UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

August 2024

The Undergraduate Catalog is published at <https://catalog.usf.edu/>

General Use Guidelines:

The announcements, information, policies, rules, regulations, and procedures set forth in this Catalog are for information only and are subject to continual review and change without notice. As the Catalog may change each year, the most current catalog shall apply with exceptions to be approved by the appropriate academic Dean.

To the extent the catalog references and incorporates Florida Board of Governor and USF Board of Trustee Regulations, USF Policies, and state or federal statutes, it is important to note that the Regulations, Policies and Statutes require separate promulgation outside of the catalog and that promulgation may not coincide with the publication of the Catalog. Accordingly, the most recent and current adopted Regulation, Policy or statute should be applied when following this Catalog. See <https://www.usf.edu/regulations-policies/>

The University of South Florida is committed to the principles of equal education, equal access, and equal employment opportunities without regard to race, color, marital status, sex, religion, national origin, disability, age, or Vietnam or disabled veteran status as provided by law and in accordance with the University's respect for personal dignity. These principles are applied in the conduct of University programs and activities and the provision of facilities and services.

LETTER FROM THE PRESIDENT

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Letter from the President

Dear Students:

Welcome to the 2024-25 academic year at the University of South Florida! USF offers wonderful opportunities to learn, grow and create lasting memories as you form friendships and find new interests in a stimulating environment.

As a proud USF alumna, I know from personal experience how much of an impact our university has on the lives of our students. Our highest priority is helping you achieve your educational and career goals, and I am delighted that you have chosen our great university to shape the future and make your mark on the world.

Opportunities for learning abound at USF. Across our 13 colleges, you can choose from more than 200 majors, minors and concentrations regardless of which of our three campuses you are studying at — Tampa, St. Petersburg or Sarasota-Manatee. On our website, you'll find a complete list of those offerings, from the arts to cybersecurity, from criminology to microbiology, and so much more. I encourage you to review the full list to find the major that suits your interest and puts you on a path toward a rewarding career.

This is a particularly exciting time at USF. Our reputation for world-class research and innovation continues to grow, highlighted by our recent invitation to join the Association of American Universities, a prestigious group of 71 leading public and private research universities in the United States and Canada. This distinct recognition means USF now stands alongside widely respected institutions including Harvard, Stanford, Johns Hopkins, Yale and the University of Michigan. As USF Bulls, you can take great pride in knowing that the degree you will earn holds tremendous value and respect because it was earned at one of America's leading research universities.

Our institution's commitment to excellence is also recognized here in Florida. USF is one of only three Preeminent State Research Universities, a designation reserved for institutions in the State University System that meet stringent metrics in such areas as student retention and graduation rates. USF is also ranked by U.S. News & World Report as one of America's Top 50 public universities, and we have our sights set on reaching the Top 25. Thanks to your continued pursuit of excellence both in the classroom and beyond, we will get there!

In addition to expanding your knowledge, there is so much to experience outside the classroom. USF is home to a diverse selection of nearly 800 student organizations across our three campuses, and I am confident you can find one or more that complements your interests. By staying active and involved on campus, you will create new memories and form lasting friendships as you also take advantage of everything the Tampa Bay region has to offer — including cultural, recreational and social opportunities, award-winning beaches and exciting collegiate and professional sports.

At USF, we are fully committed to providing a welcoming community where everyone feels a sense of belonging and is encouraged to think boldly about the future. We are focused on fostering student success and making significant contributions throughout Florida, nationally and globally. Our university's faculty and staff are here to support you; please don't hesitate to ask

for help as you explore your options. I wish you all the best in your studies, and as always, Go Bulls!

In Bull Pride,

Rhea Law
USF President

LETTER FROM THE PROVOST

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Letter from the Provost

Dear Students:

I want to welcome you to the University of South Florida, and I am grateful that you chose USF as your academic home. As a top 50 global research university, USF attracts the best and brightest students, which includes you.

Students are at the heart of our university, and we are committed to providing an environment that contributes to student learning and development within and beyond the classroom. This focus on student success is crucial in creating a supportive and enriching educational experience.

At USF, you will learn from world-class faculty whose research and scholarship transcend disciplines to foster social impact. Through your coursework, you will engage in diverse and interdisciplinary learning experiences that challenge perspectives, foster critical thinking, and promote personal growth.

Throughout your journey at USF, you will have the opportunity to engage in internships, scientific fieldwork, laboratory work, research experiences, service learning, education abroad, and other experiential learning opportunities. I hope you take the opportunity to explore these options and see how they align with your coursework, and with your career aspirations.

