Transfer Admits and Former Student Returning

Any newly admitted student or former student returning who wishes to change campus BEFORE the beginning of their admit term must do so via their Academic Advisor in the major at new campus. Please note that these requests may NOT be granted due to defined enrollment constraints by campus or college.

Continuing Student

Previous restrictions on movement between campuses have been officially REMOVED from USF Regulation 3.007. There are no current policies or regulations that restrict or govern when or why an undergraduate student can change campuses between Sarasota-Manatee, St. Petersburg, or Tampa. In the absence of prescription, change of campus for continuing students will be processed like the change of major, in that, decision-making is decentralized within the academic colleges.

Change of Campus in Undergraduate Student Record

As of July 1st 2020, it is no longer necessary to receive approval from the Office of Undergraduate Studies to process a change of campus (i.e., the change of institution form is discontinued). Due to ongoing SACSCOC reaffirmation, students are REQUIRED to change campuses if they choose to change to a major/program that is not affiliated with their current campus. Please remember students do NOT need to change campuses to register for courses on a different USF campus; they are NOT prohibited from registering for courses on any campus based on their declared campus.

Process Guidelines

1. Change of campus requests should ONLY be processed for future terms and not the student's current active term (this is the same as major changes).
2. Students changing campus BUT program/major remains unchanged: Advisors are permitted to change campus IF the student's program/major is offered on that campus.
3. Students changing program/major AND campus: The student's selected major MUST be offered on that campus to change majors and campus. If it is a multi-campus program/major, then it is within the College's discretion to determine which campus is the campus of record.

Notes:

- Student Fees: Consolidation governance allows continuing students to grandfather in the localized fees they paid PRIOR to consolidation. If a continuing student decides to change campuses (either in conjunction with a major change or independently), they will experience a change to fee amounts charged. More information can be found on the Student Accounting Services website (<https://www.usf.edu/business-finance/controller/student-services/index.aspx>).

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- Scholarships: If a student has a campus-specific scholarship, it may be impacted by a change of campus (whether connected to a major change OR made independently), including but not limited to adjusted award amounts or loss of eligibility.
- International Students: Students are issued an I-20 based on their home campus and are only eligible for on campus employment at the campus listed on their I-20. Students should take at least ½ the courses at the campus listed on their I-20. In the event an international student changes campus, ISS has an alert that is triggered by the change in Banner and they will be issued a new I-20. No action needed by the Colleges or Undergraduate Studies.
- Housing: Changing campus does not automatically move housing assignments. If a student's change in campus prompts a desire to change their on-campus housing assignment, the student should contact the Housing & Residential Education office of their current campus to inquire about the process and options available (housing@usf.edu for Tampa campus or housing@usfsp.edu for St. Petersburg campus).

Transfer Applicants

Lower-Level Transfer Applicants (12 to 59 transferable semester credits)

USF Regulation 3.018

<https://usf.app.box.com/v/usfregulation3018> (see item 4d)

To be considered for admission, transfer applicants with fewer than 60 transferable semester credits must submit a USF Admissions Application. Also, the applicant must submit a \$30 non-refundable application fee, an official transcript from each previous college attended, an official high school transcript, official GED scores if applicable, official SAT or ACT scores, and a IELTS or TOEFL score if applicable.

Lower-level transfer applicants who will enter USF with 12-59 transferable semester credits must minimally meet the following requirements to be considered for admission in good standing; however, satisfying these minimum requirements does not guarantee admission. Some programs may have additional requirements including GPAs and course pre-requisites. For programs with selective criteria, see <https://www.usf.edu/admissions/transfer/admission-information/requirements-deadlines/index.aspx>.

- Transfer applicants with less than 30 semester hours of transferable college credit (lower level) must meet all Freshman Admission requirements (see Sec. (4)(b)5.).
- Applicants with 30 or more and 59 or less transferrable semester hours must have successfully completed (C or higher) at least one English Composition course and one college level mathematics course that consists of three (3) semester credit hours. High school transcripts are required to demonstrate completion of the foreign language admission requirement.
- Lower level transfer students who do not meet the foreign language requirements must satisfy the foreign language requirement prior to admission to the upper division and may not exceed 5 percent of the number of freshmen enrolled in the prior academic year.
- Please refer to the International Applicants section for additional requirements for international applicants.

Upper-Level Transfer Applicants (60 or more transferable semester credits)

USF Regulation 3.018

<https://usf.app.box.com/v/usfregulation3018> (see item 4e)

To be considered for admission, transfer applicants with 60 or more transferable semester credits must submit a USF application for admission, a non-refundable application fee, an official transcript from each previous college attended, and a TOEFL or IELTS score if applicable. Final transcripts with any degree awarded, or a minimum of 60 semester hours of transferable credit earned prior to initial enrollment at USF, must be submitted to determine final admissions eligibility.

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Any transfer student with 60 or more semester hours who designates a desire for admission to a specialized admissions undergraduate program must meet the overall admission GPA criteria of that program in order to be admitted to the university. Some programs may have additional requirements including GPAs and course pre-requisites. For programs with selective criteria, see <https://www.usf.edu/admissions/transfer/admission-information/requirements-deadlines/index.aspx>.

For further information regarding Upper-Level Transfer admissions requirements, visit <https://usfweb2.usf.edu/admissions/>

- Admission as a junior to the upper division of USF will be granted-within curricular, space and fiscal limitations to an Associate of Arts degree graduate of a state- approved Florida public college or university or a transfer applicant from an SUS institution who has received the AA degree/certificate. The admission of AA degree transfers from Florida public colleges and universities is governed by the Florida Articulation Agreement (BOG Resolution adopting Rule 6A-10.024) Articulation Between and Among Universities, Community Colleges, and School Districts).
- Undergraduate transfer students who have not earned the AA degree/certificate from a public community/junior college or state university in Florida or who have attended another college after receipt of the AA degree/certificate from a public community/junior college or state university in Florida must have an overall 2.0 grade point average on a 4.0 scale in all college level courses attempted and acceptable to transfer.
- Associate of Arts degree holders who are not exempt from the foreign language requirement and all other upper level transfer students admitted without meeting the foreign language admission requirement (see Sec. (4)(d)2.) must satisfy the foreign language requirement prior to graduation.

Articulation Agreement

6A-10.024 Articulation Between and Among Universities, Community Colleges, and School Districts
<http://ugs.usf.edu/articulation-agreements/>

It is the intent of the Board of Governors and the State Board of Education to facilitate articulation and seamless integration of the education system by agreeing to the provisions of this rule. The authority to adopt and amend this rule aligns with the Constitutional power given the Board of Governors for the state university system and the statutory authority given the State Board of Education for the district school boards, the community college system, and the Department of Education.

State universities and community colleges shall publish with precision and clarity in their official catalogs the admission, course, and prerequisite requirements of the institution, each unit of the institution, each program, and each specialization.

The agreement defines and establishes the Associate of Arts degree from a Florida public state or community college as the basis for all articulation rights. Among these guarantees, the following are central to the transfer process:

- A.A. graduates will be granted admission to a university within the SUS, but not necessarily to the university or program of choice.
- A.A. graduates will have the same opportunity to enroll in a university specialized admissions program or a program with selective admission requirements, as the native university student (i.e., students who entered the university as an FTIC).
- Upon transferring to a state university, A.A. graduates will be awarded at least 60 credit hours towards the baccalaureate degree, exclusive of occupational courses and basic required physical education courses.
- Credits that are part of the A.A. degree earned through articulated acceleration mechanisms, such as dual enrollment, International Baccalaureate, early admission, Advanced Placement, Advanced International Certificate of Education Program, and Credit by Exam, will be transferable to the state university.

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- As participants in the Statewide Course Numbering System, receiving institutions must accept all courses taken at the transfer institution if the courses at each institution have the same prefix and the same last three digits of the course number.
- The university catalog in effect the year the A.A. degree student first enrolled at a Florida College System institution will remain in effect for the student's entire program, provided the student maintains continuous enrollment as defined in that catalog.
- Once a student has completed the general education core and this fact is noted on the transcript, regardless of whether or not an A.A. degree is awarded, no other state university or community college to which the student may transfer can require additional courses to the general education core.
- A separate agreement establishes the Associate of Science (A.S.) degree for articulation into specialized programs.
- Included in these transfer guarantees is the right of appeal. Students may appeal to the university and to the Statewide Articulation Coordinating Committee. Students who have questions or want more information about the articulation agreement should contact the Office of Undergraduate Studies at (813) 974-4051 or ugs-dean@usf.edu.

Fuse

Student Services Building (SVC) 2002

(813) 974-4051

transfer-advising@usf.edu

<https://www.usf.edu/undergrad/transfer-student-success/fuse/what-is-fuse/index.aspx>

Fuse is transfer program between the University of South Florida and eight Florida state colleges. This partnership provides a seamless academic pathway for students to complete an associate degree with guaranteed admission to USF.

Students admitted to the Fuse Transfer Program must follow an academic graduation pathway (<https://www.usf.edu/undergrad/transfer-student-success/fuse/graduation-paths/index.aspx>), which provides a seamless transition from one of our eight FCS partner schools to USF. Adherence to the graduation pathway allows for timely completion of both the Associate of Arts (AA) and bachelor's degrees. Students admitted to the program have guaranteed admission to their selected major, offered in the Fuse Transfer Program, provided they meet all requirements of the program upon completion of their AA.

Students seeking admission into limited or restrictive access majors will have to meet additional requirements such as prerequisites, GPA, and/or test scores.

- **Community Scholars:** The Community Scholars initiative is an alternative admission opportunity for first-time-in-college (FTIC) students who apply to the University of South Florida. Created by the Regional Chancellor at the St. Petersburg campus, the Community Scholars program grants select FTICs who are not immediately admissible for the Summer or Fall the opportunity to attend institution accredited by either the Higher Learning Commission, the Middle States Commission on Higher Education, the New England Commission of Higher Education, the Northwest Commission on Colleges and Universities, the Southern Association of Colleges and Schools Commission on Colleges, or the WASC Senior College and University Commission during Fall where they must successfully complete at least 12 transferrable credit hours with a minimum 2.5 GPA. During the Fall, they will have access to St. Petersburg campus academic advisors who will provide course recommendations. Upon successful completion of these academic requirements in the Fall, participants in the program transfer to the St. Petersburg campus the following Spring semester with a one-time transfer award. For questions about Community Scholars, please contact the Office of Admissions at 727-873-4142.
- **Pinellas Access to Higher Education:** PATHe is a collaborative partnership between the St. Petersburg campus and St. Petersburg College (SPC) that aims to provide equitable, flexible, and attainable pathways to higher education for Pinellas County, FL students. Pinellas County first-time-in-college (FTIC) applicants

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

who are not immediately admissible to USF and selected St. Petersburg as their home campus may be eligible for PATHe. With the joint support of PATHe counselors, students afforded this opportunity will receive academic advisement to help them earn an Associate in Arts degree from SPC before they transition to the St. Petersburg campus to complete their baccalaureate degree. For questions about PATHe, please contact the Compass Student Experience Office at 727-873-4003.

Transfer Credit

The receipt and evaluation of transfer credit is the responsibility of the Office of Admissions (<https://www.usf.edu/admissions/>). The Office of Admissions will evaluate the acceptability of total credits transferable to the university. The college of the student's major will assign equivalent courses in determining which courses are applicable toward a specific degree at the university. In some instances, exact course equivalents will also be determined by other colleges that offer the same or similar courses as part of their programs of study. Transfer students should be prepared with personal copies of their transcripts of all past course work to discuss advisement and placement with the appropriate academic advisor and should contact the college of their major soon after registration so that an official evaluation may be completed. Transfer students from non-Florida institutions should also be prepared to submit course syllabi to assist USF faculty in the official evaluation. For more information, see USF Regulation 3.018.

Credit for Online Coursework

USF Policy 10-071 Award of Credit for Online Coursework

<https://usf.app.box.com/v/usfpolicy10-071>

BOG Regulation 6.020

https://www.flbog.edu/wp-content/uploads/6_020_CollegeCredit-1.pdf

Undergraduate students who are admitted to the University of South Florida and who have completed online college-level courses prior to initial enrollment in undergraduate education may request that the university evaluate that work to determine if credit might be awarded. Award of credit for that work must meet the following conditions:

- USF faculty have determined the online course content and learning outcomes to be comparable to a course offered at the institution;
- Online courses meet the quality and accreditation standards intended for a transfer course; and
- The subject area faculty, have determined that the online course is relevant to the student's intended program of study.

Students wishing to have such online coursework evaluated for the purpose of receiving credit should inform Office of Undergraduate Studies, or the Chief Academic Officer at their branch campus, upon being admitted but prior to enrolling in classes at the university. If credit for the online coursework was awarded by another institution of higher education the student must submit an official transcript reflecting the award of credit and the transferability of that work will be determined with the same processes and criteria for other transferred courses, including coursework recommended for credit by the American Council on Education (ACE).

For more information regarding the process to have coursework evaluated and/or further information on the policy, please visit the USF Policy 10-071 (<https://usf.app.box.com/v/usfpolicy10-071>).

Credit for Military Training

BOG Regulation 6.013 <https://www.flbog.edu/wp-content/uploads/FINAL-6.013-Military-Veterans-and-Active-Duty.pdf>

USF Regulation 6.0025

<https://usf.app.box.com/v/usfregulation60025>

College credit will be granted to students with military training or coursework that is recognized by the American Council on Education (ACE) subject to institution transfer practices and limitations on amount and level of transfer credit. Military training or coursework will be subject to the same treatment as any other transfer credit evaluated, with

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

utilization of the ACE *Guide to the Evaluation of Educational Experiences in the Armed Services* for determining equivalency and alignment of military coursework with appropriate university courses. If the coursework fulfills a general education or major course or degree requirement, the credit will be granted for meeting that requirement towards graduation. Appropriate course credit may include free elective course credit toward the degree.

Credit that was previously evaluated and awarded by another college-degree granting institution and that is appropriate to the transfer student's major will be accepted, subject to institution transfer limitations. Credit awarded for military education and training will be noted on the transcript and documentation of the credit equivalency evaluation will be maintained. Credit awarded for military education and training will not count in the excess hours fee per BOG Regulation 7.003 (<https://www.flbog.edu/wp-content/uploads/Amended-Regulation-7.003.pdf>). Priority course registration will be provided for each veteran of the United States Armed Forces who is receiving the GI Bill.

International Student Admission Requirements

International Applicants (Non-resident Aliens)

USF Regulation 3.018

<https://usf.app.box.com/v/usfregulation3018> (item 7)

- International undergraduate applicants who are not permanent U.S. residents (BOG Regulation 6.009) must submit applications for admission, application fees and all required supporting documents by the published deadlines. Applicants living outside of the United States are encouraged to submit required documentation no later than three (3) months prior to the date of desired entry to USF or the deadline for the degree program, whichever is earlier.
- Supporting documentation includes the "Financial Support Requirements" form to show proof of availability of financial resources sufficient to cover all educational, maintenance, personal and travel expenses while attending USF without financial assistance from USF; all transcripts identifying subjects and grades from the first year of secondary work to the time of application or graduation when applying as an entering freshman or a transfer with less than 60 hours of transferable postsecondary credit; appropriate diploma(s), certificate(s), degree(s), mark-sheet(s) and/or examination(s) passed, from the home country, as evidence of United States equivalent qualifications and academic preparation for the degree program requested; and "Transfer Clearance Form" signed by the International Student Advisor, if currently enrolled in a U.S. Institution. Each International applicant must submit a signed health history form, including proof of immunizations as required by USF Policy 33-002, and proof of adequate health insurance coverage as required by USF Regulation 6.0162.
- All transcripts must be in English. It is the applicant's responsibility to have the transcript(s) translated before submitting them as part of their admission credentials. All transcripts not in English must be accompanied by a certified English literal translation; foreign postsecondary transcripts must be evaluated by one of the credential evaluation services identified and published by the appropriate international admissions office. Documents signed by a notary or other public official with no educational affiliation will not be accepted.
- Applicants whose native language is not English, from non-English speaking countries, or who have not earned a degree in the United States must provide, taken within 2 years of the desired term of entry, a minimum IELTS score of 6.5, a minimum PTE-A score of 53, a minimum Test of English as a Foreign Language (TOEFL) score of 79 (internet-based test), 213 (computer-based test) or 550 (written test), a minimum IELA score of 176 (with minimum subscores of 169), a minimum Duolingo score of 110, a minimum TOEFL Essentials score of 8.5, or a minimum FCE score of 176 (with minimum subscores of 169). Official Scores must be submitted to USF directly from the testing agency. See <https://usf.app.box.com/v/usfregulation3018> for more information.
- The English Proficiency requirements may be waived for an undergraduate applicant, if the applicant has: completed successfully the equivalent of English Comp I; has submitted SAT or ACT test scores sufficient to validate English reading and writing proficiency as determined by the Board of Governors of the State University System of Florida; or successfully completed one year of study at a US institution of higher education

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- Applicants who earn a baccalaureate or equivalent degree at a foreign institution where English is the language of instruction (for the institution and not just the major) may meet this requirement. However, other related factors (including test scores) will also be considered.

Some post-secondary international credentials may be evaluated by the Office for International Admissions (<https://www.usf.edu/admissions/international/>), while others may require an official course-by-course evaluation completed by an independent credential evaluation service, with associated costs to be paid by the student.

Mandatory Health Insurance for International Students on F and J Visas

BOG 6.009 (6) https://www.flbog.edu/wp-content/uploads/6_009-Admiss-of-Intern-Students-1.pdf

USF Regulation 6.0162 <https://usf.app.box.com/v/usfregulation60162>

International students must demonstrate that they have adequate health insurance coverage prior to enrollment. International students in J visa classes must also demonstrate that their accompanying spouse and dependents have adequate health insurance coverage prior to enrollment. Adequate health insurance for international students in F and J visa classes must include:

- Coverage period for full academic year, including annual breaks
- Medical benefits of at least \$100,000 per person per accident or illness per policy year.
- Basic medical benefits to include hospital and physician office visits.
- Mental health care to include hospital and clinician office visits.
- Female students must have maternity benefits covered as any other temporary medical condition.
- Prescription drug benefits.
- Medical Evacuation \$50,000.
- Repatriation of mortal remains \$25,000.
- Insurance carrier must have an "A" rating.
- Medical claims must be paid in U.S. dollars payable on a U.S. financial institution.

To comply with this regulation, USF Student Health Services Compliance Office must receive adequate documentation a minimum of two weeks prior to enrollment. USF Student Health Services sponsors a medical insurance for international students that meets and exceeds the federal, state, and university requirements. Policy information, current costs, and enrollment process are available at <https://www.usf.edu/student-affairs/student-health-services/insurance/inscompliance.aspx>.

The USF Student Health Services Compliance Office administers state and USF mandates for the Tampa, St. Petersburg, and Sarasota-Manatee campuses.

For questions, contact 813-974-5407 or insurance@shs.usf.edu.

Admissions to the Honors College

Judy Genshaft Honors College

4202 E. Fowler Avenue, ALN 241
Tampa, FL 33620
(813) 974-3087
contactus@honors.usf.edu
<https://www.usf.edu/honors/>

Located on all three USF campuses, the Judy Genshaft Honors College offers educational experiences grounded in the Liberal Arts tradition, centered on creative interdisciplinary inquiry and the cultivation of practical wisdom, and intended for students regardless of major. The primary goals of the College are to develop superior critical thinking skills through intensive interdisciplinary seminars and undergraduate research, foster a nuanced global perspective

ADMISSIONS AND RELATED MATTERS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

on contemporary issues through an internationalized curriculum and study abroad experiences, and encourage a rich understanding of social concerns through structured community engagement.

First-Time-in-College (FTIC) students can join the Judy Genshaft Honors College by direct admission or admission by application. Students who reach our academic criteria through test scores and GPA will be directly admitted into the College.

Students can also be accepted through our application, which includes an essay and list of extracurricular activities. We employ a holistic review process and take into consideration more than test scores.

Non-Degree Seeking Students

Non-degree seeking student enrollment is offered on a space-available basis and has been established for those individuals who, while not interested in earning a degree, would like to enroll in all levels of university courses. Non-degree-seeking students are subject to the same academic policies as undergraduate degree-seeking students and must adhere to deadline dates published on the Office of the Registrar's Important Dates and Deadlines webpage (<https://www.usf.edu/registrar/calendars/index.aspx>.) For more information on non-degree seeking student status, please see USF Policy 30-055 or visit https://www.usf.edu/registrar/services/non-degree-admission/transient_students.aspx.

Non-Degree Seeking Students Academic Standing

A student who is not seeking a degree while at USF, but enrolls in classes is classified as a non-degree student. Although not seeking a degree, such a student is subject to the same Academic Warning, Academic Probation, Academic Suspension, and Reinstatement policies as a degree-seeking student by level of courses in which the student enrolled.

Transient Students

USF Policy 10.001
<https://usf.app.box.com/v/usfpolicy10-001>

An undergraduate transient student is one who is currently attending a Florida Public College or State University and wishes to take courses at another Florida Public College or State University for one semester. Transient students from other Florida Public Colleges or State Universities can find more information on enrolling at USF at https://www.usf.edu/registrar/services/non-degree-admission/transient_students.aspx. USF students wishing to enroll at another Florida Public College or State University can find more information in USF Policy 10-001.

Office of Financial Aid

4202 E. Fowler Avenue, SVC 1102

Tampa, FL 33620

(813) 974-4700

<https://www.usf.edu/financial-aid/index.aspx>

The University of South Florida makes every effort to ensure that all qualified students have access to an education. All student financial aid programs are administered or coordinated through the Office of Financial Aid (OFA).

OFA's web site provides step-by-step guidance through the financial aid application process. USF's **Student Self-Service** allows students to monitor the status of their financial aid from application to disbursement of funds.

All students wishing to receive financial aid are encouraged to start the financial aid process as early as possible. The first step is to complete and submit the Free Application for Federal Student Aid (FAFSA) online. For more detailed guidance and information, log onto the OFA website <https://www.usf.edu/financial-aid/apply/> or stop by the Office of Financial Aid. Use our *Contact Us* page at <https://www.usf.edu/financial-aid/questions/> to reach our offices. Save time and use our Chatbot 'Finn' to find answers to common financial aid questions.

Get a head start on a financial plan to attend USF by using our Cost Calculator (<http://usfas.forest.usf.edu/cc/cc.html>). The Cost Calculator will give you an estimate of how much it will cost to attend USF. By inputting your costs and financial aid, you will know if you have the financial resources to pay your USF bill.

The Student Accounting Services Office, located in Student Services (SVC 1039) is responsible for all charges on the student account (bill), payments, Florida Pre-Paid, third party payments, and refunds. Visit their website for more information: <https://www.usf.edu/business-finance/controller/student-services/index.aspx>.

Financial Aid

In addition to finding a wealth of information on the web regarding your financial aid, you can monitor your aid application status via **Student Self-Service**: <https://myusf.edu/>.

The first step in obtaining financial aid is filing the Free Application for Federal Student Aid (FAFSA) at <https://studentaid.gov/h/apply-for-aid/fafsa>. Be sure to list the University of South Florida, school code #001537, as a school in order for us to receive your FAFSA information and award financial aid funds.

Since many programs are funded on a limited basis, it is to your advantage to apply early. Priority application dates and detailed information regarding financial aid are provided each year on the OFA website. Check out USF's scholarship information at <https://www.usf.edu/financial-aid/scholarships/>. OFA communicates important information regarding aid exclusively via the student's USF e-mail account; check your USF email frequently!

Tuition deferments are automatically provided for qualified financial aid applicants. More information can be found at <https://www.usf.edu/financial-aid/deferments/>.

If you withdraw from USF, either officially or unofficially, before the end of a semester, you may be required to repay all or a portion of the aid you received. For detailed information on the Federal Return of Title IV Funds requirement, go to <https://www.usf.edu/financial-aid/know-this/withdraw.aspx>.

Each USF campus has financial representatives available to assist you:

- Tampa: (813) 974-4700
- Sarasota-Manatee: (941) 359-4459
- St. Petersburg: (727) 553-4128

Financial Aid Application Procedures

The Free Application for Federal Student Aid (FAFSA) can be filed electronically at <https://studentaid.gov/h/apply-for-aid/fafsa>:

STUDENT FINANCIAL INFORMATION

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- Using the IRS Data Retrieval Tool (DRT) found within the FAFSA is the most accurate and secure method of providing the required federal tax information.
- If selected for verification, applicants who use the unchanged data generated by the IRS DRT will not be required to provide federal tax return transcripts from the IRS to the financial aid office. More information about verification can be found at <https://www.usf.edu/financial-aid/verification/index.aspx>.
- Students who are selected for verification who did not use the IRS Data Retrieval Tool, or changed data after using the tool, may be required to submit IRS tax return transcripts to verify tax information.
- Students selected for verification are advised to submit all requested documents within ten business days of being notified what requirements are needed. Students should have a completed financial aid file no later than 60 days prior to the beginning of a semester.
- Late or incomplete submission of documents can result in delayed disbursements or possible loss of eligibility for aid.

Information provided on the Student Aid Report (SAR) should be reviewed thoroughly;

- Review all correspondence, follow instructions on the SAR, and follow through within 5 – 10 business days. Delays can be costly as well as frustrating.

Student Eligibility Requirements and Conditions for Receiving Financial Aid

Financial Aid Terms & Conditions

Financial aid award offers are based on full-time enrollment and reflects your eligibility based on your grade level, residency status and other program specific criteria at the time of the award offer. If you enroll less than full time, your cost of attendance will be reduced to reflect your enrollment status and award amounts adjusted accordingly. Award amounts may be revised starting 30 days prior to the start of each semester, based on your credit hour enrollment and the length of your courses.

NOTE: If you received an aid offer after these adjustments started in a given semester, your cost of attendance and award amounts may already reflect your enrollment.

If you do not enroll in the fall semester, your initial offer is void and you will be re-awarded if you enroll in the spring. This may result in a loss of previously awarded aid funds.

Your eligibility for financial aid funds requires you to satisfy the following terms and conditions:

1. **Enroll as a degree seeking student.**
2. **Meet the specific enrollment requirements** (<https://www.usf.edu/financial-aid/enrollment-status.aspx>) **and academic requirements** to receive funds for each financial aid program you have been awarded. More information about the requirements for your specific awards is available in **Student Self-Service** (<https://bannersso.usf.edu/ssomanager/c/SSB>) after you accept these Terms and Conditions.
3. **Report funds** you expect to receive from sources not shown on your award notice to minimize delay in your aid being paid. Examples of such sources include tuition waivers, fellowships, scholarships, veteran's benefits, or vocational rehabilitation benefits. Notify us immediately via **Student Self-Service**. Choose 'Financial Aid,' then 'My Award & Loan Information,' then 'Resources/Additional Information' tab. Enter the resource information and submit. Your financial aid offer may need to be reduced and aid repaid.
4. **Attend class.** Attendance is required to receive financial aid (including student loans). If you drop some classes (<https://www.usf.edu/financial-aid/know-this/drop-credits.aspx>), stop attending all classes, or totally withdraw (<https://www.usf.edu/financial-aid/know-this/withdraw.aspx>) you may be required to immediately repay some financial aid (including student loans).
5. **Check your financial aid Satisfactory Academic Progress (SAP) status** (<https://www.usf.edu/financial-aid/sap/index.aspx>) each semester in **Student Self-Service**. Under the Financial Aid tab, click 'My Award and Loan Information'. Your SAP status each semester must be eligible at your degree level in order to receive funds from most financial aid programs.

STUDENT FINANCIAL INFORMATION

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

6. **Check Student Self-Service** each semester to see that you have satisfied all requirements to receive financial aid. Choose 'Financial Aid,' then 'My Requirements, Bookstore Authorizations and Deferments.'
7. **Verification** (<https://www.usf.edu/financial-aid/verification/>) must be completed and your **FAFSA** (<https://studentaid.gov/h/apply-for-aid/fafsa>) information updated (if required) before your aid can be disbursed. If you do not complete verification promptly when requested, aid previously offered may be cancelled.

Academic Scholarships

The Office of Financial Aid (OFA) provides prospective and currently enrolled students with a central location to access scholarship information. The office administers the Florida Bright Futures Scholarships, and a variety of privately-funded scholarships made possible through the generosity of friends and alumni of the University of South Florida. OFA also manages the scholarship renewal process for students who have been awarded scholarships through the Office of Admissions (<https://www.usf.edu/admissions/>). An online search for USF scholarships may be found at <https://www.usf.edu/financial-aid/scholarships/>.

The Office of Admissions offers a number of scholarships based on academic merit to students planning to enter USF for the first time as a freshman or upper-level transfer student. These scholarships are highly competitive. The criteria noted for the various scholarships are used as minimum starting points for consideration; meeting or exceeding the minimum requirements will not guarantee selection.

To be considered for **Florida resident** merit-based scholarships from the Office of Admissions, students must submit a complete admissions application prior to the application deadline. For additional information about the awarding process, please visit <https://www.usf.edu/admissions/freshmen/admissions-scholarships/index.aspx>.

For **non-Florida residents**, a limited number of out-of-state tuition waivers are available based on academic performance. See <https://www.usf.edu/admissions/freshmen/admissions-scholarships/nonflorida.aspx> for more information.

The individual colleges of USF administer some scholarships directly through the Dean's Office in each college.

Financial Aid Dates and Deadlines

Make sure you meet all deadlines and respond promptly to requests to submit additional documents. For a Checklist and Priority Dates, see <https://www.usf.edu/financial-aid/checklist.aspx>.

STUDENT TUITION AND FEES

The office of Student Accounting Services is here to serve the students who attend our university by maintaining accurate financial records and communicating with students concerning their accounts. Our department is primarily responsible for: tuition assessment, refund processing, recording of waivers, administration of the Florida Prepaid and third party programs, and daily communication with customers. More information can be found here: (<https://www.usf.edu/business-finance/controller/student-services/index.aspx>).

Florida Residency Classification for Tuition Purposes

For details on residency for tuition purposes, visit <https://www.usf.edu/registrar/services/residency/>, as well as the Residency for Tuition Purposes section of this catalog.

Veterans and Social Security Benefits

VA Benefits

USF is approved for the education of veterans, eligible dependents, members of the selected reserve, and active-duty personnel who are eligible for benefits under public laws now in effect. All degree programs currently offered at USF are approved by the Department of Veterans Affairs.

Ten federal public laws currently provide education/job-training programs for VA-eligible students.

Five programs serve most students:

- Chapter 30 for U.S. Military Veterans
- Chapter 31 for Disabled U.S. Military Veterans
- Chapter 33 for U.S. Military Veterans or dependents of veterans
- Chapter 35 for Spouse and Children of Deceased or 100 percent (permanent and totally) Disabled Veterans (service connected), and
- Chapter 1606 for personnel in the National Guard or U.S. Military Reserves.
- Chapter 1607 for personnel in the National Guard or U.S. Military Reserves called or ordered to active duty in response to a war or national emergency (contingency operation) as declared by the President or Congress. Members may be eligible after serving 90 consecutive days on active duty after September 11, 2001.

USF's Office of Veterans Success (<https://www.usf.edu/student-affairs/veterans/>), located in the Grace and Allen Building (ALN 130), coordinates veterans services and specific program information. Eligible students must submit an Application for Educational Benefits and request certification for full-time or part-time educational benefits in accordance with VA rules and regulations.

This office also can provide confirmation of student status for VA health care or other benefits. Additionally, the University of South Florida provides military training to college credit evaluation and encourages all veterans to request this service from the campus veterans advocate.

A full-time Fall and Spring semester undergraduate load for VA benefits is twelve (12) credits per semester; a full-time Fall and Spring semester graduate load is 9 credits. Summer terms full and part-time enrollment requirements differ. Students should refer to the USF VA website for specific information about Summer credit requirements.

The Atlanta Regional Processing Office of the U.S. Department of Veterans Affairs determines eligibility based on official service records, evidence submitted by the student and applicable laws. Students with established VA program eligibility at another college or university must submit a Change of Program or Place of Training and a USF enrollment verification request to Office of Veteran Success. They can be contacted at 813-974-2291 or email ovs@usf.edu.

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Chapter 30, 1606 and 1607 program participants are required to verify attendance each month to the federal VA. Verification can be done on the Web Automated Verification of Enrollment (WAVE) page, or veterans can call 1.877.823.2378.

At the end of the term, if an undergraduate student's cumulative grade point average falls below a 2.0 (C) average, the student will receive an academic warning. If at the end of the next term of enrollment, the cumulative GPA remains below 2.0, the student's educational benefits will be terminated and the DVA will be notified of the student's unsatisfactory progress for VA pay purposes. Students must meet the conditions for USF readmission to become eligible again for VA educational programs.

How to Apply

Students who may be eligible for benefits are urged to contact the Office of Veterans Success at <https://www.usf.edu/student-affairs/veterans/>. Once admitted, peer counselors will guide the student veteran through the process of requesting Veterans Educational Benefits through our online Clockworks system. You can contact the Office of Veterans Success at ovs@usf.edu or come by the office at ALN 190 or call 813-974-2291.

Eligibility

To be eligible for full-time VA benefits at USF, undergraduate students must enroll for 12 or more semester hours, and graduate students must enroll for 9 or more semester hours each normal academic term. Additional information for obtaining education benefits can be found at <https://www.usf.edu/student-affairs/veterans/apply/index.aspx>

Out-of-State Waiver

HB 7015-Florida GI Bill, created the "Congressman C.W. Bill Young Tuition Waiver Program." This will waive out-of-state tuition fees for honorably discharged veterans of the U.S. Armed Forces, Reserves, or National Guard who physically reside in Florida and active duty military personnel stationed outside of the state while enrolled at an institution in the State University System of Florida. Persons who are entitled to and use educational assistance provided by the United States Department of Veterans Affairs also qualify for this waiver if they physically reside in Florida while enrolled at the University. Tuition and fees charged to a veteran or person who qualifies for the out-of-state fee waiver under this section may not exceed the tuition and fees charged to a resident student enrolled in the same program. Information on requirements and deadlines for the Out-of-State Waiver is found at <https://www.usf.edu/student-affairs/veterans/admissions/outofstatefeewaiver.aspx>. For more information regarding residency for tuition purposes and residency tuition waiver exceptions visit: <https://www.usf.edu/admissions/other/residency/> or email residency@usf.edu.

Tuition Deferment

The tuition deferment program for Veterans is set up through USF and the VA. Due to VA payments being delayed at times, a tuition deferment gives the student and the VA an extra 90 days past the start of the semester to pay for a student's tuition and fees. See Veterans Benefits and Transition Act of 2018, Section 103 PL 115-407.

Social Security Benefits

Inquiries related to Social Security benefits should be directed to the student's local Social Security Office. The Office of the Registrar (<https://www.usf.edu/registrar/>) will complete enrollment certificates after the Add/Drop period for the applicable academic term issued by the Social Security Administration for students eligible to receive educational benefits, as long as the student is a full-time undergraduate.

A full-time undergraduate load for Social Security benefits is twelve (12) credits per semester; a full-time graduate load is nine (9) credits.

School Costs and Fees

Registration fees are assessed in accordance with University Board of Trustees rules, per USF Regulation 4.0102.

Tuition and fees are based on a number of factors, including undergraduate or graduate status, residency and the type of housing chosen. However, even if you live out of state, our costs often competitive with the in-state rates at your local university.

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

USF's Cost of Attendance can be found on the Financial Aid website <https://www.usf.edu/financial-aid/cost-of-attendance/>.

- Students Living On-Campus
- Students Living Off-Campus with Parents
- Students Living Off-Campus Not with Parents

Fees

The levels of the Activity and Service Fee, the Health Fee, and the Athletic fee are determined on each campus by a student fee committee appointed by the President of the University and the Student Government President. The committee includes USF faculty and students with the majority of the committee being students. The fees may be reviewed on a yearly basis.

Registration fees are assessed in accordance with University Board of Trustees rules. All fees are subject to change without prior notice. The University will make every effort to advertise any such changes if they occur.

1. Admissions Application Fee – (Each application - not refundable) \$30.00
2. Non-Degree Application Fee – (Each application - not refundable) \$30.00
3. Tuition

Schedule/Fee Statements are not mailed. Tuition is due by the fifth day of each term. Students may view and/or pay their current term fees online by accessing the "Tuition, Fees & Payments" option in **Student Self-Service** - <https://webauth.usf.edu>.

The student is responsible for paying fees in full by the appropriate due date as stated at <https://www.usf.edu/business-finance/controller/student-services/deadline-dates.aspx>. Failure to do so may result in cancellation of the student's registration. Checks are payable to USF.

To avoid a \$100.00 late payment fee, all tuition fees must be paid by the fifth day of the term. The University cannot be responsible for lost or misdirected U.S. Mail. A student whose registration has been cancelled may request registration reinstatement through the fourth week of class for the academic term.

Note: All students who successfully petition for reinstatement from financial cancellation due to non-payment will be assessed a \$100 late registration fee along with a \$100 late payment fee. Upon approval for reinstatement, all fees and other debts owed to the University must be paid in full by cash, money order, check or credit card before reinstatement will be affected.

Current fees are posted on the **Student Self-Service** website.

1. **Students who only register for a co-op assignment** must pay a minimum of one (1) hour at the level of the co-op assignment.
2. **Tuition Fee Payment** - Access the "Tuition Fees and Payments" option in **Student Self-Service** at <https://webauth.usf.edu>.
3. **Late Registration Fee**
 - All degree seeking students who initiate (i.e., those students who have not enrolled for any courses during early or regular registration) their registration during the late registration period will be automatically assessed a \$100.00 late registration fee.
 - All non-degree seeking students who have not registered for any courses by the end of the first week of classes will be automatically assessed a \$100.00 late registration fee.
 - All students who successfully petition for late registration into a course or for reinstatement from financial cancellation due to non-payment will be automatically assessed a \$100.00 late registration fee.

Payment of Accounts Due to the University

Charges against students for loss or breakage of University equipment, books, fines and other charges are due immediately. Delinquent accounts may be considered sufficient cause for cancellation of registration. University

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

regulations prohibit registration and the release of diplomas for any student whose account with the University is delinquent. Delinquent accounts may be turned over to a collection agency and all collection fees including legal fees will be added to the student account balance. Financial aid from a succeeding academic year cannot be used to repay prior academic year debts.

Payments should be made by the appropriate deadline and can be:

- Dropped in the applicable campus drop-box (checks and money orders only)
- Mailed to the University of South Florida, P.O. Box 864571, Orlando, FL 32886-4571
- Made online by accessing **Student Self-Service**

Payment Procedures

Payment must be received no later than the fee payment deadlines as specified on the Important Dates & Deadlines page - <https://www.usf.edu/registrar/calendars/>.

The primary form of payment of most account holders is on-line through **Student Self-Service** via the myUSF portal. Students can pay using an eCheck or a credit card in this system. Payments cannot be transacted by telephone.

Acceptable Forms of Payment

USF accepts online credit/debit cards or eCheck in your **Student Self-Service** account, via postal mail by check or money order, or iby cash or money order in the drop-box located on the applicable campus. For complete details, please visit the University Controller's Office at <https://www.usf.edu/business-finance/controller/student-services/cashiers/index.aspx>.

If your bill is to be paid by an outside agency (government sponsor or other third-party sponsor), your scholarship agency should notify the University in advance by letter stating the amount and length of time of the award and whom to bill for tuition. Keep the original copy in case the immigration officer at the port-of-entry or University Student Accounting Services requests it.

- eCheck (recommended) – check payments can be made in **Student Self-Service** by entering the routing and account number from your checking account paper checks.
 - Benefits: There is no additional cost to pay using this method and payments post immediately.
- Credit Card – MasterCard, American Express, and Discover credit card payments can be made in **Student Self-Service**. A 2.75% convenience fee will be charged.
- Mailed Check/Money Order – Checks and money orders (with student ID included) can be mailed to the address below. Please allow sufficient time for the checks to be received before the due date:

USF Payments
P.O. Box 737442
Dallas, TX 75373-7442

If you have questions regarding charges or payments on your student account or questions about your 1098-T (<https://www.usf.edu/business-finance/controller/student-services/accountsreceivable/1098t.aspx>) please call 813-974-6056 or email SFSHELP@USF.EDU. You can also visit SVC 1039 on the Tampa campus.

- For questions about your FAFSA or financial aid awards, please contact the Office of Financial Aid (<https://www.usf.edu/financial-aid/questions/>).

Other Forms of Payment

Tuition and fees may be partially or completely paid by Financial Aid, Florida Prepaid, tuition waivers, or departmental grants. The student is responsible to pay any amount that is not covered by these types of payments by the applicable due date.

Financial Aid

For details on how financial aid works at USF, visit <https://www.usf.edu/financial-aid/index.aspx>, as well as the Student Financial Information section of this catalog.

Florida Prepaid College Plan

The University of South Florida downloads a file from Florida Prepaid and automatically bills for all Florida Prepaid College students with tuition plans that are enrolled for Fall, Spring and/or Summer terms. Dorm plans are billed for students with dorm charges for Fall and Spring terms only. Payment is limited to the maximum amount allowed of the student's available prepaid plan balance. For more information on using Florida Prepaid at USF, visit <https://www.usf.edu/business-finance/controller/student-services/student-accounting/florida-prepaid.aspx>.

For questions concerning USF procedures or student account, contact the customer service department:

Email: SFShelp@usf.edu

Phone: (813) 974-6056

Florida Bright Futures

The Florida Bright Futures Scholarship Program (<https://www.floridastudentfinancialaidsg.org/SAPBFMAIN/SAPBFMAIN>) rewards students for their academic achievements during high school by providing funding for them to pursue post-secondary educational and career goals in Florida.

For more information on this program, including details on how to receive funding at USF, visit: <https://www.usf.edu/financial-aid/brightfutures/index.aspx>.

Tuition Waivers

USF may waive tuition and fees as follows:

- Any dependent child of a special risk member killed in the line of duty, per Sections 112.19 and 112.191, Florida Statutes.
- Certain members of active Florida National Guard are entitled to a waiver of tuition and fees pursuant to Section 250.10, Florida Statutes.
- A student enrolled through the Florida Linkage Institutes Program is entitled to a waiver of the non-resident tuition and fees pursuant to Section 288.8175(6), Florida Statutes.
- Intern supervisors for institutions within the State University System may be given one non-transferable certificate (fee waiver) for each full academic term during which the person serves as an intern supervisor, pursuant to 1009.26, Florida Statutes.
- Persons 60 years of age or older who are Florida residents, as provided by Chapter 1009.26, Florida Statutes.
- A student who is or was at the time he or she reached 18 years of age in the custody of the Department of Children and Families or who, after spending at least 6 months in the custody of the department after reaching 16 years of age, was placed in a guardianship by the court. Or a student who is or was at the time he or she reached 18 years of age in the custody of a relative or nonrelative under s. 39.5085 or who was adopted from the Department of Children and Families after May 5, 1997, pursuant to Chapter 1009.25, Florida Statutes.
- Purple Heart recipients pursuant to Chapter 1009.26, Florida Statutes.
- Non-Florida resident fee for qualified students including the Deferred Action for Childhood Arrivals (DACA), as provided by Chapter 1009.26, Florida Statutes.
- Non-Florida resident fee for a veteran; C.W. "Bill" Young Veteran Tuition Waiver, as provided in Chapter 1009.26, Florida Statutes.

Waivers can be brought in person to Tampa Campus SVC 1039 or mailed to:

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

UCO-Student Accounting Services

University of South Florida
4202 E. Fowler Ave ALN 147
Tampa, FL 33620

The non-Florida student financial aid fee may not be waived for students receiving an out-of-state tuition and fee waiver.

Special Populations Waiver

Out of State Waiver Eligibility Process: Bill HB 851-Postsecondary Education Tuition and Fees

(<https://www.usf.edu/registrar/services/forms.aspx>) allows students, including but not limited to undocumented students who meet certain guidelines, to receive waivers to attend college at Florida resident (in-state) tuition rates. These non-resident students, who do not have sufficient ties to Florida as set forth under Florida School Code (SB-20E) section 1009.21, Florida Statutes, may qualify for an out-of-state tuition waiver.

Child Protection & Welfare Tuition Exemption: Section 402.403, Florida Statutes, established the Child Protection and Child Welfare Personnel Tuition Exemption Program for the purpose of recruiting and retaining high-performing individuals who are employed as child protection and child welfare personnel. For those personnel who meet the requirements of the program up to six credit hours of courses per term are exempt from the payment of tuition and fees at an institution in the State University System of Florida.

Homeless Fee Exemption

Florida Statute 1009.25(f)

http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&URL=1000-1099/1009/Sections/1009.25.html

A student who is homeless may be exempt from paying tuition and fees. The statute defines a homeless student as one who "lacks a fixed, regular, and adequate nighttime residence or whose primary nighttime residence is a public or private shelter designed to provide temporary residence for individuals intended to be institutionalized, or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings."