Each of USF's campuses in Tampa, St. Petersburg, and Sarasota-Manatee have unique academic and cultural strengths. Regardless of which campus you attend, you will benefit from the vibrant and high-quality learning, research, campus life, and community engagement opportunities available to you. We believe in fostering a dynamic campus environment where you can engage in student government, join intramural clubs and organizations, participate in living-learning communities, appreciate art exhibitions, enjoy musical performances, participate in multicultural events, celebrate homecoming traditions, cheer for intercollegiate athletic events, and partake in recreational activities.

By the end of your time at USF, you will emerge with not only academic excellence but also a set of skills, experiences, and resilience that will prepare you to thrive in your future endeavors. Your journey here will shape you into an empowered and confident individual, ready to make a positive impact in your chosen field and beyond.

Once again, welcome to the University of South Florida. Get ready for an extraordinary educational experience filled with growth, discovery, and lifelong connections.

Prasant Mohapatra, Ph.D.

Provost and Executive Vice President

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Campus Visit Experience

Visiting USF is one of the best ways to experience what this institution has to offer. While each of USF campuses have designed campus visit experiences to best reflect their distinctive identity, the goal is for our guests to depart with their questions answered and their next steps determined.

Tampa Campus

The Tampa campus visit experience includes the following:

- **A Tour of Campus** - Student-led by our Green & Gold Guides, the tour will give you an up-close view of our top-rated academic facilities, a spacious suite-style residence hall, delicious dining options, student support offices, high-tech recreation center, and other points of interest. In addition, you will hear from current USF students about what life is really like on our dynamic campus!
- **An Information Session** - Presented by an admissions professional, the session will provide an overview of the university, admissions requirements, financial aid, dining services, residential life, scholarships and campus life.

Please visit the Office of Admissions for more information and to schedule a visit at

<https://www.usf.edu/admissions/freshmen/visit-campus/campus-tour/campus-visit-experience.aspx>

A Virtual Campus Tour is available at <https://www.usf.edu/about-usf/tour.aspx>

Saint Petersburg Campus

The St. Petersburg campus student-led tour provides an up-close view of our downtown campus and surrounding waterfront. You and your family will learn about our academic programs, student organizations and waterfront activities, such as sailing, paddle boarding and kayaking. Experience life on-campus when you tour one of our residential halls, including the new Osprey Suites. Our in-person and virtual campus tours introduce you to current students, faculty and staff, and feature various academic and student life spaces, some of which have earned impressive ratings for their focus on sustainability. You will hear from current students about what life is really like on our dynamic St. Petersburg campus!

All guided tours include an information session or meeting with an admissions professional. Designed to guide prospective students through the application process, the session provides details on the admission requirements and scholarships. You can also experience our Self-Guided Tour or our 360 Virtual Tour (<https://www.stpetersburg.usf.edu/admissions/undergraduate/campus-tours.aspx>) on your own schedule.

While visiting our campus, we recommend you take time to explore vibrant downtown St. Petersburg or local beaches. Visit one of the city's many art galleries or museums, such as the Salvador Dali Museum, just steps from campus. If you are hungry, grab a bite to eat, shop and stroll along the waterfront at the new St. Pete Pier. Visit <https://www.visitstpeteclearwater.com/> for more information on area restaurants, accommodations and attractions.

To schedule your St. Petersburg campus tour, please register at <https://www.usf.edu/admissions/freshmen/visit-campus/visit-st-petersburg/index.aspx>.

Sarasota-Manatee Campus

Sarasota-Manatee campus tours are designed to help students gain an appreciation for the culture of the campus and local community, and help prospective students see why Sarasota-Manatee students choose to receive a preeminent education in a small school atmosphere. Guests take a guided tour of our campus: walking our halls, stepping into the classrooms, and laying beneath the pines in one of our hammocks. The tours are conducted by our Campus Experience guides who share the history and statistics of the campus, while helping flesh out the experience through their unique student lens.

2024-2025 USF UNDERGRADUATE CATALOG

UNIVERSITY OF SOUTH FLORIDA 2024-2025 UNDERGRADUATE CATALOG

Prior to the tour, students will receive an information session from an admissions counselor. This presentation will help to set the context for the tour, explain the programs and opportunities available on campus, and explain the application and scholarship process.

Tours typically last between 30 to 45 minutes, and are offered Monday, Wednesday, and Fridays at 10:00 a.m. and 3:00 p.m. Tour schedules may change during summer semesters and holiday hours.

To schedule a Sarasota-Manatee campus tour, please register at

<https://www.sarasotamanatee.usf.edu/admissions/visit-usf-sarasota-manatee.aspx>. If you have questions about the tour or other visit opportunities, such as Open Houses, please contact the Campus Experience team at 941-359-4331.