If you think you may be eligible for the homeless exemption, you should speak with your Case Manager or Homeless Liaison Officer from the shelter or with a case manager from USF Student Outreach and Support (<https://www.usf.edu/student-affairs/student-outreach-support/>). Student Outreach and Support can be reached at (813) 974-6130.

Senior Citizen Tuition Fee Waiver

Florida residents who are 60 years of age or older as of registration day, and have lived in Florida for the last 12 consecutive months, may enroll on a space available basis in certain undergraduate and graduate courses without paying fees. For more information, visit <https://www.usf.edu/registrar/services/non-degree-admission/senior-citizen-audit.aspx>. A parking permit, purchased from Parking Services (<https://www.usf.edu/administrative-services/parking/>) is required to park on campus.

The Senior Citizen Tuition Waiver covers a maximum of 12 credit hours per term and is applicable only if the student registers for these courses on the designated registration day. Due to the non-degree seeking status, academic credit is not awarded, examinations are not required, and grades are not assigned. The student's status for that class is an audit, and their presence in the classroom is as a listener. For more information see, <https://usf.app.box.com/v/usfpolicy10-006> (page 5-6).

Senior Citizen registration requests are processed on the sixth day of the term. Students need not be present in order to register; the application and registration worksheet should be submitted to nondegree@usf.edu. Forms submitted after the registration deadline will not be processed.

Many courses require departmental approval, prerequisites, or have other restrictions which may limit registration. You must acquire the necessary permits in advance of registration on a Senior Citizen Audit Registration

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Worksheet: <https://www.usf.edu/registrar/services/non-degree-admission/senior-citizen-audit.aspx>.

Additionally, the permits must be submitted electronically in **Student Self-Service** by the issuing department ahead of registration.

Students may not pre-register for courses in which they plan to use the Senior Citizen Tuition Fee Waiver. The waiver will not be processed if a senior citizen pre-registers and then submits a Senior Citizen Tuition Waiver application for those courses (<https://www.usf.edu/registrar/documents/forms/senior-citizen-tuition-waiver.pdf>).

It is the student's responsibility to complete and submit the waiver application, allowing sufficient time for the application to reach the Office of the Registrar by the registration deadline.

Third Party Billings

Third party billing is a service offered to outside agencies and companies requesting to be invoiced for a student's tuition and fees. A third party cannot be an individual (i.e. a student's parent). If you are a student and are expecting an outside agency to pay for your tuition and fees, the Student Accounting Services Office must be provided with an authorization to bill that agency.

An authorization is a written statement, preferably on agency letterhead, giving the university permission to bill that agency. An authorization should contain the following information:

- Billing Address
- Contact person (name, phone number, e-mail)
- Student's full name and U ID number
- Specific semesters that will be paid
- Specific charges that will be paid

Examples of authorizations include: Vocational Rehabilitation authorizations, financial letters of guarantee, tuition assistance forms, letters of credit, and vouchers.

- If your agency does not have a standard letter of authorization, please use the Third Party Billing Agreement Form - https://www.usf.edu/business-finance/controller/documents/student-services/tpb_agreement_form.pdf
- For information on a student's third party responsibilities - https://www.usf.edu/business-finance/controller/documents/student-services/tpb_student.pdf

QUESTIONS? Email questions related to third party billing to ThirdParty@usf.edu.

State Employee Six-Hours-Free Course Benefit

Admitted USF degree-seeking or non-degree seeking students who are employed by the State of Florida may apply to waive tuition up to a maximum of 6 credit hours (excluding selected directed individual study or research, internship practicum, music & theatre performance, Cooperative education, PACE, lifelong learning, continuing education and correspondence courses).

State employees must also acquire all necessary employer approvals on the state employee Tuition Waiver Request form. For more information, visit <https://www.usf.edu/business-finance/controller/student-services/student-accounting/waivers-state.aspx>

State employees, like all other USF students, register via **Student Self-Service** but only on or after 6 p.m. two business days before the first day of classes each term. For example, state employee students register after 6 p.m. on Thursday preceding the first day of a term when classes begin on a Monday. Any state employee who registers at any time before the approved this registration start- time and day forfeits eligibility to use the State Employee Tuition Waiver and will be held fully liable for all USF tuition and fees.

Tuition Waiver Request forms must be completed and returned to the USF Student Accounting Services Office by the fourth day of class to avoid the \$100 Late Payment Fee and potential class cancellation. State of Florida employees, who are not employed by the Florida State University System, will earn taxable income equal to the value of tuition waived for both undergraduate and graduate level courses. Since the value of tuition waived is taxable, it is subject to Federal Income Tax, Social Security and Medicare taxes (FICA), and reported to the Department of Financial

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Services, Bureau of State Payrolls; each term by the appropriate Division of Human Resources sees that all appropriate taxes are withheld.

Since tuition rates for Florida residents are lower than rates for non-residents, it is important for all state employees utilizing Tuition Waiver Request forms to verify their residency status is correct.

Direct Deposit

1. Tuition is due at the end of the fifth day of classes each term.
2. Financial aid is paid on the sixth day of classes after enrollment is confirmed.
3. If students do not have a tuition deferment or have not paid their bill by the end of the fifth day of classes, their enrollment will be cancelled.
4. Any excess balance remaining will either be e-deposited to your personal bank account, (Log into **Student Self-Service** to sign up for E-Deposit) or Student Accounting Services will mail a check to the address listed for the student in Student Self-Service.

Refund of Tuition/Fees Payment Release of Tuition/Fees Liability

For the most current information on student refunds including how to request a refund and how much can be refunded, please refer to this site: <https://www.usf.edu/business-finance/controller/student-services/student-accounting/student-refunds.aspx>.

Fee Adjustment Request After Fifth Day of the Term

One-hundred percent (100%) of tuition and fees may be refunded if, within six (6) months of the end of the term to which the refund is applicable, a student who has withdrawn from a course completes and files with the Office of the Registrar a *Fee Adjustment Request Form* https://www.usf.edu/registrar/fee_adjustment.aspx citing circumstances outside of the student's control which are confirmed by supporting documentation and approved by the Fee Adjustment Committee. Circumstances to be considered within this six month period include:

1. Illness of a student of such severity or duration, as confirmed in writing by a physician, to preclude completion of the course(s),
2. Death of the student or death in the immediate family (parent, spouse, child or sibling),
3. Active military duty,
4. University error, or
5. Other documented exceptional circumstances beyond the control of the student which precluded completion of the course(s) accompanied by letter of explanation.

Special requests for an extension of the six (6) month deadline must include specific facts indicating special circumstances which (i) were beyond the control of the student (ii) clearly impaired the student's physical or mental ability to correct their academic/financial record at the university and (iii) are supported by written explanation and verifiable documentation.

A student who receives financial aid and subsequently changes the enrollment status which results in a refund in accordance with this section, will have the appropriate share of the refund returned to the university's financial aid programs in accordance with the Financial Aid Policy on Refunds and Repayments. Bright Futures recipients who owe repayment of funding because of a withdrawal for cause (WC) will have a Bright Futures repayment appeal automatically submitted to the State of Florida by the Office of Financial Aid for the year impacted. This appeal removes the student's repayment obligation with the State of Florida for the associated dropped/withdrawn hours. All credits with a WC will still be deducted from students' available Bright Futures scholarship length. If a fee adjustment is subsequently approved, the student's Bright Futures will be billed and funds returned to the State in accordance with Florida Statute 1009.53(4)(11).

The University of South Florida will approve a waiver of the Late Payment fee if the student is unable to make payment on time due to circumstances determined by the university to be exceptional and beyond the control of the student. A *Late Payment Fee Waiver Request Form* (<https://www.usf.edu/financial-aid/know-this/withdraw.aspx>) may be completed and submitted to Student Accounting Services, SVC 1102.

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Past Due Accounts

The university will cancel the registration of a student whose registration fees have not been paid in full by the deadline as indicated on the Office of the Registrar's Important Dates & Deadlines webpage (<https://www.usf.edu/registrar/calendars/index.aspx>). This means, specifically, that a student will receive no credit for any courses taken during that term. This includes students that registered for Alternative Calendar courses using **Student Self-Service** and courses that start prior to the first week of classes.

If the student is only taking Alternative Calendar courses that were not registered using **Student Self-Service** and have a start date after the first week of classes, register after the first week of classes or have an authorized deferred payment of fees, their registration may not be cancelled.

Late Fees

Late Payment Fees apply to students who do not pay their fees or obtain a full fee deferment by the payment deadline. The Late Payment Fee is \$100 per term.

Late Registration Fees are charged to students who enroll following the close of the regular registration period for the term, who re-register, or who enroll for the first time during Late Registration and Drop/Add period. The Late Registration Fee is \$100.00 per term.

Both a Late Payment Fee and a Late Registration Fee are charged to students who are dropped for non-payment. Summer term is divided into sessions, and the late fee is charged per session.

Waiver of Late Fees

USF will approve a waiver of the Late Payment fee if the student is unable to make payment on time due to circumstances determined by the university to be exceptional and beyond the control of the student. Requests for a waiver must meet one of the conditions listed below to be considered:

- University error which precludes timely payment of registration fees. A supporting email from an appropriate USF official's USF email or letter on university letterhead and signed by an appropriate university official or an appropriate official university document must be included with your petition.
- Extraordinary circumstances such as severe illness, death of an immediate family member (parent, step-parent, spouse, child, sibling or grandparent), or call to active duty that precludes timely payment of registration fees. Appropriate documentation (note from physician, copy of military orders, etc.) must be included with your petition.

If you have any questions, contact Student Accounting Services at 813-974-6056.

Return the completed and signed petition form (https://www.usf.edu/business-finance/controller/documents/student-services/late_pay_waiver.pdf) and all relevant documentation to SVC 1039. You can also email your packet it sfscommittee@usf.edu or send via mail:

Student Accounting Services

University of South Florida
4202 E. Fowler Ave, ALN 147
Tampa, FL 33620

Auditing Privileges and Fees

Only an admitted student may register to audit a course; as an auditor, the student is not allowed to take exams, earn grades, or receive credit. The student's status for that class is an audit. The student's presence in the classroom is as a listener, which means an instructor may limit auditing student's participation in class, including class projects and other interactive, graded or ungraded activities. For more information see, <https://usf.app.box.com/v/usfpolicy10-006>.

Audit status may only be obtained at the Office of the Registrar during the first five days of the term by filing a Course Audit Form (http://www.registrar.usf.edu/forms/Course%20Audit%20Form22010-11-03_16_27_53.pdf). A date-

STUDENT TUITION AND FEES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

stamped permit from the college/department where the course is being offered must accompany a Course Audit Form to the Office of the Registrar. In-state fees are assessed for all audited courses.

Excess Hours Surcharge

BOG Regulation 7.003 (21)

<https://www.flbog.edu/wp-content/uploads/Amended-Regulation-7.003.pdf>

USF Regulation 4.0107

<https://usf.app.box.com/v/usfregulation40107> (see item 6)

The Excess Credit Hour Surcharge is a state mandated fee that requires universities to add a surcharge to each credit hour that is more than 120% of hours needed for completion of your degree or 144 hours for 120 credit hour degree programs for First Time in College Students beginning in Fall 2019 or after. An Excess Hour Fee shall be assessed to designated undergraduate students pursuant to the provisions of BOG Regulation 7.003(21).

Effective Fall 2019, USF will calculate an excess hour threshold for each student based on the number of credit hours required for the degree. For any student who changes degree programs, the excess hour threshold must be adjusted only if the number of credit hours required to complete the new degree program exceeds that of the original degree program.

The surcharge is assessed only on the tuition portion of the semester hour cost, not on the fees. The number of total program hours required for the baccalaureate degree will be identified by the student's declared major. This is typically 120 semester hours, although, some programs have been approved to require more than 120 semester hours.

For further information, visit <https://www.usf.edu/registrar/services/excess-hours/index.aspx>.

No institution may waive the excess hours surcharge; the language of the statute is mandatory.

Repeat Course Surcharges

Section 1009.285 of Florida Statutes

http://www.leg.state.fl.us/statutes/index.cfm?App_mode=Display_Statute&URL=1000-1099/1009/Sections/1009.285.html

A student enrolled in the same undergraduate college-credit course more than twice shall pay tuition at 100 percent of the full cost of instruction and shall not be included in calculations of full-time equivalent enrollments for state funding purposes. However, students who withdraw or fail a class due to extenuating circumstances may be granted an exception only once for each class, provided that approval is granted according to policy established by the Florida College System institution board of trustees or the university board of trustees. Each Florida College System institution and state university may review and reduce fees paid by students due to continued enrollment in a college-credit class on an individual basis contingent upon the student's financial hardship. For purposes of this section, first-time enrollment in a class shall mean enrollment in a class beginning fall semester 1997, and calculations of the full cost of instruction shall be based on the system wide average of the prior year's cost of undergraduate programs for the Florida College System institutions and the state universities. Boards of trustees may make exceptions to this section for individualized study, elective coursework, courses that are repeated as a requirement of a major, and courses that are intended as continuing over multiple semesters, excluding the repeat of coursework more than two times to increase grade point average or meet minimum course grade requirements.

The university may grant exceptions to this rule based on extenuating circumstances and financial hardship. However, the university may only approve one appeal per course. The exceptions included in the Statute are extenuating circumstances and financial hardship and are defined as follows:

Extenuating circumstances are those circumstances determined by the university to be exceptional and beyond the control of the student and may include but not be limited to serious illness, death of an immediate family member (parent, step-parents, spouse, child, sibling, or grandparents), orders for active duty; or university error. In all cases, supporting documentation must be submitted with the request for a waiver of this surcharge.

The criteria used by the universities for determining financial hardship should include, but not be limited to, qualification for federal need-based financial aid. Students with other documented financial hardships may also be considered. For consideration, the student must fill out a *Repeat Course Surcharge Waiver* and provide supporting documentation. Visit https://www.usf.edu/registrar/fee_adjustment.aspx for more information.

Manatee, FL 34243

The Office of the Registrar leads the maintenance of student records in all formats as the university's chief student record custodian. The Registrar team provides accessible registration services that facilitate continuous enrollment and student success. Additional roles consist of leading graduation processes; and creating and maintaining academic programs, courses, and the schedule of classes in the student information system.

The Office of the Registrar provides information and services to students in the University's **Student Self-Service**. Using their Net ID and password, students can register and drop/add courses, update contact information, access registration appointment time and hold information, view their grades and order transcripts and proof of enrollment.

The Registrar team ensures institutional compliance of the Family Educational Rights and Privacy Act (FERPA) including students' rights to inspect, request amendments, and limit access to their student records.

Registration for Admitted Degree-Seeking Students

Continuing students may register via **Student Self-Service** on or after their registration appointment date and time for their next term's courses. More information is available at <https://www.usf.edu/registrar/register/index.aspx>.

Registered students may make course schedule adjustments from the time of their initial registration through the first five days of the term. Deadlines for each term are published at: <https://www.usf.edu/registrar/calendars/index.aspx>.

Students not registered prior to the first day of classes may register late during the drop/add week (first week of classes); a \$100.00 late registration fee is charged for not having initiated registration on time. To avoid financial cancellation, fees are due for all registered courses of record on the fifth day of classes (end of drop/add period).

Administrative Holds

A student may be placed on administrative hold by failure to meet obligations to the University. Students with administrative holds may not be allowed to register, receive a diploma, or receive an official transcript. Settlement of financial accounts must be made in myUSF. Each student placed on administrative hold may determine via **Student Self-Service** which office to contact in order to clear the obligation. For a current list of common administrative holds and information on how to address them, see <https://www.usf.edu/registrar/services/holds.aspx>.

Late Registration

USF Regulation 4.0101 <https://usf.app.box.com/v/usfregulation40101>

All eligible students* attempting to register for the first time after active registration ends must obtain approval from the authorized college/department Academic Regulations Committee.

* An eligible student must be:

STUDENT REGISTRATION AND RECORDS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

1. A continuing USF student,
2. A new student admitted late, or
3. A late readmitted former student returning after three or more semesters.

Late Registration Fee

All degree-seeking students who wait to initiate or attempt registration for the first time during the Late Registration (drop/add period) will be automatically assessed a \$100.00 late registration fee.

All Non-Degree students who have not registered for any courses by the end of Late Registration (drop/add period) will automatically be assessed a \$100.00 late registration fee.

Any students who successfully petition for late registration or reinstatement following financial cancellation will be automatically assessed a \$100.00 late registration fee.

Requests to waive the \$100 late registration fee must be submitted to the Office of the Registrar using the Late Registration Fee Waiver Request form

(https://www.usf.edu/registrar/documents/forms_2019/late_registration_waiver_request_form_2019.pdf).

Adds

After a student has completed registration on the date assigned, the student may continue to add more courses until the fifth day of the term, otherwise known as the end of drop/add period outlined in the Office of the Registrar's Important Dates and Deadlines.

For undergraduate students wishing to add a course after the drop/add period, they must use the Academic Regulations Committee (ARC) petition process via Archivum (myUSF). ARC petitions are reviewed by college committees. It is the student's responsibility to obtain, complete and submit all documentation required by this process. Incomplete petitions will not be considered.

If an instructor has left the university, the student should seek assistance from the applicable academic department.

The process and forms are available on the ARC website (<https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/index.aspx>). The forms below are required:

- *ARC Petition Form* (<https://www.usf.edu/undergrad/documents/usf-arc-petition-form.pdf>)
- *Instructor's Documentation Form* (<https://www.usf.edu/undergrad/documents/usf-arc-instructors-documentation-form.pdf>)

Drops

A student may drop courses during the drop/add period. Students with holds preventing registration may contact AskTheRegistrar@usf.edu to request a drop or withdraw prior to the applicable deadline. Courses dropped during the drop/add period do not appear on the student's transcript, and no tuition or fees will be assessed. Refer to the **Important Dates and Deadlines** calendar for the drop/add period of a particular term. Students are required to attend the first-class meeting of courses for which they registered. See Course Attendance at First Class Meeting for more information.

Withdrawals

After the drop/add period, a student may withdraw from courses between the second and tenth week of the semester; these weeks are shorter for courses in Summer session and alternative calendars. See the Office of the Registrar's Important Dates and Deadlines calendar.

Tuition and fees will not be refunded for course withdrawals, and the student's academic record will reflect a "W" grade for each course withdrawal. Under specific conditions, consideration for refund of tuition and fees for course withdrawals may be requested by submitting a *Fee Adjustment Request* form (<https://www.usf.edu/registrar/documents/forms/uro-far.pdf>) accompanied by supporting documentation to the Office

STUDENT REGISTRATION AND RECORDS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

of the Registrar. Per Florida Board of Governor Regulation 7.002, "A written appeal for a refund or other appeal action must be submitted to the University within six (6) months of the close of the semester to which the refund or other appeal action is applicable." Students who withdraw are not permitted to continue attending class.

All undergraduate students will be limited to a total of five course withdrawals while enrolled as a degree-seeking or a Non-Degree student. The five course withdrawals will be limited to three course withdrawals for students with less than 60 semester credit hours, and two course withdrawals for students with more than or equal to 60 semester credit hours. Only in extenuating circumstances will approval be granted for more than five course withdrawals. Appeals for additional course withdrawals due to extenuating circumstances must be submitted to the Academic Regulations Committee in the college of the student's academic major.

Students should be mindful of the Excess Hour Surcharge Policy when requesting late adds or late withdrawals. See <https://usf.app.box.com/v/usfregulation40102>.

All undergraduate students enrolled in graduate-level courses while enrolled as a degree-seeking or Non-Degree student taking graduate courses at USF may withdraw from a course after the first week of the semester. To withdraw from a graduate course after the drop period, submit a Graduate Studies Petition (<https://usf.app.box.com/v/graduate-studies-petition>).

Individual Class Withdrawal

A student who withdraws may receive a grade of "W" up until the posted deadline to withdraw without academic penalty for each term. See the Office of the Registrar's Important Dates and Deadlines calendar for specific dates.

Beginning the sixth day of classes each semester, individual course withdrawals are enacted by self-service via **Student Self-Service** after the end of the drop/add period. Students with holds preventing registration may contact AskTheRegistrar@usf.edu to request a drop or withdraw.

The decision about whether or not to drop a class is an academic issue; however, it is **your responsibility** to understand the financial implications of this decision. Dropping classes **may** jeopardize future student aid eligibility, including scholarships and student loans. For more information, visit <https://www.usf.edu/financial-aid/know-this/drop-credits.aspx>.

Courses from which a student successfully withdraws will reflect a "W" grade on the student's academic transcript.

Withdrawals for Active Duty Military

Any student enrolled in a course shall not incur academic or financial penalties by virtue of performing military service on behalf of their country. Except in cases where the student and faculty member agree that completion is imminent and possible, the university will process retroactive drop with refund without academic penalty when a student is performing military service. If the course is no longer offered when the student seeks to resume study, an equivalent course may be selected. If the student chooses to withdraw, the student's record shall reflect that the withdrawal is due to active military service.

The provisions of this section shall apply to:

1. Students who are currently on active duty who receive orders that require reassignment to a different duty station or absence from class for an extended period of time during the term in which they are enrolled; and
2. Students who are members of a National Guard, Air National Guard, or other military reserve unit who receive orders calling them to active duty for operational or training purposes during the term in which they are enrolled, excluding any regularly scheduled weekend and annual training duty; and
3. Students who are veterans and who are recalled to active duty during the term in which they are enrolled; and
4. Students who enlist and whose induction date falls within the term in which they are enrolled.

Contact the Office of Veteran Success (<https://www.usf.edu/student-affairs/veterans/>) for assistance at ALN 241 or (813) 974-2291.

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Appeal for Retroactive Withdrawal

USF Policy 10-006 Registration Changes Including Course Change, Cancelations, Withdrawals, and Auditing
<https://usf.app.box.com/v/usfpolicy10-006>

A student who has an unexpected life event or other extenuating circumstances during a term may request an exception to USF's dates and deadlines. A retroactive withdrawal may be requested whenever there are circumstances beyond the student's control, which make it impossible to complete a course. To initiate the appeal process, the student must submit a Petition to the Academic Regulations Committee.

The Academic Regulations Committee (ARC) Petition process occurs at the college level. Students engaging in this process should contact and submit the relevant documentation to the ARC representative in the college of their declared major. It is the student's responsibility to obtain, complete and submit all required documentation required; incomplete petitions will not be considered.

Students should be mindful of the Excess Hour Surcharge Policy (<https://usf.app.box.com/v/usfregulation40102>) when requesting late adds or late withdrawals.

Petitions may be approved if the ARC determines that you experienced extenuating circumstances beyond your control of such severity that the physical or mental ability to drop by the drop deadline was impaired. Such circumstances need to be supported by independent, objective and verifiable documentation.

All submitted documentation is subject to verification. Submission of false, forged or fraudulent information will result in a referral to the Office of Student Rights and Responsibilities.

When possible, the student is responsible for ensuring that all applicable courses are dropped or withdrawn before beginning this process. See Undergraduate Studies' Guide to the Petition Process: <https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/>.

1. Students requesting withdrawals for medical reasons do not typically need to include instructor documentation.
2. If you are petitioning for a Late Withdrawal, Total Withdrawal or Withdrawal Limit Exception for medical reasons, complete Part 1 of the *Medical Documentation Form* (PDF) at <https://www.usf.edu/undergrad/academic-processes/academic-regulations-committee/forms.aspx>, and have Part 2 completed by your physician. The *Medical Documentation Form* should be uploaded into Archivum.
3. All petition requests should be accompanied by a personal statement detailing the nature of your request, and a clear statement of why you feel that you should be granted the requested exception. This statement should include what happened and when it happened, with relevant dates included. Your appeal must also include any supporting documentation that can substantiate the claims made in your personal statement; appeals containing personal statements without supporting documentation will be denied.
 - If you are petitioning to withdraw from select courses in a semester, yet keep other courses, you will need to explicitly address why your situation impacted only those courses to be dropped and not the others.
 - If you stop attending class and have no documentation addressing what prevented a timely withdrawal from the class, your petition will be denied.
4. Ensure that all entries are filled out completely with all the relevant information for your petition type, and that all the proper signatures are obtained. Submit original copies of all the completed forms, your personal statement, and any supporting documentation to the ARC representative in the college of your major (see listing of ARC representatives on the ARC Petition form). Retain copies for your own records.
5. Decisions regarding ARC petitions can be expected within two weeks of submission, if the ARC package is complete.
6. Approved petitions for medical withdrawals will result in a "WC" grade for all applicable courses; "WC" grades denote withdrawals for extenuating circumstances. ARC decisions do not affect fee liability. Students must complete a Fee Adjustment Request through the Office of the Registrar to address fee liability before the applicable deadline.

STUDENT REGISTRATION AND RECORDS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

7. ARC petition decisions by the College ARC may be appealed to the next level in the college. Final appeals to the college decision can be made to the Office of Undergraduate Studies (<https://www.usf.edu/undergrad/>) in SVC 2002, (813) 974-4051.

Student Records/Transcripts

Student Records

USF Regulation 2.0021

<https://usf.app.box.com/v/usfregulation20021>

The policies and procedures outlined in this Regulation are designed to implement the provisions of the Family Educational Rights and Privacy Act ("FERPA," 20 U. S. C. s.1232g) and Sections 1002.225 and 1006.52, Florida Statutes pursuant to which the University of South Florida is obligated to inform students of their rights to review and inspect education records, to challenge and seek to amend education records, to control disclosure of education records, and to contact the Student Privacy Policy Office of the U.S. Department of Education for concerns regarding alleged violations of FERPA or to the appropriate court for violations of privacy if applicable. USF has placed the responsibility for administration of this regulation with the University Registrar.

The student's USF education record shall not be changed after the student has graduated.

Student Privacy Rights

In the interest of openness and building trust with our students, USF affords students the right to limit data usage and sharing of their information, without having to request non-disclosure of directory information under the Family Education Rights and Privacy Act (FERPA). Pursuant to the requirements of FERPA, the following types of information designated by law as "directory information" can be released, if the student has not requested privacy or non-disclosure:

- The student's name
- The student's major field of study
- The student's participation in officially recognized activities and sports
- The weight and height of members of athletic teams
- The student's dates of attendance, part-time or full-time status, and degrees and awards received
- The student's photographic image independent of any additional personal identifiers

All other student data is protected. For more information, see <https://usf.app.box.com/v/usfregulation20021>.

Students may update their privacy setting in Archivum to limit the sharing of additional information, such as:

1. Include their information and other designated elements in the online student directory.
2. Release directory information about themselves to any third party.

Such updates must be made no later than the end of the second week of classes of the academic term or the student will be deemed to have waived their right of refusal until the next academic term. More information on Student Privacy Rights is available at <https://www.usf.edu/registrar/services/privacy.aspx>.

Student Information Changes

Notifications regarding changes to legal name, residency, and citizenship should be filed promptly using the appropriate form(s) accompanied by verifiable supporting legal documentation with the Office of the Registrar (<https://www.usf.edu/registrar/>). Change of local, permanent, and emergency contact addresses; preferred name; and other information included in the student's permanent academic record should be completed in Student Self-Service.

Preferred Name/Chosen Name

STUDENT REGISTRATION AND RECORDS

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Everyone has a name they prefer to be called, sometimes it's their legal name, but often it's not. With Policy 11-009, USF honors students' chosen, or preferred first names, where able. For more information on where a preferred name will display, please visit: <https://www.usf.edu/registrar/services/preferred-name.aspx>

Transcript Request

Transcripts may be released only by authorization of the student. For ordering options visit: <https://www.usf.edu/registrar/resources/transcript.aspx>. **NOTE:** All holds preventing release of a transcript must be resolved within 30 days of the request, or the order will be cancelled.

Academic Resources and Programs

Academic Advocacy

Academic Advocates are dedicated to serving undergraduate students in their pursuit of timely progression to graduation. We work individually with students in academic distress to review their options, and we collaborate with academic departments, colleges and university personnel to improve retention and progression to graduation. Undergraduate students identified as experiencing barriers to retention, progression, or graduation may receive direct outreach from an Academic Advocate to review their progress and to advise them towards graduation. Major advisors and university department staff can refer a student to an Academic Advocate when they perceive an academic barrier for that student.

Academic Success Centers

Learning support services are available to all USF students on all three campuses. Each campus has a dedicated center that offers a supportive environment conducive to helping students achieve their highest learning potential. All services are free to enrolled USF students.

STUDENT SERVICES AND RESOURCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

The Academic Success Center (Tampa Campus)

4202 E. Fowler Avenue, LIB 206

Tampa, FL 33620

(813) 974-2713

<https://www.usf.edu/undergrad/academic-success-center/index.aspx>

The Academic Success Center offers a range of options for subject-specific tutoring, a comprehensive Writing Studio, a Math Lab, and other learning support services in the form of workshops, courses for credit, and specialized program support for several student cohorts ranging from first-year access programs to graduate students.

SMART Lab (Tampa Campus)

4202 E. Fowler Avenue, LIB 232

Tampa, FL 33620

(813) 974-9944

smartlab@usf.edu

<https://www.usf.edu/undergrad/academic-success-center/smart-lab/>

The SMART Lab is an innovative learning environment dedicated to supporting students in introductory math courses through tutoring assistance and technology. In the 324-computer lab, students enrolled in SMART Lab courses use software to complete assignments at their own pace, receive instant feedback as they learn mathematics by doing, and get on-demand assistance from instructors, tutors or teaching assistants. Our goal is to help students build a foundation of study skills that will allow them to learn mathematics and progress towards becoming independent learners. To seek help in SMART Lab courses, complete lab work, or ask additional questions visit us during our hours of operation on the second floor of the Library, LIB 232.

Tutoring Hub (Tampa Campus)

University of South Florida

4202 E. Fowler Avenue, LIB 206

Tampa, FL 33620

(813) 974-2713

asctampa@usf.edu

<https://www.usf.edu/undergrad/academic-success-center/tutoring/>

The Tutoring Hub at the Academic Success Center offers USF students tutoring assistance in a wide variety of subjects. Help is available on a drop-in basis or via appointments in a collaborative peer-to-peer group setting. A list of the courses tutored can be found on our website (<https://www.usf.edu/undergrad/academic-success-center/tutoring/courses-tutored.aspx>).

The Writing Studio (Tampa Campus)

University of South Florida

4202 E. Fowler Avenue, LIB 233

Tampa, FL 33620

(813) 974-8293

<https://www.usf.edu/undergrad/academic-success-center/writing-studio/>

The Writing Studio encourages students to engage in writing as a recursive practice through sustained research, analysis, and reflection. The Studio's mission is to support USF students as they develop writing, reading, and critical thinking practices appropriate for their majors and future professions. The Studio is proud to serve writers at all levels of study, from all disciplines, and at all stages of the writing process. Our peer consultants are experienced undergraduate and graduate students and professional writers from a variety of disciplines. We offer face-to-face consultations as well as occasional workshops for campus partners. In keeping with best practices for Writing Studios, we do not provide copyediting services. Our approach emphasizes non-directive feedback, Socratic questioning, and active learning.

Debbie Nye Sembler Academic Student Success Center (St. Petersburg campus)

STUDENT SERVICES AND RESOURCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

140 7th Ave. S., DAV 107
St. Petersburg, FL 33701
(727) 873-4632

<https://www.stpetersburg.usf.edu/student-life/student-success-center/>

The Debbie Nye Sembler Academic Student Success Center (SSC) offers: subject-specific appointment and drop-in tutoring; Supplemental Instruction sessions for historically challenging courses like chemistry and psychological statistics; and writing consultations either face-to-face or through its online service. Each semester, the SSC also hosts a variety of workshops focused on key learning strategies and techniques.

The MathLab (St. Petersburg Campus)

140 7th Ave. S., HWH 232
St. Petersburg, FL 33701
(727) 873-4632

<https://www.stpetersburg.usf.edu/student-life/student-success-center/mathlab/>

Like the SMART Lab in Tampa, The MathLab also supports students in introductory math courses through tutoring assistance and technology. In the 30-computer lab located on the second floor of H. William Heller Hall, HWH 232, students enrolled in certain math courses, like College Algebra, use software to complete their homework and can get on-demand support from tutors or instructors. This lab also serves as the primary testing location for College Algebra, as well as the retest location for other introductory math courses.

Academic Success Center (Sarasota-Manatee Campus)

8350 N. Tamiami Trail, SMC B130
Sarasota, FL 34243
(941) 359-4342

<https://www.sarasotamanatee.usf.edu/academics/academic-resources/tutoring.aspx>

The Academic Success Center (ASC) provides academic support to students through subject tutoring, writing consultations, interactive workshops and resource materials. Tutoring is offered face-to-face, through small group sessions, or via online virtual sessions in select subjects and courses. Writing style guides for APA, MLA, Chicago style and other resources are also available to students.

Fishman Family Student-Athlete Enrichment Center (Tampa Campus)

12503 USF Bull Run Dr.
Tampa, FL 33617

<https://gousfbulls.com/sports/2020/3/23/academic-services.aspx>

Welcome to Academic Services and the Fishman Family Student-Athlete Enrichment Center (FFSAEC) at the University of South Florida in amazing Tampa Bay! USF Athletics, the Office of Undergraduate Studies (UGS) and the Academic Services unit are proud to serve and support our student-athletes as they work to achieve their academic, athletic and personal goals at USF. Our dedicated team of professional staff bring a wealth of experience and energy and are committed to providing a comprehensive array of support services and resources aimed at contributing to a first-class student-athlete experience. Collectively, we maintain an environment devoted to integrity and compliance and are holistically committed to USF Athletics' mission of winning in the *Classroom*, the *Community* and on the fields of Competition.

Conveniently located on the second floor of the Lee Roy Selmon Athletics Center in the Athletics District, The Fishman Family Student-Athlete Enrichment Center is the hub for our student-athlete support services. The Center houses staff and resources from Athletics Compliance, Student-Athlete Enhancement, Behavioral Health as well as Academic Services. The FFSAEC provides a safe, productive and supportive environment for learning, growth and

development as we prepare our student-athletes to be impactful citizens in the USF community and society at-large.

As our student-athletes continue to excel in all phases of their academic and athletic careers at USF, we look forward to continuing to encourage and support them in maximizing their experiences on campus and preparing them for their lives after sport. Once again, welcome and Horns Up!

Education Abroad

<https://www.usf.edu/world/education-abroad/>

Education Abroad offers a variety of study abroad opportunities for students and faculty around the world. Programs include: semester exchanges, dual degree programs, summer and short term programs, international internships, and service learning. Programs range from one week to one year and award academic credit. Education Abroad facilitates the incoming and outgoing exchange process and works closely with our international partner universities to develop new academic programming and exchanges.

The Education Abroad Office provides extensive planning assistance for both students and faculty program leaders, including pre-departure orientation sessions. The staff members have extensive experience in study abroad and are able to offer seasoned, insightful advising and information to anyone considering or planning a study abroad experience.

(813) 974-2742

<https://www.usf.edu/testing-services/>

Testing Services is an auxiliary unit within Innovative Education. It supports the university's strategic efforts to ensure student success and program innovation by administering entrance and placement, certification and licensure, distance learning and pre-employment exams for numerous agencies, businesses and institutions. Testing Services accommodates USF and non-USF customers, and delivers more than 1,000 exams per month. Students and professionals alike may take advantage of Testing Services' portfolio of exams.

Student Accessibility Services

<https://www.usf.edu/student-affairs/student-accessibility/>

In accordance with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and the ADA Amendments Act, USF is committed to providing reasonable accommodations to students with disabilities. Creating an accessible environment is a collaborative process that involves the office of Students with Accessibility Services, our students, and all faculty and staff. Students who utilize accommodations often share stories about their academic success and the positive impact of accommodations.

Office of Veteran Success

The Office of Veteran Success (OVS) mission is to provide a seamless transition for our nation's veterans from military life, through campus life into a meaningful career by providing high quality services and opportunities for academic success, personal growth, and professional development. The vision of OVS is to empower student veterans to achieve their definition of success beyond service. OVS serves the entire military-connected population across all three campuses in Tampa, St. Petersburg, and Sarasota-Manatee; student veterans, veteran dependents using GI Bill, active-duty service members, and members of the active Reserve and National Guard.

The Joint Military Leadership Center (JMLC), founded in 2004, plays a significant role in supporting the Army, Naval and Air Force ROTC programs at the University of South Florida. Through a variety of programs and initiatives, our ROTC graduates will gain a better understanding and appreciation for the capabilities, limitations and culture of each military service in addition to the challenges and value of joint and combined operations. As a result, these future military officers will be better prepared to serve in a joint, multi-national environment upon commissioning.

UGS-AskSSS@usf.edu

<https://www.usf.edu/undergrad/sss/index.aspx>

The Student Support Services Program (SSS) is a federally funded retention program designed for students who have been identified as having an academic need and either first generation college student, as having low-income family status, or both. Based on evidenced based research SSS is designed to significantly increase the retention and graduation rates of the participants it is funded to serve. We are committed to providing proactive, intrusive, comprehensive and innovative services to enhance our student's success at USF. SSS provides a plethora of services including individualized academic advising, counseling, coaching, SSS Summer Program, Living Learning Community, financial aid assistance, social and cultural enrichment programs, employment and workshops that broaden career perspectives, improve academic skills, promote self-confidence and address various non-cognitive factors.

Student Benefits

- The summer program is free to all students who complete a FAFSA and meet low-income requirements (tuition, housing, books, meals)
- Receive personalized academic advising and counseling
- Receive priority summer housing and participate in the SSS Living Learning Community
- Receive a head start on the fall curriculum
- Enhance study-skills and problem solving
- Explore career goals or major choice
- Discover the campus and the surrounding Tampa Bay area
- Make friends at the university

STUDENT SERVICES AND RESOURCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Contractual Agreement

Program participants are expected to abide by the SSS contractual agreement made upon their entrance to the institution. Following the guidelines has successfully benefited our students in that an average of 85-95% have remained in good academic standing each year.

As a student in our program, you are responsible to maintain contact with your SSS counselor, participate in student success workshops, become a member of the S Club, utilize the SSS computer lab, and participate in program events and activities.

USF Summer ACE Program

4202 E. Fowler Ave., SVC 2002
Tampa, FL 33620

<https://www.usf.edu/admissions/freshmen/summer-ace/index.aspx>

The Summer Academic and Cultural Engagement Program (ACE) is designed to facilitate a purposeful transition from high school to college for incoming first-year students. The ACE program offers specialized academics, community building, and campus engagement experiences.

As an ACE student at the University of South Florida, you will experience exclusive opportunities for cultural immersion and hands-on learning, which will prepare you for your USF journey by demonstrating skills and knowledge you can utilize throughout your college career!

Residential Learning

Living on campus involves much more than just a dorm room! The Academic Initiatives Team ensures that while living on campus students are focusing on academic engagement, interpersonal skills, global citizenship, and wellness. These goals are achieved through intentional conversations, passive activities, active programming, community gatherings, roommate agreements, and much more.

Tampa, FL 33612
(813) 974-4051

<https://www.usf.edu/undergrad/crop/index.aspx>

Success Is a Journey, Not a Destination!

College Reach-Out Program (CROP) is a statewide pre-college program established in 1983 designed to increase the number of students who successfully enter and complete a postsecondary institution. The program's primary objective is to strengthen the educational motivation and preparation of low-income and educationally disadvantaged students in grades 7 through 12, representing various cultural backgrounds, who "otherwise would be unlikely to seek admission to a community college, state university or independent post secondary institution without special support and recruitment efforts."

Upward Bound Program

(813) 974-4051

<https://www.usf.edu/undergrad/ub/>

STUDENT SERVICES AND RESOURCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

The University of South Florida Upward Bound Program (UBP) is a TRIO (<https://www2.ed.gov/programs/trioupbound/index.html>) college-access program funded by the United States Department of Education.

- The goal of UBP is to increase the rate at which participants complete secondary education and enroll in and graduate from institutions of post-secondary education.
- USF UBP serves Hillsborough County high school students living in low-income households or households in which neither parent holds a bachelor's degree (first-generation college students; <https://www.usf.edu/undergrad/ub/program-eligibility.aspx>).
- Services also include instruction, tutoring, counseling, mentoring, cultural enrichment, campus tours, and a college residential experience (<https://www.usf.edu/undergrad/ub/services.aspx>).

Office of Community Engagement and Partnerships (OCEP; Tampa Campus)

4202 E. Fowler Avenue, ALN 185
Tampa, FL 33620
(813) 974-6709
<https://www.usf.edu/engagement/>

At the Tampa campus Office of Community Engagement and Partnerships (OCEP), we work with faculty across disciplines to develop a range of community engaged learning (CEL) courses with real-world impact. Students are able to complement their classroom learning with experiential opportunities that provide valuable service to our local and global communities, and become better equipped to succeed.

Community Engaged Learning is considered a "high-impact practice" (HIP), or "an investment of time and energy over an extended period that has unusually positive effects on student engagement in educationally purposeful behavior" (Kuh 2010: vi). A HIP is effective with students because it allows students to interact with faculty and peers about substantive matters; increases the likelihood that students will experience diversity; provides frequent feedback about their performance; offers opportunities for students to see how what they are learning works in different settings, on and off campus; and bring students' values and beliefs into awareness, helping them to better understand themselves in relation to others and the larger world (Kuh 2008).

Center for Civic Engagement (St. Petersburg campus)

140 7th Avenue South
St. Petersburg, FL 33701
(727) 873-4773
<https://www.stpetersburg.usf.edu/student-life/center-for-civic-engagement/>

At the St. Petersburg campus Office of Civic Engagement, we use the Citizen Scholar Model. The objective of the Citizen Scholar Model is to combine academic instruction with implementation of concepts learned in the classroom into the local community. The local community is broadly defined to include business, educational, and social service agencies as well as local laboratories' faculty use to further their research agendas. We envision these types of experiential and community engaged learning opportunities will become a feature in every academic program.

Student Engagement

New Student and Family Experience

The USF New Student and Family Experience cultivates community and fosters a sense of belonging to aid a student's transition into our community. As students navigate their academic, social, institutional, and emotional adjustment to college, staff and student leaders, on all three campuses, are available to provide care, support, and guidance. Through institutional, community, and individualized offerings, students establish a connection to USF, participate in shared USF traditions, identify a support network, gain an understanding of tools and resources, and receive support to remove barriers to ensure their continued enrollment. Our units also provide families support throughout their student's time at USF. Staff are available to answer family questions, connect families to valuable

The Office of Student Engagement provides co-curricular experiences for students that encourage relationship building and personal and professional growth. The programs and services offered foster student development, enhance the overall educational experience, and prepare students to be contributing members of a diverse global society. Student Engagement accomplishes this by offering students the opportunity to participate in campus events and programs, join student organizations, become student leaders, and learn about campus traditions, such as Week of Welcome and Homecoming. Currently, there are over 30 active student organizations, and students are encouraged to get involved with any of these student clubs and organizations that the Sarasota-Manatee campus has to offer.

Faith-Based Organizations

The Religious and Spiritual Life at USF is a network of member faith communities committed to an agreed upon set of ethical standards. We provide access to programs, services, and activities that encourage a campus atmosphere of healthy religious and spiritual expression. This is accomplished through meetings, resources allocation, and collaboration between member organizations and the Division of Student Success.

For more information, visit <https://www.usf.edu/student-affairs/dean-of-students/resources/religious-and-spiritual-life.aspx>

Center for Student Involvement (Tampa Campus)

4202 E. Fowler Avenue, MSC 4100

Tampa, FL 33620

(813) 974-1001

<https://www.usf.edu/student-affairs/involvement/index.aspx>

At USF, there are so many ways that you can get involved with campus and the community while having fun and exploring your passions! Our office exists to not only coordinate many of these activities, but to help you find just the right ones for you. Stop by our office and we will point you in the right direction and/or explore the opportunities. Attend, volunteer, or plan – just get involved to make some of the best memories and friends of your college years!

Fraternity & Sorority Life

Being a member of a Greek lettered organization at the University of South Florida is a great opportunity to develop as a person and to enhance the collegiate experience. Through membership development programs that the office hosts to philanthropies created by each organization, members of the Greek community are exposed to multiple learning and growth opportunities. Being a member of a fraternity/sorority means joining an organization that is bigger than yourself where you learn about personal values and ethics and finding that organization that has the values and morals that align with your own. This aspect is something that is unique to a Greek Lettered organization and that no other student organization can offer to the average student.

Office of Multicultural Affairs

4202 E. Fowler Avenue, MSC 3300

Tampa, FL 33620

(813) 974-5111

sa-OMA@usf.edu

<https://www.usf.edu/student-affairs/multicultural-affairs/>

The Office of Multicultural Affairs coordinates educational, cultural, and social programs to foster experiences, which create interculturally mature global citizens who are prepared to thrive in diverse environments. While promoting intercultural dialogue, awareness, advocacy and respect for diversity, OMA helps students understand and appreciate a multitude of identities. Through programming, trainings, and direct connections with our staff and services, OMA creates an inclusive environment enabling students to become conscientious global citizens.

Student Government

Web: <https://www.usf.edu/student-affairs/student-government/>

Email: studentgovernment@usf.edu

USF Student Government Association (SG) is run by more than 150 students and advised by a group of full-time advisors across our three campuses. We are here for you—the students of USF—to serve your needs and be your voice. We welcome you to get involved with us either directly as a student employee, elected student official or volunteer, indirectly by attending the events we sponsor or fund through campus departments, and/or by using the various services and resources provided. For more detailed information, please visit our website.

Student Wellness and Recreation

Health and Wellness Centers

Wellness consists of different dimensions, such as emotional, environmental, intellectual, social and physical. When you take care of each one, you can be your best and excel in all areas of your life. Most students cite stress and anxiety as major challenges to achieving their goals. We have many resources to help you be well and excel on campus. Our services and resources are designed so you can start develop lifelong healthy habits that can have a positive impact on your college success.

Center for Student Well-Being (Tampa Campus)

4202 East Fowler Avenue, SVC 2127

Tampa, FL 33620

(813) 974-1818

www.usf.edu/student-affairs/wellbeing/

The Center for Student Well-Being aims to increase knowledge, awareness, and access to health and wellness resources in order to facilitate behavior change leading to academic and lifelong success. The Center for Student Well-Being offers both professional and peer-led presentations and outreach on a wide variety of college health topics including but not limited to: healthy routines, stress management, alcohol, and other substances, healthy relationships, sexual health, and disease prevention. The Center for Student Well-Being is also home to the REACH Peer Health Educators.

Students of Concern Assistance Team (SOCAT)

<https://www.usf.edu/student-affairs/student-outreach-support/socat/index.aspx>

The Students of Concern Assistance Team (SOCAT) is an interdisciplinary team, which reviews referrals for students whose behavior presents a disruption to campus or a concern for safety. SOCAT meets weekly, or as needed, to assess referrals, develop action plans, and monitor red flag behaviors across the campus community.

SOCAT is an interdisciplinary committee made up of representatives from across the USF community including the Dean of Students Office, Housing and Residential Education, University Police, Counseling Center, Student Rights and Responsibilities, Student Health Services, Undergraduate Studies and Graduate Studies. Additionally, we may consult with Students with Disability Services, Veteran Success, Center for Victim Advocacy, or other campus resources as needed.

The Center for Victim Advocacy provides free and confidential services to USF students, faculty, and staff. We serve any individual who has experienced crime, violence, or abuse on or off-campus, regardless of whether it happened recently or in the past.

Food Pantries

Feed-A-Bull Food Pantry (Tampa Campus)

4202 E. Fowler Avenue, SVC 0002

Tampa, FL 33620

(813) 974-5884

feedabull@usf.edu

<https://www.usf.edu/student-affairs/student-health-services/services/feed-a-bull-food-pantry.aspx>

Feed-A-Bull is the confidential Tampa campus food pantry available to enrolled USF students spearheaded by Student Health Services and Feeding America Tampa Bay. Feed-A-Bull was created to address food insecurity by providing supplemental food to enrolled students in need, as well as education and resources to students related to purchasing and preparing balanced food on a budget.

Support-A-Bull Market (St. Petersburg Campus)

140 7th Ave., S., SLC 1300A

St. Petersburg, FL 33701

(727) 873-4272

<https://www.stpetersburg.usf.edu/student-life/student-outreach-program/resources/food-pantry.aspx/>

Support-A-Bull Market is a USF St. Petersburg campus resource pantry. Started through support from student government and motivated to address concerns for students facing food security issues, this resource is available to all active USF students enrolled at the St. Petersburg campus free of charge.

Support-A-Bull Food Pantry (Sarasota-Manatee Campus)

8350 N. Tamiami Trail, C144

Sarasota, FL 34243

<https://www.sarasotamanatee.usf.edu/campus-life/support-a-bull-food-pantry.aspx>

Support-A-Bull Pantry is a USF Sarasota-Manatee campus food pantry supported by All Faiths Food Bank. The pantry is available to students currently enrolled on the USF Sarasota-Manatee campus to address food insecurity by providing supplemental food and toiletry items to students in need.

Student Ombuds Office

<https://www.usf.edu/student-ombuds>

The Student Ombuds Office provides confidential, impartial, informal and independent services to students with complaints or concerns about the university. The mission of the Student Ombuds Office is to facilitate fair and equitable resolution processes that promote student success. Each campus has an ombuds or an ombuds liaison. To schedule a meeting on any campus, please email ombuds@usf.edu.

Student Conduct and Ethical Development (SCED)

<https://www.usf.edu/student-affairs/student-conduct-ethical-development/index.aspx>

Student Conduct and Ethical Development (SCED) supports the goals, mission, values, and visions of the University of South Florida by promoting responsibility and adherence to the standards of behavior outlined in the Student Code of Conduct. SCED collaborates with the community to advocate for a safe environment that promotes personal accountability and supports student success. SCED facilitates educational opportunities through meaningful interactions with students to encourage their academic, emotional, and professional development. The goal of SCED is to create environments that empower students to engage as ethical citizens in a diverse global society.

Campus Recreation and Wellness

Recreation & Wellness Services Department (Tampa Campus)

4202 E. Fowler Avenue, REC 111

Tampa, FL 33620

(813) 974-7084

<https://www.usf.edu/student-affairs/campus-rec/index.aspx>

The University of South Florida Recreation & Wellness Department is home to three recreation facilities on the Tampa campus. There is a state-of-the-art fitness facility, located on the Tampa campus, which spans over 180,000 square feet. The Recreation & Wellness Center offers a wealth of space and activities including:

- Two Gymnasiums, with the ability to host Badminton, Basketball, and Volleyball Contests
- An indoor suspended track
- Five four-walled racquetball courts and one squash court
- An indoor heated pool
- Racquetball & Handball Courts
- Multipurpose Rooms
- Tennis Courts

In addition to the indoor facilities, the Recreation & Wellness Department also has the following facilities:

- The newest 2 story satellite fitness facility located in the Village housing area (The FIT)
 - Cardio, Strength & Conditioning Equipment & Outdoor heated pool
- The satellite fitness facility located in the USF Health area (The WELL)
 - Cardio, Strength & Conditioning Equipment & Group Fitness Studio

In addition, the Recreation & Wellness Department offers a variety of intramural sports, sport clubs, aquatic programming, adventure travel, an outdoor resource center, and a fitness program complete with daily group fitness classes. The Recreation Center also has an equipment check out service, daily use lockers, and expansive cardio and fitness floors with state of the art cardio and strength equipment.

The Recreation & Wellness Department also maintains outdoor facilities for use by USF students, faculty, staff, and other affiliate members. These facilities include 13 football and soccer fields, 2 softball fields, 16 tennis courts, a 1.2 mile shaded running trail, and USF Riverfront Park (located at 6550 E. Fletcher Ave.) Includes canoe/kayak/paddleboard rentals, picnic facilities, challenge course, disc golf, and sand volleyball.

Our goal is to provide members of the USF community the opportunity to become engaged in physical or leisure activities on the level they desire. Whether you are looking for a team sport, to explore the outdoors or to de-stress with a yoga class; we have it all for you.

We offer a variety of programs to meet your needs including Intramural Sport, Sport Clubs, Fitness, Outdoor Recreation and Aquatics. And, to help you stay active we have:

- Two outdoor basketball courts
- Two sand volleyball courts

STUDENT SERVICES AND RESOURCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- One multiuse recreation field
- A heated outdoor pool
- Several water vessels such as sailboats, kayaks, canoes and paddleboards

Further, our 9,000 square-foot Fitness Center facility is dedicated to providing fitness opportunities for all USF Students. The Fitness Center features two fitness studios, a designated cardio area, strength training equipment and free weights. The Campus Recreation Fitness Center is home to the Personal Training and Group Fitness programs. Recreational sports equipment is available for checkout to enhance your experiences at the outdoor courts and recreation field.

The Edge is a brand new facility designed as a welcoming, enjoyable and space place for students to spend leisure time. It is comprised of many multifunctional spaces such as the lounge and gaming area, which offers a variety of engaging options like video game consoles, foosball, billiards, darts and shuffle board. Students can mingle and relax on the West Deck overlooking the waterfront or take a break from studying to watch one of the multiple TV's in the lounge. Many events are hosted within the lounge and gaming areas, but the two multipurpose rooms provide additional space to meet student event needs. Students are also able to rent out a bike for the day through the Bike Share program which is housed out of the Edge.

Along our beautiful waterfront on the St. Petersburg campus, the Haney Landing Sailing Center houses our Outdoor Recreation program which offers canoes, kayaks, paddleboards, and sailboats on a drop-in basis and we are happy to teach students how to use all of the watercraft we offer for check out. We regularly offer sailing courses, keel boating courses, and powerboating courses. The boathouse also provides students with some comfortable beach furniture that can be found along the sea wall and on the beach. During the fall and spring, the Outdoor Recreation program offers an assortment of trips including snorkeling, sailing, fishing, climbing, hiking, and paddling.

General Education Information

TABLE OF CONTENTS

General Education Information 126

Overview 127

 State Required General Education 127

 USF's Enhanced Gen Ed..... 129

GENERAL EDUCATION INFORMATION

Overview

USF's General Education curriculum comprises 36 hours divided into 21 hours prescribed by the State of Florida and 15 hours defined by USF Faculty (referred to as Enhanced General Education).

Students must receive a minimum grade of C- in each course that is used to fulfill any requirement in the general education curriculum. S/U grades are not acceptable for general education courses. Those courses completed satisfactorily and applied to meet general education requirements must have an overall GPA of 2.0. Courses may be counted for both the major AND the General Education requirements.

All general education courses at USF incorporate critical and analytical thinking, problem solving, and written communication.

State Required General Education

The state requirements of USF's General Education comprise 15 hours from the state-mandated list and 6 hours from State Communication and State Computation graduation requirements.

State-mandated General Education Courses

For students entering the University as a first-time-in-college student beginning Fall term 2015, at least one (1) course must be taken from each of the general education subject areas listed below in this section. These courses comprise the general education core as required per section 1007.25(3), Florida Statutes and defined by Florida Board of Governors Regulation 8.005.

1. One of the following courses in Communication:
 - ENC X101 English Composition I;
or
 - A course with an ENC prefix for which ENCX101 is a direct prerequisite.
2. One of the following courses in Humanities:
 - ARH X000 Art Appreciation;
or
 - HUM X020 Introduction to Humanities;
or
 - LIT X000 Introduction to Literature;
or
 - MUL X010 Introduction to Music Literature/Music Appreciation;
or
 - PHI X010 Introduction to Philosophy;
or
 - THE X000 Theatre Appreciation.
3. One of the following courses in Mathematics:
 - MAC X105 College Algebra;
or
 - MAC X311 Calculus I;
or
 - MGF X106 Liberal Arts Mathematics I;
or
 - MGF X107 Liberal Arts Mathematics II;
or
 - STA X023 Statistical Methods;
or

GENERAL EDUCATION INFORMATION

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- A mathematics course for which one of the above general education core course options in mathematics is a direct prerequisite.
- 4. One of the following courses in Natural Sciences:
 - AST X002 Descriptive Astronomy;
or
 - BSC X005 General Biology;
or
 - BSC X010 General Biology I;
or
 - BSC X085 Anatomy and Physiology I;
or
 - CHM X020 Chemistry for Liberal Studies;
or
 - CHM X045 General Chemistry I;
or
 - ESC X000 Introduction to Earth Science;
or
 - EVR X001 Introduction to Environmental Science;
or
 - PHY X020 Fundamentals of Physics;
or
 - PHY X048 General Physics with Calculus;
or
 - PHY X053 General Physics I;
or
 - A natural science course for which one of the above general education core course options in natural science is a direct prerequisite.
- 5. One of the following courses in Social Sciences:
 - AMH X020 Introductory Survey Since 1877;
or
 - ANT X000 Introduction to Anthropology;
or
 - ECO X013 Macroeconomics;
or
 - POS X041 American Government;
or
 - PSY X012 Introduction to Psychology;
or
 - SYG X000 Principles of Sociology.

At USF, we use the following course attributes to distinguish the different requirements:

- SGEC - General Education Core Communication
- SGEH - General Education Core Humanities
- SGEM - General Education Core Mathematics
- SGEN - General Education Core Natural Sciences
- SGES - General Education Core Social Sciences

NOTE: Students who transfer into a state university or between state universities shall be required to meet the above general education core requirements if the students were classified as first-time-in-college at their original postsecondary institution Fall Term 2015 and thereafter. Any course accepted by an institution in the Florida College System or State University System as meeting the general education state-mandated core at that institution shall be

GENERAL EDUCATION INFORMATION

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

accepted as meeting the state-mandated core requirements at all institutions. All credit earned by other transfer students shall be evaluated by the receiving institution on a course-by-course basis to determine core equivalency. Credit earned through an acceleration mechanism in Section 1007.27, Florida Statutes and Board of Governors Regulation 6.006, will meet the related general education core course requirement.

State Required Communication

Besides the state-mandated Communication course (ENC 1101), students must also complete another 3 hours in English Composition coursework. At USF, this requirement is met with ENC 1102 English Composition II. Additionally, students must complete 6 semester hours of coursework in which they are required to demonstrate college-level English Language writing skills through multiple assignments. All Enhanced General Education courses (described below) meet this writing requirement.

At USF, we use the following course attributes to distinguish the different requirements:

- 6AC - State Communication Requirement
- TGEN - ENC 1102

NOTE: Students awarded college credit in English based on their demonstration of writing skills through dual enrollment, advanced placement, or international baccalaureate instruction shall be considered to have satisfied this requirement to the extent of the college credit awarded.

State Required Computation

Besides the state-mandated Mathematics course, and additional 3 hours of mathematics coursework at the level of college algebra or higher is required. Applied logic, statistics and other computation-based coursework that may not be offered by a mathematics department may be used to fulfill three (3) of the six (6) hours required by this section.

- 6AM - State Computation Requirement

NOTE: Students awarded college credit based on their demonstration of mathematics skills at the level of college algebra or higher through dual enrollment, advanced placement, or international baccalaureate instruction shall be considered to have satisfied this requirement to the extent of the college credit awarded.

USF's Enhanced Gen Ed

The remaining 15 hours of a student's required 36 general education hours are fulfilled by completing USF's Enhanced General Education curriculum, which was created to provide a more relevant, coherent, rigorous and student-centered curriculum for intentional learners. USF's Enhanced General Education program seeks to enhance skills most applicable in the 21st global community. Its design directly supports the University of South Florida's commitment to deliver a competitive undergraduate program that generates knowledge, fosters intellectual development, and ensures students success in a global environment. For more information, see <https://www.usf.edu/undergrad/general-education-council/enhanced-gened/index.aspx>.

A student is expected to take a minimum of three (3) credit hours in each of the following areas:

- Creative Thinking - Students will combine or synthesize existing ideas, images, or expertise in original ways.
 - TGEC - Creative Thinking
- Information & Data Literacy - Students will identify, locate, evaluate, and effectively and responsibly use and share information for the problems at hand.
 - TGEI - Information and Data Literacy
- Human & Cultural Diversity - Students will demonstrate an understanding of the diversity of human experiences.
 - TGED - Human & Cultural Diversity
- Ethical Reasoning & Civic Engagement - Students will participate in activities of personal and public concern while recognizing ethical issues and assessing their own ethical values.
 - TGEE - Ethical Reasoning & Civic Engagement

GENERAL EDUCATION INFORMATION

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- High Impact Practice - Students will synthesize connections among experiences outside of the formal classroom.
 - TGEH - High Impact Practice

High Impact Practices

The General Education courses in the High Impact Practice (TGEH) area are also distinguished by the type of High Impact Practice (HIP) they incorporate. Below is a list of the different types of HIP courses.

- INT - Internship
- CEL - Community Engaged Learning
- UGR - Undergraduate Research
- EDR - Education Abroad
- FST - Field Study
- CST - Capstone
- CLB - Collaborative Learning
- GCPC - Global Citizens Project

NOTE: Any course at USF can apply to be designated as including a HIP component. Only courses that also have the TGEH attribute will count for the Enhanced Gen Ed requirement.

GENERAL EDUCATION DIGITAL BADGE SERIES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

General Education Digital Badge Series

Overview

During the 2021 Florida Legislative Session, House Bill 1507 amended section (s.) 1007.25, Florida Statutes (F.S.), to require public postsecondary institutions to award students a nationally recognized digital badge upon completion of general education core courses that demonstrate career readiness, beginning with students who initially enter a postsecondary institution in fall 2022 for the 2022-2023 academic year.

What are Digital Badges?

Colleges and universities are working with employers to develop digital badges that highlight the skills students learn.

Digital badges allow you to showcase your achievements and the skills you've learned through related coursework. With a digital badge, you can...

- Highlight skills on your resume, college co-curricular transcript, job applications, social media, and more.
- Learn about competencies employers are looking for in your field.
- Identify open positions linked to the skills and competencies identified in the badges you have earned.
- Separate yourself from other candidates and applicants.

The best news - there is no additional cost to receive a general education badge! The digital badge is earned by completion of general education core courses, which are already built into associate in science, associate in arts and baccalaureate degree programs. Florida's 12 state universities and 28 state colleges will automatically award the badge upon completion of the required coursework. And because the badge will appear on your FASTER* transcript, it will be accepted by all institutions if you choose to transfer.

Fundamentals of Written Communication Badge

Florida public postsecondary institutions now offer students a Fundamentals of Written Communication digital badge. With this badge, you will be able to not only enhance your personal communication skills but also convey to future employers that you have acquired vital skills needed for professional success.

What is Effective Written Communication?

Effective written communication is the ability to communicate ideas, information, and perspective clearly, adapting a message to different audiences and situations, and using the appropriate style to convey meaning in various contexts.

Why is effective written communication important in the workplace?

- Enhances an employee's ability to interpret and evaluate a wide variety of written material
- Promotes research, critical thinking, and problem solving
- Advances the development of clearly written material relevant to the intent
- Enhances the use of appropriate language for an intended audience
- Increases the competent, effective, and responsible use of information

What are you learning by earning this badge?

By completing the college course associated with this badge, you will demonstrate information literacy, comprehension of written material, and conveying information in writing for a variety of rhetorical purposes and audiences.

Some of the learning outcomes associated with the college course that results in this badge include:

GENERAL EDUCATION DIGITAL BADGE SERIES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- Examining and analyzing written material
- Synthesizing information and ideas
- Developing content relevant to the purpose
- Demonstrating the ability to write to a specific audience
- Presenting a perspective informed by research and critical thinking
- Revising written communication based on feedback

How to Earn this Digital Badge?

1. Enroll in one of the following college courses: ENC X101 **OR** a course in which ENC X101 is a prerequisite.
2. Successfully complete the course with a grade of "C" or better.
3. Digital badge will automatically be awarded by the public institution where you complete the course and added to your FASTER* transcript.

*FASTER is the Florida Automated System for Transferring Educational Records.

Academic Credit Hour

Credit Hours - USF Policy 10-065

<https://usf.app.box.com/v/usfpolicy10-065>

PURPOSE & INTENT

Academic credit provides the basis for quantifying the amount of engaged learning time expected of a typical student enrolled in traditional classroom settings, laboratories, studios, internships and other forms of experiential learning, and distance and Correspondence Education.

This Policy is intended to ensure that all credit-bearing courses and programs offered by the University of South Florida (USF) meet the requirements of the Federal definition of a credit hour and the Credit Hours Policy Statement issued by the SACSCOC.

STATEMENT OF POLICY

Credit hours are a measure of learning, and support a wide range of activities, including the transfer of students from one institution to another, awarding financial aid, and credentialing for employment. Because of the significance of awarding credit hours, an institution is obligated to ensure that credit hours for courses and programs conform to the commonly accepted standards of higher education, as stated in the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) Policy Statement on Credit Hours and Principles of Accreditation 10.7 (Policies for Awarding Credit), 10.8 (Evaluating and Awarding Academic Credit), and 10.9 (Cooperative Academic Arrangements).

Federal Definition of a Student Credit Hour: A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates the following: (1) not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time, or (2) at least an equivalent amount of work as required in item (1) above for other academic activities as established by the institution including laboratory work, internships, cooperative education, practica, studio work, independent research, and other academic work leading to the award of credit hours.

Academic Load

The maximum load of an undergraduate student is 18 hours (Fall & Spring semesters) and 14 hours (Summer term), unless approval is received from the dean or an authorized representative of the student's college.

In the Fall or Spring semester, 12 hours is the minimum load for a student to be considered as full-time.

Full-time Undergraduate Student Definition - Summer term

- Sessions "A" & "B" (6 weeks)
- For Academic purposes: 6 hours or more each session
- For Financial Aid purposes: must enroll for 12 hours (undergraduate) in any combination of Sessions "A," "B," or "C"

Session "C" (10 weeks)

- For Academic purposes: 9 hours or more
- For Financial Aid purposes: must enroll for 12 hours (undergraduate) in any combination of Sessions "A," "B," or "C"

Students receiving Veterans' Affairs benefits should confirm their Summer term enrollment with the Office of Veterans' Services or Veterans' Coordinator.

GLOSSARY

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Undergraduates may not enroll in 6000-level courses or higher without approval of the college/department in which the course is offered.

Academic Major

Academic Curricular Offerings - USF Regulation 3.038

<https://usf.app.box.com/v/usfregulation3038>

A *major* represents a degree-seeking student's primary field of study and is often referred to as a "program of study." A major shall be reasonably associated with the academic discipline within the degree program under which it is offered and shall share common core courses with any other majors within the same degree program. The majors appears on the diploma and on the official transcript.

Academic Minor

Academic Curricular Offerings - USF Regulation 3.038

<https://usf.app.box.com/v/usfregulation3038>

An academic *minor* is an optional complement to a bachelor's degree in a particular field, leading to specific educational goals. A student may declare a minor at any point during the first term of enrollment and thereafter as a degree-seeking student, but is expected to declare it as early as possible but prior to applying for graduation. Students should obtain prior approval with the specific requirements and forms from the college and department in which the minor is offered. The department may require the same admission or retention standards as required for the major. Minors are recorded on the transcript.

Each academic minor conforms to these university requirements:

- A minor is a minimum of 12 semester hours.
- Students must complete a minimum of 6 credits (two courses) exclusive to the minor that will not count toward the student's major or other minors. These credits/courses must be completed at USF and must be upper-level courses.
- A minimum of fifty percent (50%) of the minor coursework must be completed in residence at USF.
- USF coursework for a minor must have a minimum GPA of 2.00; some minors have higher minimum GPA requirements.
- Only an undergraduate, degree-seeking student at USF is eligible for a minor.
- A minor can be applied for and awarded only in conjunction with applying for and receiving a baccalaureate degree.
- A maximum of 3 credits of S/U coursework may be counted toward the minor.

Academic Residency

Any credits transferred into the University of South Florida must be processed as transfer credits from an institution accredited by either the Higher Learning Commission, the Middle States Commission on Higher Education, the New England Commission of Higher Education, the Northwest Commission on Colleges and Universities, the Southern Association of Colleges and Schools Commission on Colleges, or the WASC Senior College and University Commission.

Candidates for graduation must have completed at least 30 hours of the last 60 hours of their undergraduate credits in courses offered by USF. Individual colleges and programs may have more stringent requirements, approved by the university, such as the number of specific courses in the major that must be completed. Exceptions to the above rules may be made for students who are enrolled at other universities in USF approved exchanges, study abroad programs or co-op training programs. CLEP credit does not count toward academic residence.

GLOSSARY

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Students must successfully complete at least 50 percent of the required courses in the major in courses offered by USF. In cases of hardship or lack of course availability, individual exceptions may be approved by the respective college Dean or designee to help ensure timely graduation.

Academic Standing

Undergraduate students are expected to maintain a 2.00 or higher cumulative USF grade point average (GPA). Students are in good standing if they meet the minimum GPA standards based on GPA hours. A student must be in good academic standing in order to graduate. A student must be in good academic standing in order to graduate.

Students on probation or suspension are not considered to be in good academic standing.

Canvas

Canvas is a learning management software that enables you to complete class assignments, read course documents, post discussions, communicate with classmates, and check your grades for each assignment, and access your email. Virtually all professors use Canvas as a way to communicate noteworthy information to their students. You can access Canvas through MyUSF.

Class Standing

The classification of a degree-seeking student is based upon the number of semester hours earned. A student's class is determined by the number of credits they have earned without relation to their GPA.

Unclassified	Non-degree-seeking student
First Year	0 through 29 semester hours passed
Second Year	30 through 59 semester hours passed
Third Year	60 through 89 semester hours passed
Fourth Year	90 or more semester hours passed; however, no baccalaureate degree earned at USF
Post Baccalaureate	Baccalaureate degree-holder working on a second undergraduate program or degree

Concentration

Academic Curricular Offerings - USF Regulation 3.038

<https://usf.app.box.com/v/usfregulation3038>

A *concentration* is a structured plan of study which is offered as part of a major and enhances or complements the degree to be awarded in a manner which leads to specific educational or occupational goals, and/or from different disciplines that provide an interdisciplinary focus.

The number of credit hours for a concentration varies, but cannot equal or exceed the number of credit hours established for the major at a degree level - i.e., the number of credit hours for a concentration must be a subset of the credit hours required for the major. The concentration appears on the official transcript.

Each undergraduate concentration conforms to these university requirements:

1. At least 50 percent of the required coursework must be earned from the USF institution awarding the concentration.
2. USF coursework for a concentration must have a minimum GPA of 2.00; some majors/concentrations have higher minimum GPA requirements.
3. Only an undergraduate, degree-seeking student at USF is eligible to pursue a concentration.

GLOSSARY

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

A concentration can be applied for and received only in conjunction with applying for and receiving a baccalaureate degree.

Continuous Enrollment

Continuous enrollment is defined as enrolling as a degree seeking student at least one term each twelve (12) month period. Therefore, students cannot choose a USF catalog published prior to or during an academic year in which they did not maintain continuous enrollment. Each catalog is considered to be published during the academic year printed on the title page.

If a student does not maintain continuous enrollment, the student becomes inactive and must reapply.

If the student cannot meet all of the graduation requirements specified in the catalog of their choice due to decisions and policy changes by the university, course offerings, etc., appropriate substitutions will be determined by the department chairperson of the student's major.

USF's policies are subject to change and apply to all students regardless of their choice of catalog. If the student's graduation requirements are affected by changes in university policies, appropriate arrangements will be made to not penalize the student.

Course Requisites

A *prerequisite* is a course in which credit must be earned prior to enrollment in another course. A *corequisite* is a course that must be taken concurrently with another course. A *co-prerequisite* may be taken either prior to or at the same time (concurrently) as another course.

It is the student's responsibility to review prerequisite and co-requisite information as stated in the course description. Transient and Visiting Students should follow these outlined steps to receive permission to register for a course with requisites. All other non-degree students should contact the academic department for permission to enter any course that requires a prerequisite or co-requisite. USF reserves the right to drop a student who does not meet the course requisites from the appropriate course(s). A student whose registration is cancelled will receive an email notification from the Office of the Registrar to the student's USF email account.

Degree Program

Authorization of New Academic Degree Programs and Other Curricular Offerings - Florida Board Of Governors Regulation 8.011

https://www.flbog.edu/wp-content/uploads/2022/06/Regulation-8.011_Final_Amended.pdf

A *degree program* is an organized curriculum leading to a degree in an area of study recognized as an academic discipline by the higher education community, as demonstrated by the assignment of a Classification of Instructional Programs (CIP) code by the National Center for Educational Statistics (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>) or as demonstrated by the existence of similar degree programs at other colleges and universities.

Each degree program shall have designated faculty effort and instructional resources and shall be assigned a CIP code and included in the State University System Academic Degree Program Inventory. Each degree program shall include at least one program major but may have multiple majors.

Degree Works Academic Audit

Degree Works is a web-based degree audit and tracking system helping students and academic advisors monitor progress toward degree completion. It provides academic information related to degree progress and displaying courses required and completed in the student's degree program. Access Degree Works using the student's activated USF NetID.

GLOSSARY

Double Major

Students pursuing a double major are receiving only one degree (e.g., Bachelor of Arts) but are completing requirements for two majors. For example, a student may be earning one Bachelors of Arts degree with majors in Anthropology and History. Students wishing to pursue a double major must work with their advisor to ensure they can finish both majors in time and that both majors are declared and tracked appropriately.

Dual Degrees

Students pursuing dual degrees are receiving two degrees (e.g., a Bachelor of Arts and a Bachelor of Science or two Bachelor of Arts degrees). They must complete at least 150 credits (120 credits for the first degree and at least 30 additional credits for the second degree). For example, a student may be earning a Bachelors of Arts degree in Anthropology and a Bachelors of Science degree in Biology. Students wishing to pursue dual degrees must work with their advisor to ensure they can finish both degrees in time and that both degrees are declared and tracked appropriately.

Grade Point Average

The university uses the quality points in the Grading System. The grade point average (GPA) is computed by dividing the total number of quality points by the total hours attempted at USF. The total quality points are calculated by multiplying the number of credits assigned to each course by the quality point value of the grade given. Credit hours for courses with grades of "I, IU, M, N, NC, NG, NR, R, S, U, W, WC, WE, Z" and courses that have a repeat indicator of "E" on the academic transcript are subtracted from the total hours attempted before the GPA is calculated.

Credit hours for repeated USF coursework will be awarded only once per course unless the course is an university-approved repeatable course. "D, F, FF, IF and MF" grades, however, for repeated USF coursework will be counted in the computation of the student's GPA as many times as those grades for that course are recorded. If a student originally earns a "C" or higher in a course that may not be repeated for additional credit, and then earns a "C" or higher on a subsequent enrollment, the new grade is not computed in the GPA unless Grade Forgiveness is applied.

Grading System

USF faculty may use a plus/minus grading system to assign student grades. The use of the plus/minus grading system is at the discretion of the individual faculty member.

A student's measure of academic achievement is recorded on the academic record based on the following grading system:

Plus/Minus Grades	Quality Points
A+	4.00
A Excellent performance	4.00
A-	3.67
B+	3.33
B Good performance	3.00
B-	2.67
C+	2.33
C Average performance	2.00

GLOSSARY

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

C-	1.67
D+	1.33
D Poor performance	1.00
D-	0.67
F	0.00
FF Failure/academic dishonesty	0.00
IF Incomplete grade changed to failure	0.00

Grades not factored into GPA	Explanation
I	Incomplete
IU	Incomplete grade changed to unsatisfactory
M	No grade submitted by instructor
N	Audit
NC	Not counted transfer coursework
NG	No grade equivalent for transfer coursework
NR	Missing grade that is not resolvable
R	Repeat transfer coursework
S	Satisfactory (Pass)
T	Graduate transfer coursework
U	Unsatisfactory (Fail)
W	Withdrawal from course
WC	Withdrawal for extenuating circumstances
WE	Withdrawal in exceptional circumstances
Z	Continuing registration

Note: The grade of "C-" will satisfy specified minimum requirements for the State Mandated Communication and Computation Requirements courses, General Education, and the common prerequisites unless otherwise specified in the Catalog.

MyUSF

GLOSSARY

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

USF's Portal (<https://my.usf.edu/Pages/Home.aspx>). MyUSF is the window to all of your technology needs including access to Canvas and Student Self-Service.

NetID and USF E-mail Address

Almost all online activity at USF including MyUSF, Canvas and student email requires your USF NetID. Create a student NetID to activate your official USF student email account via MyUSF.

Network Access

Before you begin using the USF network, your computer or mobile device must be registered. Once registered, you are able to surf the USF network. The following items are needed:

- A valid USF email address
- Computer's network adapter address (also known as physical address or mac address)
- A non-USF email address
- A valid phone number

For any university technology questions or concerns, contact the Information Technology Help Desk (<https://www.usf.edu/it/services/client-support>) at (813) 974-1222.

Second Baccalaureate Degree/ Post-baccalaureate Degree

A student who has already graduated from an accredited four-year institution (including the University of South Florida) **must earn a minimum of an additional 30 semester hours of USF undergraduate courses** to apply toward their second baccalaureate degree. Students must also meet the university's regular graduation requirements, as well as the requirements of the college awarding the degree and the residency requirements. Students should meet with their Academic Advisor to review graduation requirements (<https://www.usf.edu/undergrad/students/advising-offices.aspx>).

Semester System

USF operates on a semester system. Fall semester begins in August and Spring semester begins in January. Summer sessions begin in May and July. See the Important Dates & Deadlines at <https://www.usf.edu/registrar/calendars/index.aspx>.

College of Behavioral and Community Sciences

13301 Bruce B. Downs Blvd, MHC 1110
Tampa, FL 33620
(813) 974-4602
<http://www.usf.edu/cbcs/>

Physical Location: MHC is located near East Fletcher Avenue and Bruce B. Downs Blvd. on the north-west corner of the USF campus. The main entrance is at USF Holly Drive.

About the College

Established in 2008, the College of Behavioral & Community Sciences is breaking new ground by combining knowledge gained through the behavioral sciences with knowledge gained from the community. Our emphasis on Behavioral Science reflects a focus on individuals, emphasizing behavioral research that examines the problems and challenges people encounter, as well as their need for clinical and supportive services. Our emphasis on Community Science reflects our commitment to understanding the larger contextual factors that have an impact on the well-being and safety of individuals and their families, such as the effectiveness of systems and policies that impact and support the well-being of individuals. We accomplish this by engaging community and neighborhood stakeholders in a partnered, participatory manner and by collaborating with local, state, and national organizations in both the public and private sectors.

The College of Behavioral & Community Sciences serves approximately 3,000 students with eight (8) undergraduate, (11) eleven master's, and seven (7) doctoral programs housed in six (6) academic departments/schools. The College is the home of the Louis de la Parte Florida Mental Health Institute, one of the largest behavioral health research and training institutes in the country as well as 17 specialized Research Centers and Institutes. Our aim is nothing less than to be among the most influential resources for behavioral and community sciences in the region, nation, and world

Mission, Vision, Values

Mission

To advance knowledge through interdisciplinary teaching, research, and service that improves the capacity of individuals, families, and diverse communities to promote productive, satisfying, healthy, and safe lives across the lifespan.

Vision

The College of Behavioral and Community Sciences envisions the college as a globally recognized leader that creates innovative solutions to the complex conditions that affect the behavior and well-being of individuals, families, and diverse communities.

Values

Inclusion and diversity in all its dimensions are core values that permeate the teaching, research, and service activities of College of Behavioral and Community Sciences. As members of the higher education community, the College of Behavioral and Community Sciences values shared governance, academic freedom, and professional responsibility.

PRINCIPLES THAT GUIDE OUR WORK

In implementing our work, College of Behavioral and Community Sciences strives to incorporate Interdisciplinary approaches to teaching, research, and service; engagement with community partners; and student participation in research, service, and global initiatives.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

College-Level Requirements

Entrance Requirement to Declare a Major in the College of Behavioral and Community Sciences Students must have a minimum 2.00 cumulative grade point average in any previously attempted USF/overall college-level coursework prior to declaring a major in the College of Behavioral and Community Sciences. Exceptions will be considered on an individual basis, with departmental approval required, by the CBCS Academic Regulations Committee.

Major Residency Requirement

College of Behavioral and Community Sciences students are expected to complete a minimum of 50% of their major and/or minor coursework in residence at USF. Some College of Behavioral and Community Sciences Departments/programs/majors have established additional major course hours to be taken in residency at USF. See the major or program section of the catalog for these credit-hour requirements.

Other Information - Departmental Minor

Students may not use courses in the major for the minor, unless approved by the department offering the minor.

Graduation Requirements

EACH STUDENT IS RESPONSIBLE FOR MEETING GRADUATION REQUIREMENTS AS FOLLOWS:

1. Complete at least 120 accepted semester hours with a minimum USF cumulative Grade Point Average (GPA) and overall GPA of 2.00. All grades including "D"s and "F"s are used to calculate USF, overall, and major GPAs for students in the College of Behavioral and Community Sciences.
2. Maintain major GPA of 2.00 in USF coursework.
3. Complete the Foreign Language Entrance Requirement. Students pursuing a B.A. degree must also complete the Foreign Language Exit Requirement.
4. Satisfy the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math). Transfer students who enter USF with 60 or more semester hours from an institution accredited by either the Higher Learning Commission, the Middle States Commission on Higher Education, the New England Commission of Higher Education, the Northwest Commission on Colleges and Universities, the Southern Association of Colleges and Schools Commission on Colleges, or the WASC Senior College and University Commission are considered to have met the communication portion of this Regulation.
5. Complete 36 hours of General Education State Core courses and Enhanced General Education Curriculum (for more information, see section titled "Enhanced General Education" in Academic Policies and Procedures section).
6. Complete at least 9 semester hours at a Florida public university in the Florida State University System during summer terms if entering USF with fewer than 60 semester hours.
7. Complete all major course requirements.
8. Thirty (30) of the last 60 semester hours must be completed at USF to fulfill the residency requirement.
9. When double majoring, a maximum of 2 courses or 8 hours may be used to satisfy requirements between majors. Students should check with the advisors in both departments when pursuing more than one degree.
10. S/U contracts must be negotiated in writing within the first three (3) weeks of the term. No credits may be taken S/U in the student's major unless S/U is the only grading option. Coursework fulfilling the State Communication Requirement (formerly known as Gordon Rule Writing) and State Computation Requirement (formerly known as Gordon Rule Math) may not be taken S/U.
11. The Audit option is available only during the first 5 (five) days of classes.
12. Complete Civics Literacy requirement.
13. Complete a minimum of 42 hours of upper-level courses (numbered 3000 or above).

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

14. Students must apply for graduation by the end of the fourth week of their final semester (See Registrar's calendar for exact dates.). For late application information, please refer to the Application for Graduation section of the Academic Policy and Procedures division of the catalog.

Global Pathways

<http://www.usf.edu/gcp/students/index.aspx>

A Global Pathway is an undergraduate major or degree program that has significant global content. Global Pathways provide students with the opportunity to practice and apply global competencies through the major or degree program. The following programs are designated as Global Pathway Programs:

Communication Sciences & Disorders

<https://www.usf.edu/cbcs/csd/>

Social Work

<https://www.usf.edu/cbcs/social-work/>

Certificates

Undergraduate Research in Behavioral & Community Sciences Certificate

The Undergraduate Research Certificate provides students with a planned sequence of courses to support their systematic development as undergraduate researchers and prepare them for graduate school. The Undergraduate Research Certificate is a cross-departmental initiative within the College of Behavioral & Community Sciences. See the College of Behavioral & Community Sciences website for more information, and the catalog for course schema.

Addictions and Substance Abuse Profession Certificate

For more information see the course schema.

Undergraduate Advising Information

Please visit the College of Behavioral and Community Sciences website for advisor information at <http://www.usf.edu/cbcs/undergraduate/advising.aspx>.

To schedule an advising appointment:

- Prospective or current students with an active UID can schedule an appointment online via Archivum or the Behavioral & Community Sciences advising website.
- Prospective students who have not yet applied or students who are inactive (e.g., dismissed or not enrolled for 3 consecutive terms) should contact the appropriate advising location in their intended major:
<https://www.usf.edu/undergrad/students/advising.aspx>

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

UNDERGRADUATE RESEARCH IN BEHAVIORAL & COMMUNITY SCIENCES CERTIFICATE

TOTAL CERTIFICATE HOURS: 13

The Undergraduate Research certificate is designed for students interested in attending graduate school or pursuing research careers. Students complete a systematic undergraduate research preparation program consisting of a minimum of 13 hours of coursework, many of which will count toward their general education requirements or requirements for their major.

CERTIFICATE REQUIREMENTS

CERTIFICATE CORE (13 CREDIT HOURS)

- IDS 1505 - Introduction to Research in Behavioral and Community Sciences **Credit(s): 2**
- IDS 2600 - Applications of Research in Community Settings **Credit(s): 1**
- **Advanced Research Course (MHS 4741 or MHS 4731)**
- STA 2122 - Social Science Statistics **Credit(s): 3** (or approved Statistics course)
- **Research Methods Course (PSY 3213; CCJ 3701; GEY 4401; SOW 3401; MHS 3753 or equivalent)**
- **Directed Research or Thesis**

GPA REQUIREMENTS

An overall USF GPA of at least 2.0 must be maintained.

RESIDENCY REQUIREMENTS

Students must complete 50% of the minor requirements at USF.

OTHER INFORMATION

This certificate can be completed online.

ADVISING INFORMATION

For questions about the minor, please email bhcadvise@usf.edu.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

SCHOOL OF AGING STUDIES

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

AGING SCIENCES B.S. TOTAL DEGREE HOURS: 120

The Bachelor of Science degree in Aging Sciences entails 36 credit hours of required coursework. In this program, the course of study provides students with an education in aging sciences and some exposure to the various career opportunities in the field of aging. This degree is especially appropriate for students who plan to pursue graduate or professional work in aging, allied health or a related field, or who plan to work with older adults in careers such as care management, social services, or program development.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

REQUIRED COURSES: (42 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - AGING SCIENCES B.S. (3 CREDIT HOURS)

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- STA X122 Social Science Statistics **OR** QMB X150 **OR** STA X014 **OR** STA X023 **OR** STA X024 **OR** QMB X100 - 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

STATE MATHEMATICS PATHWAY – AGING SCIENCES B.S. (6 CREDIT HOURS)

The Aging Sciences B.A. uses the Statistical Reasoning Mathematics Pathway with the following requirements:

- STA 2023 - Introductory Statistics I **Credit(s): 3****
- Three (3) credits in any other math course for which STA 2023 is a prerequisite or any additional math necessary for the degree

** STA X122, QMB X150, STA X014, STA X023, STA X024, or QMB X100 taken for state common prerequisites can meet this statistics requirement.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

- GEY 2000 - Introduction to Aging Sciences **Credit(s): 3**
- GEY 3601 - Physical Changes and Aging **Credit(s): 3**
- GEY 4401 - Research Methods in Aging **Credit(s): 3**
- GEY 4612 - Psychology of Aging **Credit(s): 3**
- GEY 4628 - Health, Ethnicity, and Aging **Credit(s): 3**
- GEY 4641 - Death and Dying **Credit(s): 3**

REQUIRED CAPSTONE COURSE; 1 COURSE; 3 CREDIT HOURS

Students will choose one.

Note: These courses are School capstone experience courses and do not qualify to meet the General Education requirement.

- GEY 4945 - Internship **Credit(s): 3-9** (Should be taken for 3 credits)
- GEY 4690 - Senior Seminar in Aging **Credit(s): 3**
- GEY 4917 - Directed Research in Aging **Credit(s): 1-4** (Should be taken for 3 credits)

MAJOR (RESTRICTED) ELECTIVES: 5 COURSES; 15 CREDIT HOURS

B.S. students complete 15 additional elective hours. Students should meet frequently with the departmental advisor to plan courses that will prepare them for their career goals.

- DEP 2004 - The Life Cycle **Credit(s): 3**
- GEY 3503 - Administration of Assisted Living Facilities **Credit(s): 3**
- GEY 3625 - Sociological Aspects of Aging **Credit(s): 3**
- GEY 4102 - Aging in Modern Literature and Film **Credit(s): 3**
- GEY 4322 - Care Management for Older Adults **Credit(s): 3**
- GEY 4360 - Counseling for Older Adults **Credit(s): 3**
- GEY 4475 - Program Evaluation in the Health Care System **Credit(s): 3**
- GEY 4507 - Understanding Policies and Practices of the Health Care System **Credit(s): 3**
- GEY 4520 - Legal Aspects of Health Care Administration **Credit(s): 3**
- GEY 4608 - Alzheimer's Disease Management **Credit(s): 3**
- GEY 4632 - Economics of Aging **Credit(s): 3**
- GEY 4635 - Business Management and the Longevity Economy **Credit(s): 3**
- GEY 4900 - Directed Readings in Aging **Credit(s): 1-3**

ADDITIONAL INFORMATION - AGING SCIENCES B.S.

GRADING REQUIREMENTS

A grade of lower than "C-" in Aging Sciences courses will not be counted toward fulfilling the requirements for the major.

INTERNSHIP OPPORTUNITIES

Students who have completed a major portion (usually in the final 2 semesters of the program) of the Aging Sciences program of study may opt to apply for an internship to fulfill the major capstone requirement required for graduation.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Internships are selective and awarded to students who demonstrate considerable professional readiness and have developed well-defined professional goals that will be enriched and advanced through an internship. Internships are typically worth 3 credit hours.

RESEARCH OPPORTUNITIES - AGING SCIENCES B.S.

All undergraduate students in any degree program can participate in undergraduate research. There are a number of options to receive academic credit for a mentored research experience and to have the experience show on the official transcript. Students who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 2912, IDS 4914 or IDS 4910 courses. These courses will not impact degree credits or GPA but will show on an official transcript to document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) will assist students in understanding the various course options.

ADVISING INFORMATION - AGING SCIENCES B.S.

Contact the undergraduate advisor as early as possible in your career at the University of South Florida. Students should plan to meet frequently with the advisor to plan courses and internship that will prepare the student for career goals.

Undergraduate Advisor: Lu Norstrand at lubai@usf.edu.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

HEALTH CARE ADMINISTRATION B.S. TOTAL DEGREE HOURS: 120

The Bachelor of Science Degree in Health Care Administration provides students with a basic education in gerontology and the business and administrative aspects of the health care industry. This program is especially appropriate for students who intend to enter the health care industry immediately following graduation. Students may choose an area of specialization to suit their career interests. This would include preparing students to sit for the state licensing examinations to become Assisted Living or Nursing Home Administrators.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

REQUIRED COURSES: (63 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - HEALTH CARE ADMINISTRATION B.S. (15 CREDIT HOURS)

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- ACG X021 **OR** ACG X024 **OR** (ACG X001 **AND** ACG X011) - 3-6 credit hours
- ACG X071 **OR** ACG X301 - 3 credit hours
- ECO X023 - 3 credit hours
- CGS X061 **OR** CGS X100 **OR** ISM X000 - 3-4 credit hours
- STA X023 - 3 credit hours

STATE MATHEMATICS PATHWAY – HEALTH CARE ADMINISTRATION B.S. (6 CREDIT HOURS)*

The Health Care Administration B.S. uses the Statistical Reasoning Mathematics Pathway with the following requirements:

- STA 2023 - Introductory Statistics I **Credit(s): 3**
- Three (3) credits in any other mathematics course for which STA 2023 is a prerequisite or any additional math course necessary for the degree

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

* Mathematics Pathway courses count towards the State Common Prerequisite math courses and are not additional credits.

SUPPORTING REQUIRED COURSES: 2 COURSES; 6 CREDIT HOURS

The following courses are supporting courses for this major. The degree will not be awarded if these courses have not been taken by the end of the student's final semester.

- GEY 2000 - Introduction to Aging Sciences **Credit(s): 3**
OR GEY 3601 - Physical Changes and Aging Credit(s): 3
- MAN 3025 - Principles of Management **Credit(s): 3**

MAJOR CORE COURSES: 13 COURSES; 39 CREDIT HOURS

- GEY 4322 - Care Management for Older Adults **Credit(s): 3**
OR GEY 4608 - Alzheimer's Disease Management Credit(s): 3
- GEY 4475 - Program Evaluation in the Health Care System **Credit(s): 3**
- GEY 4507 - Understanding Policies and Practices of the Health Care System **Credit(s): 3**
OR GEY 4520 - Legal Aspects of Health Care Administration Credit(s): 3
- GEY 4508 - Health Care Operations **Credit(s): 3**
- GEY 4509 - Regulatory and Clinical Operations **Credit(s): 3**
- GEY 4635 - Business Management and the Longevity Economy **Credit(s): 3**
- GEY 4945 - Internship **Credit(s): 3-9** (Should be taken for 9 credits) *
- HSA 3170 - Healthcare Finance **Credit(s): 3**
- HSC 4630 - Understanding U.S. Health Care **Credit(s): 3**
- ISM 3011 - AI and Analytics for Organizations **Credit(s): 3**
- MAN 3301 - Human Resource Management **Credit(s): 3**

* Under certain circumstances, students may be able to substitute 3 undergraduate classes (9 credit hours) to replace the Internship with permission from the Undergraduate Director.

ADDITIONAL INFORMATION - HEALTH CARE ADMINISTRATION B.S.

GRADING REQUIREMENT

A grade of lower than "C-" in major core courses will not be counted toward fulfilling the requirements for the major.

INTERNSHIP OPPORTUNITIES

A full-time (650 hours) internship is available for students completing the Bachelor of Science Degree in Health Care Administration. The internship, scheduled after successful completion of all major prerequisites and all but one of the required courses, is intended to prepare students for entry-level positions in nursing home administration. Students should expect to meet with the advisor the semester prior to the internship in preparation of their internship experience.

NOTE: a Level 2 background check is required for most Internships, possibly at the student's expense.

OTHER INFORMATION

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Students who do not wish to complete the full-time internship (GEY 4945) will need to choose 3 undergraduate courses (9 credit hours) of electives. Students will need to receive permission from the Undergraduate Director and meet with the Academic Advisor to decide which classes best fit their goals, at least a semester in advance.

RESEARCH OPPORTUNITIES - HEALTH CARE ADMINISTRATION B.S.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

AGING SCIENCES MINOR

An undergraduate minor is available for students interested in pursuing careers in aging in conjunction with any undergraduate major. It may be particularly beneficial to students majoring in such disciplines as anthropology, business, communication sciences and disorders, government and international affairs, nursing, psychology, public health, health care, social work, and sociology.

MINOR REQUIREMENTS

The minor in Aging Sciences consists of a minimum of five (5) courses (15 credit hours).

TOTAL MINOR CREDIT HOURS: 15

MINOR CORE CREDIT HOURS: 9

- GEY 3601 - Physical Changes and Aging **Credit(s): 3**
- GEY 3625 - Sociological Aspects of Aging **Credit(s): 3**
- GEY 4612 - Psychology of Aging **Credit(s): 3**

MINOR ELECTIVE HOURS: 6

Six (6) additional credit hours of GEY coursework.

- GEY 2000 - Introduction to Aging Sciences **Credit(s): 3**
- GEY 4401 - Research Methods in Aging **Credit(s): 3**
- GEY 4628 - Health, Ethnicity, and Aging **Credit(s): 3**
- GEY 4641 - Death and Dying **Credit(s): 3**
- GEY 3503 - Administration of Assisted Living Facilities **Credit(s): 3**
- GEY 4692 - Professional Development and Engagement in Aging **Credit(s): 3**
- GEY 4102 - Aging in Modern Literature and Film **Credit(s): 3**
- GEY 4322 - Care Management for Older Adults **Credit(s): 3**
- GEY 4507 - Understanding Policies and Practices of the Health Care System **Credit(s): 3**
- GEY 4360 - Counseling for Older Adults **Credit(s): 3**
- GEY 4475 - Program Evaluation in the Health Care System **Credit(s): 3**
- GEY 4520 - Legal Aspects of Health Care Administration **Credit(s): 3**
- GEY 4647 - Ethical and Legal Issues in Aging **Credit(s): 3**
- GEY 4690 - Senior Seminar in Aging **Credit(s): 3**
- GEY 4900 - Directed Readings in Aging **Credit(s): 1-3**
- GEY 4917 - Directed Research in Aging **Credit(s): 1-4**
- GEY 4608 - Alzheimer's Disease Management **Credit(s): 3**
- GEY 4635 - Business Management and the Longevity Economy **Credit(s): 3**

GPA REQUIREMENTS

A minimum overall 2.0 GPA in minor coursework.

GRADING REQUIREMENTS

A grade of C- or lower in any Aging Sciences courses will not be counted toward the minor.

A maximum of 3 credits of S/U coursework may be counted toward the minor.

ADVISING INFORMATION

Students are strongly encouraged to meet each semester with the departmental advisor to plan courses that align with career goals.

Undergraduate Advisor: Lucy Norstrand at lubai@usf.edu.

RESIDENCY REQUIREMENTS

Fifty percent (50%) of the minor must be completed through USF coursework.

ADDICTIONS STUDIES MINOR

TOTAL MINOR HOURS: 18

The Addictions Studies minor is for students seeking knowledge and skills in the field of addiction treatment and is especially valuable for those seeking state level Certification as an Addictions Professional or those seeking to prepare for a graduate program in Counseling. The Addictions Studies minor is open to all students. The minor will provide students with the skills to successfully enter the field of addictions counseling and work towards state level certification.

MINOR REQUIREMENTS (18 HOURS)

- RCS 4051 - Addictions Counseling and Coordination of Services **Credit(s): 3**
- RCS 4502 - Group Counseling for Addictive Disorders **Credit(s): 3**
- RCS 4503 - Addiction Treatment with Special Populations **Credit(s): 3**
or
- MHS 4455 - Drug Abuse Prevention and Treatment **Credit(s): 3**
- RCS 4504 - Therapeutic Communication Skills for Addiction Counseling **Credit(s): 3**
- RCS 4452 - Introduction to Assessment and Treatment Approaches for Addictive Disorders **Credit(s): 3**
- RCS 4453 - Overview of Addictive Disorders **Credit(s): 3**
or
- MHS 4453 - Applied Psychopharmacology in Drug Abuse and Dependency **Credit(s): 3**

GRADING REQUIREMENTS

- A grade of B- or higher is required in every course in the minor.
- If a student gets a grade lower than a B- in a course, the student must retake that course to stay in the minor.

RESIDENCY REQUIREMENT

Fifty percent (50%) of the minor must be completed through USF coursework.

ADVISING INFORMATION

Students may contact department for general questions at 813-974-2855 or vbuckles@usf.edu.

ADDICTIONS AND SUBSTANCE ABUSE PROFESSION CERTIFICATE

TOTAL CERTIFICATE HOURS: 15

The Addictions and Substance Abuse Certificate is designed for students interested in pursuing a career working in the addiction and substance abuse field. Completion of the certificate program meets partial requirement for state certification as an addiction professional (CAP). According to the Florida Certification Board, the CAP designation is a professional substance abuse credential for people who assess, develop and provide substance abuse treatment services and plans. Individuals holding the CAP are recognized/hold the practice rights of "qualified professionals" per Chapter 397, F.S. Therefore, this credential will allow students to practice in substance abuse field. This certificate program is beneficial to persons in sociology, social work, psychology, criminology, pre-med, nursing, and any closely related human service field.

CERTIFICATE REQUIREMENTS

CERTIFICATE CORE (15 CREDIT HOURS)

- RCS 4504 - Therapeutic Communication Skills for Addiction Counseling **Credit(s): 3**
- RCS 4452 - Introduction to Assessment and Treatment Approaches for Addictive Disorders **Credit(s): 3**
- RCS 4453 - Overview of Addictive Disorders **Credit(s): 3**
or
- MHS 4453 - Applied Psychopharmacology in Drug Abuse and Dependency **Credit(s): 3**

ASL INTERPRETING B.A.

TOTAL DEGREE HOURS: 120

The ASL Interpreting major seeks to educate students to become sign language interpreters. The major includes instruction in both the theory and practice of sign language interpretation. A program of 49 credit hours is planned for the student majoring in ASL Interpreting. Students entering the major must demonstrate proficiency in ASL at the intermediate level prior to beginning the first semester of core courses in the major. Proficiency is demonstrated through successful completion of the ASL prerequisites courses listed below (or equivalent transfer courses) with a minimum grade of B- or higher in each course.

Certified Global Pathways Program

This program has been certified as a Global Pathway, which has significant global content. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research website.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

FOREIGN LANGUAGE REQUIREMENTS

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

OTHER REQUIREMENTS

- Graduation within the ASL Interpreting major also requires successful completion of the Center for the Assessment of Sign Language Interpreters (CASLI) written NIC examination.
- Students entering the ASL Interpreting major must demonstrate proficiency in ASL at the intermediate level prior to beginning the first semester of core courses in the major. Proficiency is demonstrated through successful completion of the ASL prerequisite courses listed below (or equivalent transfer courses) with a minimum grade of B- or higher in each course.

GPA REQUIREMENTS

Students must have an overall 2.0 GPA in core.

GRADING REQUIREMENTS

- A student must receive a "C-" grade or better in all courses within the major (some prerequisites may require higher minimum grades).

RESEARCH OPPORTUNITIES - ASL INTERPRETING B.A.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

ADVISING INFORMATION - ASL INTERPRETING B.A.

For questions related to advising, please contact our advisor at ASLAdvise@usf.edu.

LANGUAGE, SPEECH, AND HEARING SCIENCES B.A. TOTAL DEGREE HOURS: 120

Global Pathways Certified Program

The Bachelor of Arts in Language, Speech, and Hearing Science prepares students for graduate studies and/or work in communication sciences and disorders or related fields. This program includes required coursework in a variety of topics within communication sciences and disorders.

This program has been certified as a Global Pathway, which has significant global content. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research (HIPUR) website.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

PROGRESSION REQUIREMENTS - LANGUAGE, SPEECH, AND HEARING SCIENCES B.A.

Any student who receives a grade of "D+" or lower in two or more USF Communication Sciences and Disorders courses will be required to pursue major reselection. Note: Students may use grade forgiveness to improve GPA, but all "D+" or lower grades will count towards the maximum allowed total "D+" or lower grades in the major whether grade forgiven or not.

REQUIRED COURSES: (63 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - LANGUAGE, SPEECH, AND HEARING SCIENCES B.A. (12 CREDIT HOURS)

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C- is the minimum acceptable grade in prerequisite courses.

- BSC X000-X999 Biological Sciences – 3 credit hours
- STA X000-X999 Statistics – 3 credit hours

DEAF STUDIES MINOR

TOTAL MINOR HOURS: 14

The 14-credit hour minor is open to all students who are currently not majoring in ASL Interpreting.

MINOR REQUIREMENTS

MINOR CORE (14 CREDIT HOURS)

- ASL 2140C - American Sign Language I **Credit(s): 4**
- ASL 2150C - American Sign Language II **Credit(s): 4**
- ASL 3514 - Deaf Culture **Credit(s): 3**
Select one additional course from the following:
- ASL 2160 - American Sign Language III **Credit(s): 3**
- INT 4490 - Introduction to Cued Speech and its Applications **Credit(s): 3**
- SPA 3470 - Culture and Diversity in CSD **Credit(s): 3**

GRADING REQUIREMENT

A minimum grade of C- is required for each course.

GPA REQUIREMENTS

A cumulative GPA of 2.00 or better must be achieved in minor coursework in order for a student to be certified for graduation with a minor in Deaf Studies.

RESIDENCY REQUIREMENT

Fifty percent (50%) of the minor must be completed through USF coursework.

OTHER REQUIREMENTS

Seat availability in ASL courses is limited and is first-come/first-serve, with priority consideration given to ITT and DST majors needing ASL coursework to meet a major requirement to graduate. Declaring the minor does not guarantee seat availability; therefore, students should attempt to register as soon as possible each semester.

ADVISING INFORMATION

For questions about the minor, email asladvice@usf.edu.

DEPARTMENT OF CRIMINOLOGY

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

CRIMINOLOGY B.A.

TOTAL DEGREE HOURS: 120

The Bachelor of Arts degree in Criminology provides students with the skills and knowledge needed in the wide variety of agencies that comprise the criminal justice system, these include law enforcement, detention, the judiciary, corrections, juvenile justice, probation and parole. Also, the undergraduate program prepares criminology students to pursue a graduate degree in Criminology or related disciplines. The undergraduate program in Criminology introduces students to the theory, issues, and methodology of the causes of crime and the criminal justice system. The program provides students with the critical thinking skills necessary for the consumption and production of criminological research. Upon graduation, students must be able to delineate the main theoretical explanations of crime and delinquency, demonstrate knowledge of research methods used in the fields of criminology and criminal justice, and provide an understanding of the structure and process of the U.S. system of criminal justice.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>
- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

PROGRESSION REQUIREMENTS - CRIMINOLOGY B.A.

Students majoring in Criminology are expected to complete their major coursework in a timely fashion. Students who receive a total of three (3) D and/or F grades in Criminology major coursework will no longer be eligible to continue in the Criminology major and will be required to change their major outside of the Department of Criminology. Grade forgiveness will not exclude a D or F grade from counting for this rule.

When a Criminology student receives three (3) D and/or F grades in Criminology coursework, they will be removed from all Department of Criminology courses for which they are currently registered, removed from the Criminology major and placed into a non-major code, and emailed the notice of changes to their@usf.edu account. The student will then need to select a new major, declare the new major with the appropriate college, and register for courses which apply to their new major.

The D/F Rule application is final and effective from the beginning of Fall 2023. To be considered for an appeal, a student must meet at least one of the following criteria:

- Can (and must) complete all degree or minor requirements within one semester, with no more than ten (10) hours of Criminology area requirements.
- No longer have 3 D/F grades because the Academic Regulations Committee approved a late withdrawal/drop for one or more of the Criminology courses.
- No longer have 3 D/F grades because of an instructor change of grade in one or more of the Criminology area courses.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

To appeal, the student must send an email to ccjadvise@usf.edu; in the Subject line indicate D/F Appeal and in the body include name, student's U# and a complete explanation of the reason for the appeal. Appeals will be adjudicated by the Undergraduate Coordinator and students notified of results by email.

GRADUATION REQUIREMENTS - CRIMINOLOGY B.A.

Satisfactory completion of the following requirements:

- General Education Program (36 credit hours), including State Core General Education, State Computation and State Communication;
- Minimum of 120 unduplicated credit hours;
- A minimum adjusted grade point average (GPA) of 2.0 on all coursework taken at USF and an overall 2.0 GPA average on all college-level coursework;
- Major and college requirements in a chosen degree program;
- Nine credit hours of coursework taken during the summer term(s) (if entered USF with less than 60 credit hours);
- Registration and successful completion of at least thirty (30) of the last sixty (60) credit hours;
- 42 credit hours of upper-level coursework;
- Civics Literacy;
- Foreign language admissions coursework.

CRIMINOLOGY REQUIRED COURSES: (42 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - CRIMINOLOGY B.A.

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

There are no State Mandated Common Course Prerequisites for this major.

FOREIGN LANGUAGE REQUIREMENTS

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

GPA REQUIREMENTS

An overall 2.0 GPA average on all college-level coursework.

GRADING REQUIREMENTS

In order to graduate, students must maintain an average best attempt 2.0 GPA in all courses counted toward the major.

RESIDENCY REQUIREMENTS

A minimum of 30 credit hours of major course work must be taken in residence at the University of South Florida. Therefore, no more than 6 credit hours of transfer work (two courses) will be accepted to meet major requirements.

INTERNSHIP OPPORTUNITIES

The department provides all students with the opportunity to engage in an internship with a federal, state or local criminal justice related agency within one of the surrounding counties. Internships available with more than 100 agencies afford students the opportunity to network and gain practical experience in conjunction with their degree.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Internships may be taken for up to nine (9) credit hours of Criminology electives, and grades are awarded on a S/U (satisfactory/unsatisfactory) basis. To meet eligibility requirements for the internship, students must successfully complete CCJ 3024 , CCJ 3117 , six (6) hours of Criminology electives, and have a USF and a major GPA of 2.0 or higher.

ADDITIONAL INFORMATION - CRIMINOLOGY B.A.

FOREIGN LANGUAGE REQUIREMENTS

In addition to the foreign language entrance requirement, all students applying for a Bachelor of Arts degree from USF must demonstrate competency in a foreign language. To demonstrate this competency, students may take either two semesters of a beginning college-level foreign language or one semester of a higher-level course and earn a letter grade of "C" (no "S" grades) or above in the appropriate level course or demonstrate equivalent competency by passing an examination. Students may fulfill this requirement by demonstrating fluency in a language other than English and proficiency in English, as demonstrated in successful coursework or examination in English.

GPA REQUIREMENTS

An overall 2.0 GPA average on all college-level coursework.

GRADING REQUIREMENTS

In order to graduate, students must maintain an average best attempt 2.0 GPA in all courses counted toward the major.

RESIDENCY REQUIREMENTS

A minimum of 30 credit hours of major course work must be taken in residence at the University of South Florida. Therefore, no more than 6 credit hours of transfer work (two courses) will be accepted to meet major requirements.

INTERNSHIP OPPORTUNITIES

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

The department provides all students with the opportunity to engage in an internship with a federal, state or local criminal justice related agency within one of the surrounding counties. Internships available with more than 100 agencies afford students the opportunity to network and gain practical experience in conjunction with their degree. Internships maybe taken for up to nine (9) credit hours of Criminology electives, and grades are awarded on a S/U (satisfactory/unsatisfactory) basis. To meet eligibility requirements for the internship, students must successfully complete CCJ 3024 , CCJ 3117 , six (6) hours of Criminology electives, and have a USF and a major GPA of 2.0 or higher.

RESEARCH OPPORTUNITIES - CRIMINOLOGY B.A.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4914 course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

DEPARTMENT OF MENTAL HEALTH LAW AND POLICY

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

BEHAVIORAL HEALTHCARE B.S., WITH APPLIED BEHAVIOR ANALYSIS CONCENTRATION

TOTAL DEGREE HOURS: 120

Service delivery to individuals with developmental disabilities, Autism spectrum disorders, and other behaviors that may limit functioning is addressed with very specific behavioral techniques. This concentration is appropriate for individuals desiring certification in the field or as a complement to other service delivery strategies.

Behavioral health problems, such as mental and substance use disorders, are among the greatest public health challenges facing our communities. New, scientifically-based approaches are available to treat and prevent many behavioral health problems. Students will be exposed to treatment approaches as well as to issues in the organization, financing, delivery, and outcomes of behavioral health services. The emphasis of the curricula is on practices that have been scientifically validated and the delivery of services within the context of current funding, policies and trends. Students must also demonstrate behaviors that are congruent with the professional standards and values of the profession. Students desiring a career in this field should be aware that fingerprinting, a background check, and drug screen may be required to work in this field. Failure to pass one of these checks would be cause to terminate a student from the major. Students may be responsible for any associated costs.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

1. Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

Freshman: <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

Transfer: <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>

International: <https://www.usf.edu/admissions/international/admission-information/index.aspx>

PROGRESSION REQUIREMENTS - BEHAVIORAL HEALTHCARE B.S

Behavioral Healthcare majors are limited to two (2) grades of "D+" or lower in their major coursework. Any student who receives a grade of D+ or lower in more than two (2) major courses will be required to seek major reselection. Note: Students may use grade forgiveness to improve GPA, but all "D+" or lower grades will count toward the maximum allowed total "D+" grades, regardless of whether grade forgiveness has been applied.

BEHAVIORAL HEALTHCARE REQUIRED COURSES (54 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - BEHAVIORAL HEALTHCARE B.S. (9 CREDIT HOURS)

Students wishing to transfer to USF should complete an A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education requirements thereby transferring maximum hours to the university.

If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Transfer students are also required to comply with the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- PSY X012 Introduction to Psychological Science - 3 credit hours
- STA XXXX Any level Statistics course **OR** PSY X204 Psychological Statistics - 3 credit hours
- SYG X000 Introduction to Sociology **OR** SYG X010 Contemporary Social Problems - 3 credit hours

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with their academic advisor in their major degree area.

STATE MATHEMATICS PATHWAY – BEHAVIORAL HEALTHCARE B.S. (6 CREDIT HOURS)*

The Behavioral Healthcare B.S. uses the Statistical Reasoning Mathematics Pathway with the following requirements:

- STA 2023 - Introductory Statistics I **Credit(s): 3****
- Three (3) credits in any other mathematics course for which STA 2023 is a prerequisite or any additional math course necessary for the degree

* Mathematics Pathway courses count towards the State Common Prerequisite math courses and are not additional credits.

** Any of the STA XXXX or PSY X204 courses taken for state common prerequisites can meet this statistics requirement.

BEHAVIORAL HEALTHCARE MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

- MHS 2031 - Mental Health and Addictive Disorders **Credit(s): 3**
- MHS 3063 - Cultural Diversity, Health and Behavioral Health **Credit(s): 3**
- MHS 3411 - Multidisciplinary Behavioral Healthcare Services **Credit(s): 3 ***
- MHS 3753 - Research Methods in Behavioral Healthcare **Credit(s): 3**
- MHS 4408 - Exemplary Practices in Behavioral Healthcare Treatment **Credit(s): 3**
- MHS 4703 - Legal, Ethical and Professional Issues in BHC **Credit(s): 3**
- MHS 4723 - Professional Seminar in Behavioral Healthcare **Credit(s): 3**

* MHS 3411 should be taken during the student's first semester of major coursework; a minimum grade of "B-" is required.

BEHAVIORAL HEALTHCARE MAJOR (RESTRICTED) ELECTIVES: 7 COURSES; 21 CREDIT HOURS

Students complete the general Behavioral Healthcare program of study and one of the following three concentrations:

- Applied Behavior Analysis
- Behavioral Health Across the Lifespan
- Children's Behavioral Healthcare

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

BEHAVIORAL HEALTHCARE B.S., WITH BEHAVIORAL HEALTH ACROSS THE LIFESPAN CONCENTRATION

TOTAL DEGREE HOURS: 120

The B.S. in Behavioral Healthcare prepares students for entry-level positions in agencies that provide a variety of treatment services for individuals with diagnosed mental health, substance use, and/or behavioral issues. Other students may be preparing for graduate programs in human services and/or research. The program provides students with three options for concentration in (1) Behavioral Health Across the Lifespan, (2) Children's Behavioral Healthcare, (3) Applied Behavior Analysis. The curriculum emphasizes evidence-based practices utilizing a recovery-focused, holistic and strength-based approach to behavioral healthcare.

BEHAVIORAL HEALTHCARE REQUIRED COURSES (54 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - BEHAVIORAL HEALTHCARE B.S. (9 CREDIT HOURS)

Students wishing to transfer to USF should complete an A.A. degree at a Florida College System institution. Some courses required for the major may also meet General Education requirements thereby transferring maximum hours to the university.

If a student wishes to transfer without an A.A. degree and has fewer than 60 semester hours of acceptable credit, the student must meet the university's entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.

Transfer students are also required to comply with the immunization, foreign language, and continuous enrollment policies of the university.

Students should complete the following prerequisite courses at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- PSY X012 Introduction to Psychological Science - 3 credit hours
- STA XXXX Any level Statistics course **OR** PSY X204 Psychological Statistics - 3 credit hours
- SYG X000 Introduction to Sociology **OR** SYG X010 Contemporary Social Problems - 3 credit hours

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with their academic advisor in their major degree area.

STATE MATHEMATICS PATHWAY – BEHAVIORAL HEALTHCARE B.S. (6 CREDIT HOURS)*

The Behavioral Healthcare B.S. uses the Statistical Reasoning Mathematics Pathway with the following requirements:

- STA 2023 - Introductory Statistics I **Credit(s): 3****
- Three (3) credits in any other mathematics course for which STA 2023 is a prerequisite or any additional math course necessary for the degree

* Mathematics Pathway courses count towards the State Common Prerequisite math courses and are not additional credits.

** Any of the STA XXXX or PSY X204 courses taken for state common prerequisites can meet this statistics requirement.

BEHAVIORAL HEALTHCARE MAJOR CORE COURSES: 7 COURSES; 21 CREDIT HOURS

- MHS 2031 - Mental Health and Addictive Disorders **Credit(s): 3**
- MHS 3063 - Cultural Diversity, Health and Behavioral Health **Credit(s): 3**
- MHS 3411 - Multidisciplinary Behavioral Healthcare Services **Credit(s): 3 ***
- MHS 3753 - Research Methods in Behavioral Healthcare **Credit(s): 3**
- MHS 4408 - Exemplary Practices in Behavioral Healthcare Treatment **Credit(s): 3**
- MHS 4703 - Legal, Ethical and Professional Issues in BHC **Credit(s): 3**
- MHS 4723 - Professional Seminar in Behavioral Healthcare **Credit(s): 3**

* MHS 3411 should be taken during the student's first semester of major coursework; a minimum grade of "B-" is required.

BEHAVIORAL HEALTHCARE MAJOR (RESTRICTED) ELECTIVES: 7 COURSES; 21 CREDIT HOURS

Students complete the general Behavioral Healthcare program of study and one of the following three concentrations:

- Applied Behavior Analysis
- Behavioral Health Across the Lifespan
- Children's Behavioral Healthcare

CHILDREN'S BEHAVIORAL HEALTHCARE CONCENTRATION: 7 COURSES; 21 CREDIT HOURS 21

CONCENTRATION CORE: 1 COURSE; 3 CREDIT HOURS

Students must take MHS 4425 - Field Experience in Behavioral Healthcare (application needed two semesters before taking the course). The application, application deadlines, and additional information about the course can be found on the Field Experience webpage: <http://www.usf.edu/cbcs/mhlp/students/field-experience.asp>

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- MHS 4490 - Behavioral Healthcare Issues for Children **Credit(s): 3**
OR
- MHS 4002 - Behavioral Health Systems Delivery **Credit(s): 3**

CONCENTRATION REQUIRED COURSES: 4 COURSES; 12 CREDIT HOURS

- MHS 4074 - Child Development and Trauma **Credit(s): 3**
- MHS 4425 - Field Experience in Behavioral Healthcare **Credit(s): 3**
- MHS 4434 - Behavioral Health and the Family **Credit(s): 3**
- MHS 4455 - Drug Abuse Prevention and Treatment **Credit(s): 3**

CONCENTRATION ELECTIVE COURSES; 2 COURSES; 6 CREDIT HOURS

Select two elective courses:

- MHS 3204 - Fundamentals of Applied Behavior Analysis **Credit(s): 3**
- MHS 4203 - Practical Skills-Children's Behavioral Healthcare **Credit(s): 3**
- MHS 4413 - Applied Data Analysis for Behavioral Health Research **Credit(s): 3**
- MHS 4452 - Co-Occurring Disorders **Credit(s): 3**
- MHS 4453 - Applied Psychopharmacology in Drug Abuse and Dependency **Credit(s): 3**
- MHS 4454 - Alcohol Drugs and Crime **Credit(s): 3**
- MHS 4731 - Writing for Research and Publication in Behavioral and Community Sciences **Credit(s): 3**
- MHS 4741 - Applied Research Methods **Credit(s): 3**
- MHS 4931 - Selected Topics **Credit(s): 1-3**

ADDITIONAL INFORMATION - BEHAVIORAL HEALTHCARE B.S.

GPA REQUIREMENTS

Students must maintain a minimum cumulative GPA of 2.50 in major coursework while enrolled in the program. Students falling below the 2.50 GPA requirement will be allowed no more than one semester to improve their GPA to the threshold.

GRADING REQUIREMENT

A grade of lower than "C-" in any Behavioral Healthcare major course will not be counted toward fulfilling the requirements for the major.

RESIDENCY REQUIREMENT

At least 18 hours of major coursework must be taken in residence at USF Tampa.

OTHER INFORMATION

A concentration in Behavioral Healthcare is offered through the Bachelor of Science in Applied Science (BSAS) degree program for Florida A.S. transfers as well as the Bachelor of General Studies (BGS) for returning students. Both majors are offered through Undergraduate Studies.

A concentration in Multidisciplinary Behavioral Sciences is available through the Interdisciplinary Social Sciences (ISS) major, which is offered by the College of Arts & Sciences.

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

RESEARCH OPPORTUNITIES - BEHAVIORAL HEALTHCARE B.S.

Undergraduate students in any degree program are able to participate in undergraduate research. Several options exist to show mentored undergraduate research activity on a student's official transcript. Those who wish to enroll in an undergraduate research course should consult with their academic advisor to understand how the credit will apply towards the degree requirements. If no credit is needed, students may be eligible to enroll in the 0-credit IDS 4910 course. This course will not impact degree credits or GPA but will show on an official transcript and document the experience. The Office of High Impact Practices and Undergraduate Research (HIPUR) is able to assist with further inquiries.

ADVISING INFORMATION - BEHAVIORAL HEALTHCARE B.S.

BEHAVIORAL HEALTHCARE MINOR

The minor in Behavioral Healthcare is available to students interested in pursuing a career in the field of behavioral health in conjunction with any undergraduate major. It should be particularly beneficial to persons majoring in disciplines such as psychology, social work, sociology, anthropology, gerontology, long term care administration, pre-med, criminology, and nursing.

MINOR REQUIREMENTS: 15

MINOR CORE (15 CREDIT HOURS)

*NOTE: A student completing a field placement in Psychology, Social Work, or other human services discipline may request an exemption (from the advisor) from MHS 4425 and may substitute an approved elective. Students must apply to take MHS 4425 Field Experience in Behavioral Healthcare two semesters before taking the course. This course has three prerequisites: MHS 3411 with a B- or higher, MHS 4002, and MHS 4408. The application, application deadlines, and additional information about the course can be found on the Field Experience webpage.

- MHS 3411 - Multidisciplinary Behavioral Healthcare Services **Credit(s): 3**
- MHS 4002 - Behavioral Health Systems Delivery **Credit(s): 3**
- MHS 4408 - Exemplary Practices in Behavioral Healthcare Treatment **Credit(s): 3**
- MHS 4723 - Professional Seminar in Behavioral Healthcare **Credit(s): 3**
- MHS 4425 - Field Experience in Behavioral Healthcare **Credit(s): 3 ***

GPA REQUIREMENTS

A GPA of 2.00, or better in this minor is required for completion.

RESIDENCY REQUIREMENT

Fifty percent (50%) of the minor must be completed through USF coursework.

ADVISING INFORMATION

For questions about the BHC minor, email bhcadvise@usf.edu.

SCHOOL OF SOCIAL WORK

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

SOCIAL WORK B.S.W.

TOTAL DEGREE HOURS: 120

The University of South Florida offers a program of study leading to a Bachelor of Social Work (BSW) degree in the School of Social Work, College of Behavioral & Community Sciences. The BSW has been developed in accordance with the guidelines of the Council on Social Work Education, the national accrediting body for social work education programs, and in accordance with the recommendations of the National Association of Social Workers (NASW). The BSW program is fully accredited by the Council on Social Work Education. The BSW program has as its primary objective to prepare and graduate professionals for entry level positions in areas such as mental health, aging services, child welfare, criminal justice, or substance misuse. The secondary objectives of the BSW program are to:

1. Provide for the social work human resources needs of the university service district (the central Florida west coast area), the State of Florida, and the Southeast Region;
2. Provide an exposure to social work as a profession and to contemporary issues in the social welfare field;
3. Prepare graduates for additional professional training at the graduate level in social work or in related human service professions.

To prepare the BSW graduate for beginning professional practice, the curriculum provides students with an opportunity to develop a knowledge base and skill base as a "generalist" practitioner. Students will develop an understanding of various methods of intervention and skills and how to apply these to a variety of client systems. Intervention methods that students will learn may take the form of case management, individual and group counseling, resource development, consultation, teaching, advocacy, etc. Client systems in this context include individuals, families, groups, organizations, or communities. Students in the BSW program will develop an understanding of the dynamics of human behavior in individual, group and organizational contexts and the influences of those socio-cultural and spiritual contexts on human behavior. Students in the BSW program will also learn about the development of social welfare systems and institutions and about how the social, economic, and political processes, contribute to policy development and to the implementation of programs that impact client systems. Students will also develop an understanding of the use of basic social research skills related to the processes of problem-solving, planning, and evaluation of generalist social work practice. Students in the BSW program will gain awareness of the social work profession's value base, and will also engage in self-examination and reflection to empower their ethical and effective application of social work values in professional practice. The BSW program places great emphasis on the development of professionally responsible graduates who are committed to the client systems they serve, to the organizations in which they work, to the general public, and to the social work profession .

Certified Global Pathways Program

This Bachelor of Social Work (BSW) program is certified as a Global Pathway program. Global Pathway programs have significant global content that align with the goals of USF's Quality Enhancement Plan, the Global Citizens Project. USF fosters three primary qualities that global citizens possess, i.e., global awareness, global responsibility and global participation. These qualities are consistent with social work values. Study abroad opportunities are available through the School of Social Work and have included travel to India, Spain, and Peru. Our study abroad programs contribute to students' capacity to develop the three primary qualities of global citizens. Students in Global Pathway programs are well positioned to earn the Global Citizen Award. For more information, visit the Office of High-Impact Practices and Undergraduate Research website.

UNIVERSITY ADMISSIONS - COLLEGE OF BEHAVIORAL AND COMMUNITY SCIENCES

Admission to the University is based on the University's Undergraduate Admission Requirements that may be found by clicking on the following urls:

- **Freshman:** <https://www.usf.edu/admissions/freshmen/admission-information/requirements-deadlines.aspx>

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- **Transfer:** <https://www.usf.edu/admissions/transfer/admission-information/index.aspx>
- **International:** <https://www.usf.edu/admissions/international/admission-information/index.aspx>

PROGRESSION REQUIREMENTS - SOCIAL WORK B.S.W.

Students enrolled in the BSW program must maintain a minimum GPA of 2.75 in core courses in the major while enrolled in the program, and, demonstrate behaviors that are congruent with professional standards and values as described by the National Association of Social Work in order to remain in the major.

Completion of the five common course prerequisites with a minimum grade of "C" or better (2.0) in each course. A grade of "C-" is not acceptable.

Students must successfully complete their BSW core courses by earning a "C" or better. A grade of "C-" is not acceptable.

If Introduction to Social Work is completed at another institution, the student must have earned a grade of "B" or better in that course.

A syllabus must be provided by the student and reviewed in the School of Social Work prior to approval of any transfer of social work courses.

If a student withdraws or fails one course in the BSW Program (C- or lower) the student may retake the course one time. If that effort results in a failure, the student will be dismissed from the BSW Program. If a student receives a grade of "C-" or lower in two or more USF Social Work courses, they will be dismissed from the BSW Program.

A student who withdraws from or fails SOW 4510C - Integrative Seminar and Field Placement, or is dismissed from a field placement will not automatically be allowed to retake SOW 4510C. In such cases, special permission to retake SOW 4510C must be obtained from the BSW Chair. If granted permission to retake SOW 4510C, the student is required to register again for the course. When permission is given to retake SOW 4510C, the 460-hour field placement must be completed within the single semester for which the permission is given (A split-field placement is not an option if the student has withdrawn from, failed SOW 4510C, or been dismissed from a field placement).

Course Grade Requirement: SOW 3203 - Introduction to Social Work requires a minimum grade of "B" for eligibility into the major. A grade of "B-" is not acceptable

REQUIRED COURSES: (65 CREDIT HOURS)

STATE MANDATED COMMON COURSE PREREQUISITES - SOCIAL WORK B.S.W. (15 CREDIT HOURS)

Following Florida BOG Regulation 8.010, state mandated common course prerequisites are lower-division courses that are required for progression into the upper division of a particular baccalaureate degree program.

Transfer students should complete the State Mandated Common Course Prerequisites at the lower level prior to entering the university. If these courses are not taken at a Florida College System institution, they must be completed before the degree is granted. Successful completion of the common prerequisites alone does not guarantee a student admission into the degree program.

Unless stated otherwise, a grade of C is the minimum acceptable grade in prerequisite courses.

- BSC X005 **OR** BSC X085 **OR** BSC X010 **OR** PCB X099 - 3 credit hours

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

- ECO X000 **OR** ECO X023 **OR** ECO X013 - 3 credit hours
- PSY X012 **OR** DEP X000 **OR** DEP X004 - 3 credit hours
- SYG X000 **OR** SYG X010 - 3 credit hours
- POS X041 - 3 credit hours

STATE MATHEMATICS PATHWAY – SOCIAL WORK B.S.W. (6 CREDIT HOURS)

The Social Work B.S.W. uses the Mathematical Thinking in Context Mathematics Pathway with the following requirements:

- MGF 1130 - Mathematical Thinking **Credit(s): 3**
- MGF 1131 - Mathematical Thinking in Context **Credit(s): 3**

REQUIRED FOUNDATION COURSE FOR THE MAJOR (3 CREDIT HOURS)

This course is open to all majors, but it is a prerequisite and foundation course for the Social Work major. Although it is required for the major, it is not counted in the total hours for the major. Students typically take this course at USF.

- SOW 3203 - Introduction to Social Work **Credit(s): 3**

MAJOR CORE COURSES: 12 COURSES; 41 CREDIT HOURS

A major in Social Work requires 41 credits in a lock-step (pre-set) schedule.

STUDENTS MUST TAKE THE FOLLOWING COURSES DURING THEIR FIRST SEMESTER ADMITTED IN THE PROGRAM (15 CREDIT HOURS):

Students must take the following courses during their first semester admitted in the program (15 credit hours):

- SOW 3101 - Human Behavior and the Social Environment I **Credit(s): 3**
- SOW 3210 - The American Social Welfare System **Credit(s): 3**
- SOW 3401 - Research and Statistics For Social Work **Credit(s): 3**
- SOW 4341 - Multi-Methods of Social Work Practice I-Micro System Intervention **Credit(s): 3**
- SOW 4522 - Multicultural America in a Global Society **Credit(s): 3**

ONCE THE ABOVE COURSES HAVE BEEN SUCCESSFULLY COMPLETED, STUDENTS MUST TAKE THE FOLLOWING COURSES DURING THEIR 2ND SEMESTER IN THE PROGRAM (14 CREDIT HOURS):

Once the above courses have been successfully completed, students must take the following courses during their 2nd semester in the program (14 credit hours):

- SOW 3102 - Human Behavior and the Social Environment II **Credit(s): 3**
- SOW 4233 - Social Welfare Policy and Program Analysis **Credit(s): 3**
- SOW 4315 - Social Work Case Management with Special Populations **Credit(s): 3**
- SOW 4343 - Multi-Methods of Social Work Practice II Macro-System Intervention **Credit(s): 3**
- SOW 4414 - Social Work Data Management **Credit(s): 2**

ONCE ALL ABOVE COURSES HAVE SUCCESSFULLY BEEN COMPLETED, STUDENTS MUST TAKE THE FOLLOWING COURSES (12 CREDIT HOURS):

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Below are the course options available to BSW students in their third semester.

- SOW 4510C - Integrative Seminar and Field Placement **Credit(s): 9**

Choose final elective from:

SOW 4602 - Social Work Practice in Mental Health and Health Care **Credit(s): 3**

OR SOW 4650 - Child Maltreatment and Child Welfare **Credit(s): 3**

OR SOW 4930 - Variable Topics in Social Work **Credit(s): 1-3**

Note: SOW 4650 is a requirement of the Child Welfare Certificate pathway. Any BSW student can take SOW 4650 regardless of whether or not they are in the Child Welfare Certificate pathway.

ADDITIONAL INFORMATION - SOCIAL WORK B.S.W.

FOREIGN LANGUAGE REQUIREMENTS

Students must meet the University's FLENT (Foreign Language Entrance Requirement), which requires successful completion of two high school credits in one foreign language or successful completion of 2 semesters (8 credits) in one foreign language in college, or demonstrating equivalent foreign language competence on the basis of scores determined by the ACC CLEP or demonstrating equivalent foreign language competence through other means approved by USF (such as a Placement Exam). American Sign Language may also be completed for FLENT.

INTERNSHIP OPPORTUNITIES

Hands-on, practical experience is integrated in the core curriculum through the 460 hours of field placement that students complete during their final semester in the program. The School of Social Work has partnerships for the field experiences with an abundance of agencies in the surrounding communities. Students have many choices for the populations and environments in which they would like to develop their skills and prepare for professional employment. Internship (field placement) areas include child welfare, substance abuse, medical social work, mental health, children and adolescent services, forensic mental health, domestic violence, veteran's services, court/justice system, crisis management, elder care, hospice and homelessness.

OTHER INFORMATION

- Students must have junior status and fulfill the following requirements in order to enroll in the social work major courses:
 - 2.0 overall GPA, 2.0 USF GPA.
 - Completion of the five State Mandated Prerequisites (no grade of "C-" or below).
 - Completion of the SOW 3203 foundation course (no grade of "B-" or below).
- USF Bachelor of Science Social Work graduates may be eligible for admission into USF's Master of Social Work Advanced Standing programs.
- Membership in the National Social Work Honor Society, Phi-Alpha/Delta Sigma chapter at the University of South Florida is available to students who meet eligibility criteria. Phi Alpha is a national honor society for social work students who have attained excellence in scholarship. Its mission is to provide a network among students of social work and to promote humanitarian goals and ideals.

RESEARCH OPPORTUNITIES - SOCIAL WORK B.S.W.

The diverse research interests of the faculty in the School of Social Work provide a wide array of opportunities for students to interface with evidence based research studies. Current research interests include treatment of childhood trauma; quality of care outcomes for vulnerable populations with particular emphasis on older adults with co-occurring mental and physical health disorders; health effects of intimate partner violence; implications of health care practices

COLLEGE OF BEHAVIORAL & COMMUNITY SCIENCES

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

and interventions involving Latinos; reduction of health and mental health disparities for Haitians, and the development of psycho-social resources in community and long-term care settings.

ACCREDITATION INFORMATION - SOCIAL WORK B.S.W.

The School of Social Work programs are accredited by the Council on Social Work Education (CSWE).

ADVISING INFORMATION - SOCIAL WORK B.S.W.

Advising is available in office, by phone and email. We welcome students to contact our advisor to learn more about the social work profession and the BSW degree.
